An Official Publication of the City of Markham

Environmental Benefits Statement

Markham Life is produced using environmentally safe practices in an effort to save trees, conserve water and energy, and reduce our carbon footprint. It has been printed on 25% post consumer waste recycled paper, using only vegetable based inks.

Wood Use

30 tons less
(209 fewer trees)

Wastewater

252,902 gallons less
(1 fewer swimming pool)

Energy

484 million BTU's less
(5 fewer homes/year)

Solid Waste

38,217 pounds less
(1 fewer garbage truck/year)

Greenhouse Gases

104, 872 lbs CO₂
(10 fewer cars/year)

Environmental impact estimates were made using the Environmental Defense Paper Calculator. For more information, visit www.papercalculator.org. The Paper Calculator is based on research done by the Paper Task Force, a peer-reviewed study of the lifecycle environment impacts of paper production and disposal. The underlying data is updated regularly. Figures used in this statement represent pro-rated paper usage based on 4 issues of Markham Life (Annual Consumption).

Mayor's Message

Frank Scarpitti
Mayor, City of Markham

Markham Celebrates Canada's 150th Birthday

In 2017, we join communities across our great country to honour Canada's 150th birthday! We are planning a year's worth of exciting events and programs that everyone in our community can enjoy. Our Canada 150 celebration was formally launched on April 20, 2017, with the raising of our new Canada 150 flag and the introduction of our Canada 150-branded fire truck.

We received federal government infrastructure grants to support four incredible legacy projects in Markham: the John Daniels Park Gateway Rehabilitation at Markham Road and Steeles Avenue, the Veterans Square and Cenotaph Rehabilitation at Highway 7 and Markham Road, the revitalization of the landscaping around the Stiver Mille and the Benjamin Thorne Tribute at Thornhill Community Centre & Library.

July 1 promises to be a fantastic action-packed day and our largest Canada Day celebration in this special Canada 150 year! A new feature in 2017 is the Markham Star Search competition. We are looking for rising stars in Markham. Contestants will compete for a grand prize of \$1500, a second place prize of \$800 and third place prize of \$500. The top star will perform live on our main stage on Canada Day at Milne Dam Conservation Park. We will also feature a headliner performance at 9pm and an amazing fireworks show at sunset. Join us!

To encourage our neighbourhoods to create their own celebrations, residents and community groups can receive a \$500 grant to help fund their neighbourhood Canada 150 projects. We encourage everyone to submit their plans by May 5.

Later in the summer, on September 10, Markham will be hosting Markham 150 Expo – our signature Canada 150 event featuring local performers, vendors and activities for everyone to enjoy! This event has been generously funded by a federal grant of \$50,000. Visit markham.ca/canada150 for more information on all the projects and events Markham will be hosting across the City.

Markham is Green

Markham is known for our energy conservation, rooftop solar panels, local food charters and many other sustainability programs. Waste diversion is an important sustainability initiative that reduces waste to landfill sites, minimizes waste transportation and reduces greenhouse gas emissions. Markham already diverts 81 per cent of its waste from landfill.

As of April 17, the City will no longer collect clear bags containing clothes and household textiles at the curb, a first for a municipality in North America. Instead, residents can place bags of unwanted textiles inside any Markham donation bin conveniently located at fire stations and community centres throughout the city. Items unsuitable for resale through the Salvation Army's Thrift Store or Value Village locations will be recycled and re-purposed.

Our Trees for Tomorrow program celebrated its 10th anniversary with more than 343,000 trees planted. The program will also be incorporating Canada 150 activities throughout the summer including the donation of 15 Hero Trees in memory of all the Markham servicemen and women who paid the ultimate sacrifice; and planting of 150 native Canadian trees in 150 parks across all eight City Wards by Canada Day. We will also give away 150 small trees at select City-sponsored special events throughout the year, and at Markham Tree Talks.

Ensuring a sustainable City increases the quality of life for all Markham residents. Follow us on social media, our weekly City Page in local newspapers, and at markham.ca for upcoming events.

Markham Celebrates With Canada!

We have some amazing things planned to join in the Canada 150 celebrations this year. We are kicking it off on July 1 with our biggest Canada Day celebrations yet! Learn more about the events and projects that the City is planning to help you celebrate Canada 150 on pages 4-7.

Keep an eye out for our 'Canada 150' fire trucks! Grab a selfie with our à la canadienne fire truck or one of our two heritage trucks that have been restored. Show it off using #Markham150!

Do you have an idea to celebrate Canada 150? Let's make it happen! The City of Markham is providing funding for your neighbourhood or community event through our Canada 150 Neighbourhood Grants program. Get involved and help us show off our national pride in Canada's most diverse City! Let's get planning!

Summer is the Time to Have Fun

School's out for summer! Don't worry Markham has great summer camps for every interest! Sign up for one of our many summer camps, where your kids will learn a ton while having fun – from multimedia journalism camp to performing arts camps, from sports to inspirational arts camps – Markham can keep your busy beaver focused and active while learning and having fun. We can also take care of them before & after camp, making your commute to work less stressful, and support any special needs your children might have. Join us this summer for fun & learning!

We can Host Your Big Day!

Markham is also a great place to plan your special day: your wedding. We have amazing venues and great places for the most memorable engagement & wedding photos. From the simplest of weddings to the most elaborate events, we can do it all. Find out more on pages 12 & 13.

Canada's Most Diverse City is Also Digital

It's not only our diversity that sets us apart, Markham leads the way in offering digital options to our citizens. With over 70 online ways to serve you better, you can connect with us 24/7 on all kinds of matters. The latest addition is your property tax bill, through eBilling. Find out what your annual property taxes are, past billing info and your payment options, on a fully-secured platform. Sign up today, and receive email reminders as well.

Finally, A Note on Safety

Our municipal government handles many aspects of our daily lives, from snowplowing, to summer camps, from developing well-planned neighbourhoods to keeping our urban forest healthy and vibrant. The City of Markham also keeps us safe in case of fires and other emergencies. The Markham Fire & Emergency Department is one of the best in the province, and it works hard to make sure all of our residents are safe. One way to stay safe from potential fires in your home is having working smoke alarms and an escape plan. Find out how you can stay safe here, on pages 22 & 23.

Markham

story behind
Markham's
Canada 150
logo

It is with great pride that the City of Markham – the nation's most diverse city – joins municipalities from coast-to-coast-to-coast to honour Canada's 150th anniversary of Confederation in 2017.

Throughout the year, the City will be celebrating Canada's **BIG** year with one-time signature events, and incorporating Canada 150 celebrations into our existing special events and programs.

MARKHAM
Canada
Day

On **July 1**, enjoy the City's largest Canada Day celebration yet – drawing over 25,000 attendees throughout the day and uniting all members of the community.

CITIZENSHIP CEREMONY

Morning – What better way to kick off the celebrations than by welcoming new Canadians to our city during Citizenship Court at the Markham Civic Centre!

SENIORS LUNCHEON

11:45 a.m. – Celebrating the contributions of seniors to our community with a free luncheon at Le Parc, located at 8432 Leslie Street. Free shuttles available from select locations. Registration opens May 29. Call 905.477.5530 to secure your spot.

PEOPLE'S PARADE

4:00 p.m. – Watch the past, present and future of Markham come to life as the parade makes its way from McCowan Road and Highway 7 into Milne Dam Conservation Park! Members of the community are encouraged to join the procession and show their pride as Canadians.

MILNE DAM CONSERVATION PARK CELEBRATIONS

4.30 p.m. – Enjoy live entertainment, activities for the kids, food, displays and more with a performance by the winner of Star Search Markham. Cap the night off with fireworks at sunset.

MARKHAM 150 EXPO

The City's signature Canada 150 celebration, featuring local performances, vendors and activities that animate the City's slogan "leading while remembering."

SEPT. 10 |

SUMMER |

AUG. 26 |

SEPT. 23 & 24 |

STARTING OCT. |

FALL |

William Berczy Statue Unveiling

Berczy was one of Markham's founders. He was a protector and mentor to those he helped settle and he was recognized in his own time as one of Canada's finest painters.

Markham-Milliken Children's Festival

Ontario's largest children's festival, featuring a wide variety of entertainment, play zones, crafts and other outdoor activities for young ones.

Applefest

Enjoy Markham's most delicious celebration of the year! Learn about agriculture in Markham, check out the Markham Museum's working historic cider mill and sample some delicious local apple-inspired treats.

Growing Innovation: Markham Agricultural History

A family-friendly exhibition at the Markham Museum, exploring the machinery of agriculture. Discover the roles of science and engineering in the continuous improvement of farm practices in our community and test your own innovations.

Aaniin Community Centre & Library Opening

Celebrate the opening of our newest facility in southeast Markham. The name "Aaniin," pronounced [ah-nee], means "welcome" or "hello" in Ojibway, chosen to welcome Markham's many diverse communities, to celebrate Canada 150 and in honour of our First Nations people.

Lasting Legacies

Markham celebrates Canada 150 with a number of legacy projects that will have lasting positive effects on our community.

John Daniels Park Gateway Rehabilitation

Markham Rd. & Steeles Ave.

Replacement of the gateway feature to the City of Markham, including a shade structure, water feature, new signage and lighting, bike racks and landscaping to enhance the use of the park.

Veterans Square & Cenotaph Rehabilitation

Markham Rd. & Hwy 7

The construction of a new memorial to commemorate Markham's war veterans and firefighters, rehabilitation of the existing cenotaph and development of a multi-functional civic square. Improvements to the associated walkways, lighting, seating and landscaping will be included to enhance the use of the space.

Stiver Mill Landscape Revitalization

Main St. Unionville & Eureka St.

Improvements to the Stiver Mill site continue, including a new environmentally-friendly parking lot on the west side and extension of the boardwalk connecting Eureka Street to Main Street Unionville.

Thornhill Community Centre and Library Entrance Improvements & Benjamin Thorne Tribute

Bayview Ave. & John St.

Improvements to the landscaping and paving at the facility's main entrance and the installation of new seating and plants to enhance the use of the space. Revitalization of the entrance includes the installation of a tribute monument to Benjamin Thorne, the founder of Thornhill.

Visit our website to find out what other special Markham tributes and partnerships we've got in store.

Canada 150
Neighbourhood
Grants

Celebrate YOUR way

Are you interested in doing something in your community to celebrate Canada 150 with your neighbours? The City of Markham would like to help!

The City has created Markham's Canada 150 Neighbourhood Grant program to mark this special anniversary by strengthening connections right where our residents live – in their neighbourhood. Grants of up to \$500 are available to support Markham residents and community groups in developing neighbourhood projects that encourage participation to mark Canada's 150th anniversary throughout 2017. Ideas include tree plantings, sharing stories of Canada, historical neighbourhood tours, potlucks featuring childhood favourites – all creative, interesting ideas are welcomed!

Application deadline is May 5, 2017.

Visit markham.ca/canada150 to learn more & start planning!

Volunteer with Markham!

Mission

The City encourages volunteers to strive to achieve excellence and display leadership through volunteerism while providing a safe, fun atmosphere in which participants and guests are able to experience community life to the greatest extent.

Support the corporate mission to work with the community in providing high quality municipal services that meet, if not exceed, the expectations of City of Markham residents and businesses.

Values

Creativity and resourcefulness. These are the cornerstones of the City of Markham's Volunteer Program. The City of Markham has a vibrant and diverse cultural background. By combining the various skill sets, resources and imagination of our residents, no challenge is impossible to overcome.

There are many departments at the City of Markham that are looking for new volunteers: Aquatics, Recreation, Culture (the Markham Museum, the Varley Art Gallery, and the Flato Markham Theatre), the Markham Public Library, Environment, Emergency Preparedness, and more! We are looking for passionate people ages 14 to 65+ who want to share their talents, skills and experience to help make Markham an even better place to live, work and play.

Aquatics

Share your enthusiasm of swimming by providing support and assisting our instructors with in-water delivery of our programs.

Recreation

Express your passion for sport and recreation by helping people of all ages and abilities to participate in our programs and camps at our community centres.

Culture

If you are interested in contributing to creative expression and social health, provide your support to our programs and events at the Flato Markham Theatre, the Markham Museum, or the Varley Art Gallery.

Markham Public Library

Support and enrich the delivery of our events and programs by promoting literacy and facilitating learning through creative activities at our libraries.

Environment

Assist with community events, and help residents learn about sustainable living and the Greenprint – Markham's Community Sustainability Plan.

Special City Events

Bring your smile and friendly, approachable self to some of our great events! And more!

4 Easy Steps to Become a Volunteer!

1. Create your personal online volunteer account at markham.ca/volunteering.
2. Complete an interview and/or department specific training.
3. Complete your online General Orientation Workshop.
4. Provide a Police Vulnerable Sector Check (VSC).

Markham Summer Camp Learning Made Fun!

If you are seeking exciting, challenging experiences for your kids this summer, look no further than the City of Markham's summer camps! Our quality instructors promote creative and fun learning experiences while leading programs that cater to every interest and skill level.

Our one- or two-week camps, as well as full-day and half-day options, are affordable and designed to fit most family schedules. Conveniently located in community centres, libraries, local schools and cultural facilities across the City, there's sure to be something in your neighbourhood. We have some great outdoor options too!

Registering is easy! Go to markham.ca/summercamps. Programs fill up quickly, so act now!

Before and After Care

We understand parents with young children lead busy lives. To accommodate parents' schedules, many of our summer camps offer extended care for campers. For a small fee, your child will participate in activities such as board games, cards, puzzles, and arts and crafts before and/or after camp making drop-off and pick-up less stressful for everyone.

Variety of Camps Across the City

The Markham Public Library's Multimedia Journalism Camp allows junior reporters to explore what it takes to be a front-line reporter: critical thinking, deductive and inductive reasoning, problem solving and various styles of writing – all skills that also contribute to success in school. Participants may record their own news story and present it on the last day of camp.

At the Varley Art Gallery of Markham, children from ages 4 through 13 will find lots to inspire them. For most programs at the Varley Art Gallery, all materials are provided with the cost of the camp.

At the Markham Museum, campers will learn basic orienteering skills, explore urban ecosystems and habitats, and learn about conservation and sustainability through eco-friendly crafts, all while exploring the natural wonders of the museum's 25 acres of parkland.

The Flato Markham Theatre Performing Arts Camps are always sell-outs, but there is an alternative! The same great programs are offered at the Cornerstone Centre, located at 9680 Ninth Line.

The possibilities are endless with City of Markham summer camps. They're creative, educational and fun! And most specialized camps also include swimming and other activities.

For a complete camp list, please see Summer Camp section from pages 46 to 63.

Inclusion is In!

Children with special needs are always welcome at our camps, and during the summer months, we offer one-to-one support with a trained inclusion staff. For more information about costs, schedules and accessibility of locations, please contact 905.477.7000 x3930.

Happily
Ever After
Starts Here...

*Markham
has a site to
suit everyone's
wedding plans*

There are few events as important as your wedding, and Markham has all the facilities you need to make the day truly memorable. Historic to modern, indoors or out, you'll find it all here, along with helpful staff and useful information to guide you through the process. Whether you want a simple civil ceremony, a large formal wedding or something in between, the City of Markham can help you plan the perfect day, from marriage licence to reception and photography.

Markham's Marriage Services

Obtaining your Marriage Licence

Couples who are planning to get married in Ontario are required to obtain a marriage licence within 90 days of their wedding day, arrange for an officiant – a person authorized under the *Marriage Act* to perform marriages – and have two people witness the ceremony and sign the marriage licence. For religious services, the officiant may be a member of the clergy, while the City Clerk or a designate generally conducts civil ceremonies.

There are two ways to obtain a marriage licence in Markham:

- **Online:** Reduce the time required to process your request by completing the Marriage Licence Application and processing the licence fee online. At least one of the applicants must present required identification in-person at the Clerk's Office for both parties in order to complete the request.
- **On paper:** Complete the Marriage Licence Application, available online as a PDF form, and submit it in-person at the Clerk's Office. At least one of the applicants must be present to submit the completed form, present required identification for both parties and pay the licence fee.

The marriage licence fee is \$156.50 and will be processed while you wait. Debit, credit card, cheque and cash are accepted.

Wedding Photography Permits

The City of Markham's outdoor wedding photography locations have become popular sites for many couples. The City now offers hourly photography permits (\$125/hour) in the following locations:

- Berczy Park, Unionville
- Colborne Street, Thornhill
- Joseph Street Parkette
- Main Street Markham*
- Main Street Unionville*
- Pingle House, Unionville
- Toogood Pond, Unionville
- Unionville Library, Unionville

**A permit is not required at these locations if you are using the Markham Museum for your service or reception.*

For those wishing to use the Markham Museum as the backdrop for their wedding, a photography permit is available for a minimum of two hours at \$296.46. Each additional hour is \$141.20 (tax and staff included). If you decide to have your wedding at the Heintzman House, a photography permit is included at no charge.

For more information about obtaining a marriage licence, arranging for an officiant or obtaining a photography permit, go to markham.ca or call 905.477.5530.

There are a wide variety of locations to choose from when you are selecting a venue for your wedding.

Heintzman House

135 Bay Thorn Drive, Thornhill

Located in the residential community of Thornhill, the elegant Heintzman House was built in 1802 and designated as a Markham heritage site in 1983. Once known as Sunnyside Manor Farm, it's now owned by the City of Markham and serves as the perfect place to host your special day. It can seat up to 113 guests and includes a lovely solarium. For more information, go to heintzmanhouse.ca or call 905.944.3800 x6609.

Markham Museum

9350 Markham Road

The 25-acre site has rustic historical buildings and outdoor spaces to make an ideal backdrop for your perfect day. Its indoor and outdoor facilities can accommodate any type of wedding ceremony and reception. With a capacity of up to 300 guests, the Museum allows a variety of different setup and catering options that will surely impress your guests. For more information, go to markhammuseum.ca or call 905.305.5970.

Markham offers a wide variety of wedding photography sites.

(Left) Markham Civic Centre, (top right) Markham Museum, (facing page) Heintzman House.

"The Markham Museum is a wonderful location for a wedding. We had our wedding ceremony at the apple shed...I would recommend this venue to anyone looking for a beautiful location to have their wedding..."

Civic Centre Chapel and Wedding Room

101 Town Centre Boulevard

Located in the Markham Civic Centre, the Wedding Chapel and Wedding Room are perfect venues for smaller services.

The Wedding Chapel, with seating for up to 45 people, provides a quiet ambience in an intimate setting. You may choose to play your own selection of music using the Chapel's sound system.

The Wedding Room which holds a maximum of eight people standing (no seating) is the ideal venue to exchange your vows privately. When you book the Wedding Room, a City-appointed officiant is available to perform your ceremony.

Reservations for either the Chapel or the Wedding Room may be arranged through the City Clerk's Office at the Markham Civic Centre. For more information, call 905.477.5530.

Other locations that are available for weddings and receptions include:

- Varley Art Gallery of Markham 905.477.9511
- Box Grove Community Centre 905.472.2570
- Cedar Grove Community Centre 905.294.5205
- Markham Village Train Station 905.207.1453
- Victoria Square Community Centre 905.887.2798

Aaniin
[ah-nee]
means "hello"
or "welcome"
in Ojibway

Aaniin (Welcome) to Our Latest Facility, Opening This Fall!

Aaniin Community Centre and Library is our newest facility currently under construction in south-east Markham at Middlefield Road and 14th Avenue set to open this fall. The 122,000-square-foot, fully accessible LEED Gold facility located on more than 13 acres of land features several swimming pools, a fitness centre with an indoor walking/running track, triple gymnasium, library with Makerspace, Youth Room, Older Adult Room and a teaching kitchen!

Swimming

Our aquatics area will include a 25-metre, 6-lane swimming pool, a warm 131-square-metre leisure pool and a whirlpool with a capacity to fit 30 people. There is also a rock climbing wall built into the main pool and a Current Walk in the leisure pool.

Indoor Playground and Multisensory Room

Children of all ages will be thrilled to explore each nook and cranny in these unique rooms. Featuring 4,000 feet of play space, the areas will provide hours of fun and laughter. Slides, climbing stations, tunnels, riding toys and more will keep them busy!

Youth Room

The youth room will be the envy of every living room with 60-inch TVs, multiple PlayStations®, computers, free Wi-Fi access and a group study area. The centre will be open immediately after school to serve as a safe, fun, and social place to hang out with friends and make new ones.

Fitness Centre & Walking / Running Track

This state-of-the-art fitness centre has all the strength, cardio and supporting fitness equipment you need to stay in shape! Our highly certified and knowledgeable trainers look forward to helping you reach your fitness goals. A 150-metre track overlooks the gymnasium and is a comfortable, climate controlled environment to make it easy and fun to stay active.

Teaching Kitchen

We hope you're hungry! The aromas wafting from the teaching kitchen will entice many noses to check out what's cookin'. The kitchen will be home to a variety of general and specialty cooking classes for all ages to enjoy.

Library

In addition to thousands of books, Markham's entrepreneurs and aspiring business owners can access a co-work space that features excellent business resources and high-quality teleconferencing equipment. A Makerspace, digital media lab and creative studio will provide opportunities for all ages to experience the maker movement and to explore new technologies. The Aaniin Library will have the resources you need whether you want to try traditional crafts such as sewing or knitting, learn digital skills like music and video editing, or explore and play with new technologies like 3D printing.

Older Adult Room

The older adult room will host a range of friendly activities including Tai Chi, line dancing, card playing, mild mobility exercises and of course, socializing! This warm,

bright space overlooks the park and will be an ideal setting to connect with other community members.

Aaniin will welcome everyone with a variety of indoor and outdoor gathering spaces that allow for cultural expression, physical activity and opportunities to learn and engage with other community members.

Work at the Aaniin Community Centre! Be part of our team. Be part of your community. Some of the position we're looking to fill are library positions, sports and recreation program leaders, lifeguards and swim instructors, as well as facility, fitness and reception staff. Visit markham.ca/Aaniin to learn how you can apply, find out more information about the community centre, and sign up for email updates.

Can't Find Your Tax Bill? Find Yours Online Anytime

Whether it's booking a vacation or paying a credit card bill, Markham residents are using their computers and other digital devices more and more to complete business transactions that used to require piles of paper and face-to-face interactions.

And for the past two years, an increasing number have also been taking advantage of the City's Property Tax eBilling service, a convenient and easy way for residents to pay their property taxes.

It's just one of the more than 70 digital options Markham has developed to better serve residents and businesses, with the promise of more to come as the City develops its digital strategy, Digital Markham (see that story on the next page in this issue).

Launched in mid-2015, the City expanded on its traditional customer services methods with the launch of the Property Tax eBilling service to over 100,000 property owners in Markham. This secure service provides property owners with 24/7 online access

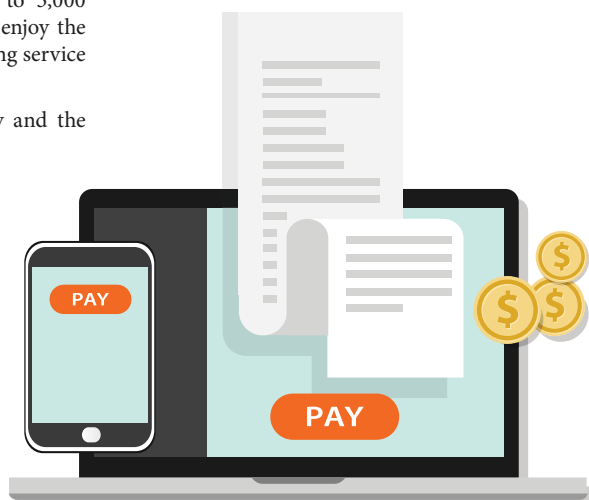

to their property tax bill, including current and past billing information, bill payment options and account details. When a property owner's tax bill is ready, a reminder email is sent to their email account.

Last year, over 3,500 property owners signed up for eBilling. They join close to 5,000 customers in Markham that now enjoy the benefits which Property Tax eBilling service provides.

And why not? Signing up is easy and the results are immediate.

- Go to markham.ca/ebilling.
- Register your property for eBilling – you'll need your tax roll number and customer number from your most recent City of Markham property tax bill.
- Select 'YES' for eBilling and follow the instructions to verify your email address.

For more information, visit markham.ca/ebilling, call 905.477.5530 or email us at customerservice@markham.ca.

Markham Becomes a Frictionless City with New Digital Strategy

The City of Markham, already a leader in providing digital services to its residents and businesses, is poised to become a “frictionless city” with the adoption of Digital Markham, the City’s new digital strategy.

“We were the first municipality in North America to offer online voting,” notes Mayor Frank Scarpitti, “and we have continued to invest in technology, currently offering over 70 interactive online services and business tools to better serve our customers. Moving forward, we want to expand the digital universe, making the City of Markham a ‘living lab’”

Approved by City Council on January 30, the strategy focuses on four key priorities:

- Serving and engaging the community
- Becoming the digital differentiator for business
- Developing the City as a platform
- Enabling a more digital workforce

“By 2025, I envision Markham as a ‘frictionless city,’ with seamlessly accessible and integrated services,” the Mayor says. “The goal is to enrich the digital experience of our citizens and customers and create a digital vibe in the community.” The strategy will

“...we want to expand the digital universe, making the City of Markham a ‘living lab.’”

—Mayor Frank Scarpitti

become the foundation for digital innovation, collaboration and partnerships among citizens, businesses and government.

“Markham’s growing economic prosperity depends on our ability to attract business,” Mayor Scarpitti adds. “Our digital strategy makes it easier to do business in Markham

by implementing innovative solutions and expediting processes and decision-making. This will position Markham as the digital destination of choice for business.”

Already a City that has attracted many high-tech organizations, Markham will become even more of a digital destination by developing opportunities in the new Future Urban Area and Markham Centre. The City will also connect with partners such as the new York University Markham campus, set to open in 2020. The campus will further strengthen Markham’s economy while preparing tech-savvy graduates for the workforce in the City, York Region and the broader Greater Toronto and Hamilton Area.

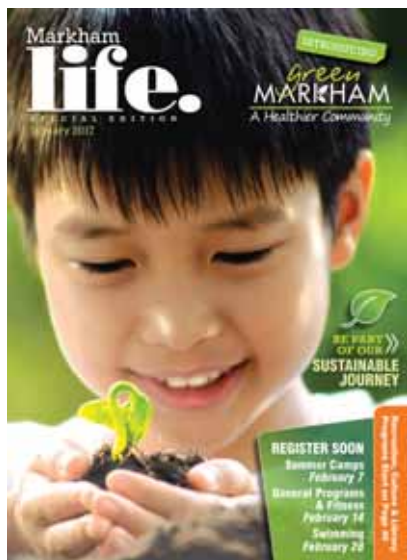

City staff will continue adopting “digital first” thinking in the work they do to set the stage for the next generation in the workforce. A comprehensive cloud and mobile strategy, and secure and resilient technology infrastructure will enhance digital service delivery.

The next step is to develop a detailed implementation plan, and staff is to report back to Council’s General Committee in June.

green MARKHAM

Continues to Amaze While Keeping Markham Sustainable

The Spring edition of Markham Life, available at markham.ca/markhamlife, highlighted many of the City of Markham's initiatives designed to create a safe, sustainable environment. Two recent programs have continued this important work.

Youth Film Challenge Focuses on Sustainability

Hollywood may have the Oscars, but Markham hosted its own film gala at the Markham Flato Theatre on January 4 with the screening of 15 films nominated as finalists in the 24-hour Film Challenge organized by the Markham Teen Arts Council (MTAC).

The annual Challenge requires teams of up to five teenagers to write, produce, edit, and complete a video challenge, all within 24 hours. At the screening, a panel of judges decides on the winning films, and the audience votes on its pick for the Peoples' Choice Award.

This year, MTAC joined with the City and its greenMarkham Campaign to create sustainability-themed videos, complete with a sustainability category. At the start of the 24-hours, each team received props (a recycling bin and a no-battery hand-cranked flashlight), a sound (running water) and a line from the movie *The Thing* ("Why don't we just wait here for a little while... see what happens...") that must be incorporated into their movies. Their entries can be viewed at www.youtube.com/MarkhamTeenArts

At the end of the night, the winners were:

First Place: Catalyst (Kelvin Yang, Justin Tam, Neethan Sriranganathan, Matthew Tang)

Second Place and People's Choice Winner: Sort Your Garbage (Peter Lai, Richard He, Gordon Xiong, Thomas Wang, Joshua Ching)

Third Place: No Place Called Home (Kyle Wong, Michael Chan, Richard Wang)

Sustainability Prize: Oopsy (Usman Syed, Abdul Syed, Amna Syed, Umar Syed, Noor Syed)

The Markham Teen Arts Council (MTAC), established in 2008, is the youth committee of the Markham Arts Council. It provides Markham teens with valuable opportunities to explore the arts, including photography and film, music and writing.

WinterFest Clothing Swap

Markham hosted its first clothing swap and educational outreach on February 20 (Family Day) at the Markham Museum's annual WinterFest. Residents were encouraged to bring their gently used clothes and trade them for something different – a great way to refresh one's wardrobe and keep textiles out of landfill.

The event stemmed from a community engagement plan developed through greenMarkham, the City's sustainability campaign, which strives to promote Markham's leadership in municipal sustainability and to encourage community engagement in the fight against climate change.

Also at the event, Markham's sustainability and waste departments teamed up with a booth that highlighted the City's new and rapidly growing textile recycling program (see separate story on page 21). Visitors to the booth received complimentary bags for their textiles, locations of textile recycling bins, and Markham's greenCard, a consolidated list of Markham's sustainability achievements.

And at the end of the day, over 50 leftover textile items were donated to Markham's textile recycling bins.

Between June 1 to September 30, Markham residents are required to follow Markham's Summer Water Restrictions Bylaw.

Summer Water Restrictions In Effect

Between June 1 to September 30, Markham residents are required to follow Markham's Summer Water Restrictions bylaw. Residential outdoor watering is only allowed between 6 a.m. to 9 a.m. and 6 p.m. to 9 p.m. Properties with an even-numbered address can water their lawn on even-numbered days and properties with an odd-numbered address can water on odd-numbered days.

Why are summer water restrictions necessary?

- During the summer, water consumption can more than double due to increased outdoor water usage.

- By avoiding unnecessary water use, residents can help ensure our City's water demand does not exceed our water supply.
- Reducing how much water we use decreases the need to expand our current water infrastructure and prolongs its lifespan, while keeping the overall costs of water affordable.

What can you do to help?

- Limit non-essential water use, such as lawn watering and at-home vehicle washing.
- Turn off water while brushing teeth, shaving, washing hands and dishes – this can save up to 60 to 80% on your water bill!
- Use a pool cover when your pool is not in use to prevent water loss through evaporation (and keep it warmer!)

- Take shorter showers – reducing shower time from 20 minutes to 8 minutes can save up to 360 liters. Run a pre-programmed playlist to help you keep it short!
- Leave grass clippings on the lawn after mowing – 50% of their weight is water which will be reabsorbed and help to fertilize your lawn.
- Mow only when your lawn is dry.
- Remove weeds as they appear as they rob moisture from surrounding grass and plants.
- Keep a jug of water in the fridge for cold drinking water instead of letting the water run to get cold.
- Always run your dishwasher and washing machine with a full load and use the shortest washing cycle whenever possible.

Get to Know H₂O

Water is one of our most precious resources and in Markham we are fortunate to have access to clean, safe drinking water at the turn of a tap. Clean water is essential to all aspects of our lives and it is important that we all take part in protecting our fresh water sources. To ensure clean, reliable water for tomorrow, we need to start protecting it today.

Get to Know Your H₂O by booking a **FREE** and interactive presentation by one of our water professionals!

Presentations include:

- Hands-on and interactive activities.
- Subjects include: drinking water treatment and distribution, water quality and health, wastewater collection and treatment, water efficiency and source water protection.

Who can book presentations?

- Teachers or principals from schools within the City of Markham
- Group leaders of Markham area community groups (guides, scouts, seniors groups, associations, clubs, etc.)

Booking a presentation:

- Please call or email Holly Newton at 905.477.7000 ext. 2594 or HNewton@markham.ca
- All presentations are custom designed to meet expected learning outcomes.

Buy a Bear

Get a warm & fuzzy feeling

Imagine having to spend time in a hospital. Sadly, many children will be in that situation this year at Markham Stouffville Hospital. For only \$50 you can tuck a teddy under a child's pillow and help purchase life-saving equipment government funding doesn't cover. Make someone's stay a little more bearable.

Whether you buy a bear for yourself or give as a gift to someone else, your bear is a symbol of the comfort you are providing to those who need it most.

Closets Crammed with Old T-shirts? Don't Toss Them – Donate!

In a move that will divert more waste from landfills, save natural resources and create local jobs, Markham has introduced a ban on textiles in curbside garbage pick-up starting April 17, 2017. Any garbage or blue boxes containing textiles may be tagged and left behind.

Textiles are defined as all clothing, including bathing suits, bathrobes, undergarments, belts and hats, even single socks and shoes. Household textiles such as bedding, towels, curtains, pillows and sleeping bags are also included. Even items that are worn, torn or stained can be donated for recycling and should never go in landfill.

It is estimated that every consumer produces between 30 and 40 kilograms of textile waste annually, with 85 per cent of it going into the garbage. Waste audits confirm that York Region residents are sending approximately 4,500 tonnes of textile waste to the landfill each year.

And it is only going to get worse, as North Americans embrace a trend toward low cost, “disposable” clothing, otherwise known as “fast fashion.” Inexpensive, trendy clothing is designed and priced to be bought, worn and quickly discarded. Produced by cheap labour in countries such as Vietnam, Bangladesh, India, Pakistan, the Philippines and China, its complicated supply chain creates a significant amount of greenhouse gases and is a huge contributor to global warming.

Banning textiles from curbside garbage, however, is only half the solution. The other half – creating a convenient, affordable alternative – has resulted in a broad and expanding network of textile collection sites, backed by an efficient system to re-use, re-purpose or recycle the collected material. Donated textiles are sorted to determine suitability and may be resold as is or sent to be repurposed into stuffing for furniture and car seats.

Instead of tossing unwanted textiles out with the trash, Markham residents can now take their bagged donations to any one of more than 50 textile donation bins, all clearly marked with the “Markham” brand. They are located at:

- All nine fire stations
- All four Markham Recycling Depots, including new donation bins at Milliken Mills Recycling Depot and Angus Glen Community Centre
- Multi-residential properties

By the end of this year, there will be almost 75 Markham-managed donation bins across our community.

Other ways to donate:

- The Salvation Army Thrift Store, 9293 Hwy. 48 N
- Value Village, 7655 Markham Rd.

There's also free home pick-up services for unwanted textiles and household items, call the Canadian Diabetes Association (1.800.505.5525), the Kidney Foundation (1.800.414.3484), or the Ontario Federation for Cerebral Palsy (1.877.244.0899). These organizations also accept gently used household items.

The Salvation Army and Canadian Diabetes are collecting the textiles donated through the Markham initiative and servicing the bins at no cost to the City. They sort through the donations and send resalable items to the Salvation Army's Thrift Store and Value Village locations, where proceeds help support local food banks, shelters, children's camps and addiction treatment facilities.

Items that can no longer be worn find a second life, as recyclers turn them into industrial rags, furniture padding, insulation, car seats, recycled fabrics and more. Material may also be sent overseas, where there is a massive demand for second hand clothing, especially in developing countries.

More information about textile recycling in Markham is available at markham.ca.

A fire escape plan can save your family

Get Out & Stay Out

In the event of a fire, you may have only seconds to get out. **Plan ahead.**

- ✓ Install and maintain working smoke alarms on every floor and outside sleeping areas.
- ✓ Plan at least two ways to get out.
- ✓ Determine a plan for those who need help to escape during an emergency.
- ✓ Choose a safe meeting place in front of your home.
- ✓ Close bedroom doors at night to prevent the spread of smoke into the bedrooms.
- ✓ Practise your home escape plan.

markham.ca/fire [markhamfire](https://twitter.com/markhamfire)

Call 9-1-1
from outside.
NEVER GO BACK
into a burning
building!

This Smoke Alarm Saved Lives

Over 100 people died in Ontario fires in 2016, and sadly, about the same number may die this year. But there are simple, common-sense steps you can take to prepare you and your family in the event of a fire.

Just Consider:

- 85 per cent of fire fatalities occur in residential buildings.
- More than 50 per cent of fatal fires are determined to be accidental and preventable.
- According to the Markham Fire & Emergency Services, all too often, homes with fatal fires had no working smoke alarm to warn the building's occupants.

Working smoke alarms are a must if you want to get out alive in a fire. Most fire victims die from smoke inhalation, not the fire itself. That's why Ontario law requires that homeowners, including owners of rental units, must provide and maintain working

smoke alarms on every floor of a dwelling and outside all sleeping areas.

Fires start small but can spread with remarkable speed, and you may have only seconds to get out. To ensure your family can leave your house quickly and safely, you should make and practice a home escape plan. The plan should include primary and secondary escape routes, a way of calling 9-1-1 from outside your building and a meeting place where you can check that everyone made it out safely. The Markham Fire & Emergency Services has a step-by-step guide for creating a home escape plan available online at markham.ca/fire.

Another practical step you should take to protect your family is checking that all your smoke alarms are in good working order by testing them once a month, and, if they are battery operated, replacing those batteries twice a year. Smoke alarms must be replaced at least every ten years.

You can reduce the chances of a fire in your home by ensuring that you and your family never:

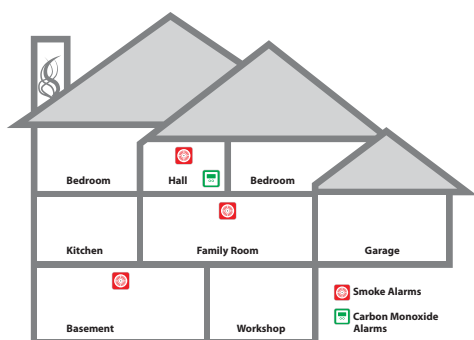

- Overload an electrical outlet with too many plugs
- Leave candles burning unattended
- Leave pots unattended on the stove
- Smoke in bed, or unsafely dispose of smoking materials.

If, despite your best efforts, a fire does occur in your home, your working smoke alarm will alert you in time to escape, and your home escape plan will make sure everyone knows what to do and where to go.

Remember:

- The most important thing is to get everyone out quickly.
- Never stop to call 9-1-1 from inside the building, unless it is unsafe to leave.
- Once outside, never go back into a burning building.
- Have a cellphone ready to take with you, or call 9-1-1 from a neighbour's house to alert the fire department.

For more information on fire safety in your home or business, contact the Markham Fire & Emergency Services or check out the useful information available online at markham.ca/fire. You will also find information there about carbon monoxide alarms, which are required by Ontario law outside sleeping areas in residential homes, and in the service rooms and outside sleeping areas adjacent to service rooms in large multi-residential units.

Markham Makes It Happen!

On December 13, Markham Council approved the City's 2017 budget and a tax rate increase of 3.46 per cent which includes a 0.5 per cent infrastructure investment. Keeping tax rates low, while making wise infrastructure and service investments positions Markham as a highly desirable destination.

On January 14 & 15, Markham residents celebrated Thai Pongal Vizha & Tamil Heritage Celebrations at the Markham Civic Centre and Flato Markham Theatre.

On January 14, Markham signs a Friendship Agreement with Mullaitivu, Northern Province, Sri Lanka. It was Mullaitivu's first friendship agreement with a Canadian municipality, and a historical milestone for both cities.

On January 17, Mayor Frank Scarpitti and CAO Andy Taylor sign an agreement to complete the acquisition of Hydro One Brampton and the merger of Enersource, Horizon Utilities, PowerStream. Officially called Alectra Inc., one of the largest municipally-owned electricity utilities in Canada.

On January 31, the City of Markham and Eabametoong First Nation sign a Partnership Accord, planting hope, skills, and economic opportunity in the fertile cultural ground of Eabametoong, a community of 1,500 people on-reserve. This new urban-First-Nation Cultural Collaboration serves as a model for other municipalities.

On January 31, Mayor Frank Scarpitti, Members of Council and residents celebrated Markham's 20th anniversary of Black History Month celebrations. Lead by Markham's African Caribbean Canadian Association & York Region School Boards, the event honoured past recipients and celebrated new trailblazers in Black History.

On February 1, Mayor Frank Scarpitti, Members of Council and members of the Islamic Society of Markham hosted a vigil for the victims of Sunday's attack at the Centre Culturel Islamique de Québec in Ste-Foy, Québec City.

On February 9, Lieutenant Governor Elizabeth Dowdeswell visited Markham and attended the Mayor's Chinese New Year Celebrations.

On March 21, Mayor Frank Scarpitti accepted medals presented to the City of Markham for hosting some of the events of the Toronto 2015 Pan Am/Parapan Am Games. The medals were presented by Minister Michael Chan and Minister Helena Jaczek.

On April 4, to mark the 100th anniversary of the Battle of Vimy Ridge in World War I (1914-1918) and honour the achievements of our citizen soldiers, the 4th Canadian Mounted Rifles Association hosted a Mayor's Vimy Dinner & Concert at the Flato Markham Theatre. Partial proceeds support Wounded Warriors Canada.

On April 6, Mayor Frank Scarpitti and Members of Council invited residents, stakeholders, business members and local media to Markham's 2016 Report: A Year in Review event. Mayor Scarpitti provided an update on Markham's 2015-2019 strategic plan and the City's 2016 accomplishments.

Markham's conservation efforts intensify during Earth Month. On March 25, our Earth Hour event at the Varley Art Gallery was highlighted by a Lantern Walk. On April 22, the City marked Earth Day in Downtown Markham with a sustainability fair, free Pride of Canada Carousel rides, and more. Volunteers continue to restore Markham's natural habitat at the 10,000 Trees for the Rouge spring planting at Campbell Park on April 23.

(Not pictured) On February 15, Canada Flag Day was celebrated at the Markham Civic Centre organized by Proud To Be Canadian From Sea To Sea Association. Keeping its tradition of honouring the cultures that make up our beautiful city, Markham along with its residents, councillors and staff raised the flags of Greece on March 21 and Pakistan on March 23.

Help Keep Markham Beautiful

a few tips for the coming months...

April

- * If they poop, you must scoop. Be a good neighbour - please clean up after your pet.
- * Leaf and yard material is collected every other week (April to December). For more details, refer to your 2017 Collection Schedule, available online at markham.ca

May

- * Good fences make for good neighbours. All fences in the City of Markham must follow specific guidelines for design, height and construction.
- * You might need a permit! Property owners must apply for a permit before destroying any tree in Markham with a trunk diameter of 20 cm (about 8 inches) or more.

June

- * Grass and weeds should not exceed six inches in height and grass clippings should be removed from the lawn or mulched.

July

- * Dumping garbage and furniture is illegal. Report it at 905.477.5530

August

- * It's not cool to leave your pet in a hot car, even for "just a minute." Heatstroke can be fatal to animals.

Seniors Centres & Clubs

Programs & Services

Older Adult Strategy Update

"The best part is having a place to socialize with others and meeting new people. It's also a great place to be active and try something new."

Norm Goldstein

Club President, member since: 2013

SENIORS' SPOTLIGHT

Thornhill Seniors Club

We talked to Norm Goldstein, President of the Thornhill Seniors Club, to find out a bit more about the club and what it offers.

Q: Please tell us about yourself.

Since becoming a member at the Club four years ago, I have served as Convenor, Director, Vice President, and currently as President. As President, I represent the club members and work closely with City of Markham staff.

I have lived in the City of Markham for the past 44 years, and have been married for 47. I have a lovely married daughter and two beautiful grandchildren.

I am personally a regular participant in several of the activities offered at the club. Two of my favourites are Scrabble® and snooker!

Q: What are the three most popular programs and services that the Thornhill Seniors Club offers?

The Thornhill Seniors Club, located at Thornhill Community Centre and Library, offers a wide variety of social and physical programs seven days a week. Three of the more popular activities are carpet bowling, bridge and pickleball. For more information about these and other activities, visit tsclub.ca or drop by for a tour.

Q: How do I become a member of the Thornhill Seniors Club?

You can sign up for a membership at the Thornhill Seniors Club main reception desk. The volunteers will be glad to help you between 9 a.m. and 3 p.m., Monday to Friday. Memberships run from September 1 to August 31 and cost \$35 for City of Markham residents.

Q: Are there any social events or trips coming up soon at the Thornhill Seniors Club?

We have various day and overnight trips offered throughout the year, including musicals, theatre shows and casino trips. Some examples of the places that we visit are Niagara Falls, Stratford, Collingwood, Muskoka and Windsor, to name a few. We also run social events throughout the year, which include BBQ's, a Welcome Back Lunch, our Speaker Series, the Holiday Elvis Concert and Dinner, the Volunteer Appreciation Lunch and café events.

To learn more about these events, visit tsclub.ca or call 905.944.3781.

Q: Are there any volunteer opportunities available at the Thornhill Seniors Club?

We are always looking for new volunteers to provide assistance to various programs and events. If you're interested, please call 905.944.3781.

Q: Is the Thornhill Seniors Club affiliated with the City of Markham?

Yes. The club runs in direct partnership with the City of Markham. We utilize city space, staff and other resources to help maintain our ongoing success in engaging the older adult community. Membership fees are collected and given to the City of Markham. Over the years, we have had a great relationship with staff and meet with them on a regular basis for support.

2017 Senior Art Showcase & Sale

Greensborough Tamil Seniors Wellness Club

A Success Story

Last summer, seniors from the Tamil community met daily in Art Latham Park to exercise, chat and share common interests. This routine was a great source of fun and relaxation to all those who participated. As cold weather drew near, concerns grew about where the group would meet over the winter. Arul Rajasingam, a Markham senior, set out to solve this problem by moving activities indoors and forming the Greensborough Tamil Seniors Wellness Club.

Read more about this story: markham.ca/seniors

Upcoming Events

This summer, join your fellow seniors at various City of Markham or community festivals and events to celebrate Canada's 150th birthday!

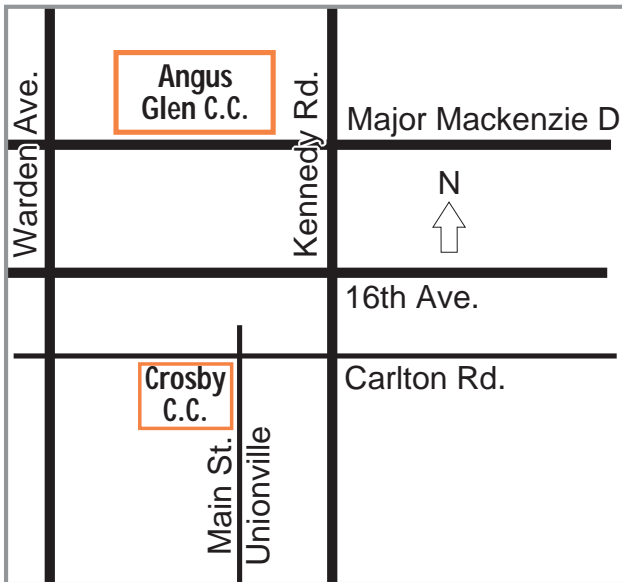

For more information about what's happening, visit the events calendar at markham.ca or call 905.477.5530

Angus Glen Older Adults Club

Location: Angus Glen Community Centre
3990 Major Mackenzie Dr. East
Markham, ON L6C 1P8

Contact: agoac2014@gmail.com
905.477.7000 x 7136

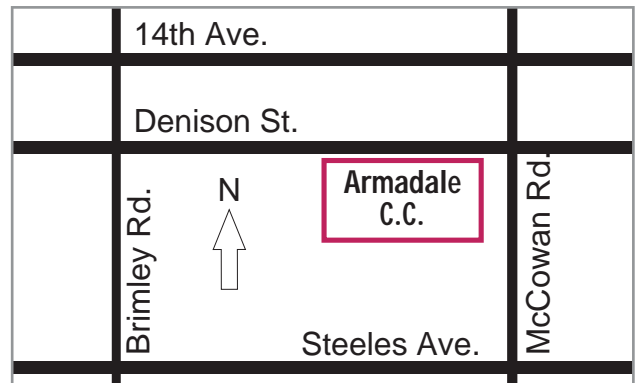

Angus Glen Older Adults Club (AGOAC) is a non-profit organization and was incorporated in May, 2014. It works in partnership with the City of Markham to provide facilities and locations to encourage and support an active, independent, and healthy lifestyle to seniors of North Markham, benefiting them mentally, emotionally and physically.

The Club offers programs in Ballroom Dance and Line Dance; Table Tennis; Badminton; Pickle ball; Karaoke Sing-Along; Simple Dessert; Yuanji Dance; Tai Chi; Qi-gong; Wellness Exercises; Yoga; Digital Photography; Acoustic Guitar; Crafts; Asian Opera, and Cultural Dance, etc. All classes are conducted by volunteers who selflessly share their knowledge, skill, time, experience, and effort in their specialized fields. Members pay an annual membership due to get in these mostly free classes. For fiscal year 2015/16, the annual due is \$45. Volunteers at any level and scope are always welcome.

tscoarddirectors@gmail.com

The Thornhill Seniors' Club is a not-for-profit community organization with approximately 1,400 members and volunteers. Operating out of the Thornhill Seniors Centre – a 6,000' space in the Thornhill Community Centre, it has a TV lounge, cafe, kitchen, accessible washrooms, games room, three activity rooms plus shared space with the Community Centre. Over 90 activities are offered Monday through Sunday. With generous sponsor support, we are also able to offer presentations and events at no charge to our members. The Club also offers day and over-night trips. Please call the Travel Desk for more info: 905-944-3782.

Membership Information: Membership is required to attend most Thornhill Seniors' Club programs. Programs that do not require membership are listed on the Drop-in Programs page.

These programs are offered through the Senior Clubs. For more information on memberships, please visit the club pages. You may also contact the clubs directly for detailed information on program dates and fees.

Abdominals

A gentle exercise program to strengthen abdominal muscles and generally increase the feeling of well being.

Program offered at: Thornhill Seniors Centre

This specially designed activity program assists with maintaining the ability to do daily tasks by keeping the whole body responsive to the demands of those activities without strain. *Pre-screening is mandatory.*

Program offered at: Markham Seniors Activity Centre

Karaoke

Enjoy an afternoon of karaoke with your favourite songs. Participants will choose from a list of available songs and perform them for each other. This is a fun social activity.

Program offered at: Milliken on the Move

Line Dancing - Beginners

Come and enjoy this great dance and exercise program by learning the step-by-step line dancing techniques. No partner is necessary.

Program offered at: Cornell C.C., Milliken on the Move, Markham Seniors Activity Centre, Thornhill Seniors Centre

Line Dancing - Advanced

Once you have mastered the beginners line dancing class, this is the next step. This program will focus on more movements - a fun program for everyone.

Program offered at: Markham Seniors Activity Centre, Thornhill Seniors Centre, Milliken on the Move

Lunch, Learn and Linger

Bring your lunch and join in some interesting discussion or entertainment. Every Monday, something new happens.

Program offered at: Markham Seniors Activity Centre

Mah Jong

Enjoy a fun game of Mah Jong with other participants. Whether you are a beginner or an advanced player, we will find you a group to play with.

Program offered at: Markham Seniors Activity Centre, Thornhill Seniors Centre

Mild Mobility Exercise

This exercise class utilizes movement to increase joint mobility, and allows you to go beyond simple flexibility of muscles. It provides you with the ability to move your hips, shoulders, spine, and other body joints more efficiently.

Program offered at: Armadale C.C.

Music Ensemble

Bring your instrument and share the joy of music by playing in this fun amateur music ensemble. Practice different types of songs and rhythms. All types of instruments are welcome.

Program offered at: Milliken on the Move

Osteo Fit

This exercise program is geared toward seniors with or without Osteoporosis. It is a fun and great way to exercise at your own pace. This activity uses light weights and music to enhance the program. It involves both sitting and standing exercises.

Program offered at: Thornhill Seniors Centre

Pickleball

This is a racquet sport that combines badminton, tennis and table tennis. It is played with a hand paddle and polymer ball on a court 1/3 the size of a tennis court, and is enjoyed by a wide range of age groups.

Program offered at: Armadale C.C., Cornell C.C., Markham Seniors Activity Centre, Thornhill Seniors Centre

Snooker/Billiards

This is a game everyone can enjoy. Lessons are offered throughout the season, building up to a snooker tournament. Work on bank and check side shots while meeting new people. Snooker tables, cues, and balls are provided.

Program offered at: Markham Seniors Activity Centre, Thornhill Seniors Centre

Spanish Language Classes

This pre-registered program runs throughout the year. It offers Basic Spanish, level 1, Intermediate Spanish, level 2, and Conversational Spanish for those students who are able to converse in the language. Please contact 905-944-3781 for details and times.

Program offered at: Thornhill Seniors Centre

Table Tennis

Beginners and champions are welcome. Practice your top spins, backhands and chop shots while getting some exercise. Tables, balls and racquets are provided, however, participants are welcome to bring their own racquets, if preferred.

Program offered at: Markham Seniors Activity Centre, Thornhill Seniors Centre, Milliken on the Move

Tai Chi

Improve your health by joining in this martial arts program. Through a series of graceful movements, you will improve muscle strength and meditations

Program offered at: Thornhill Seniors Centre, Milliken on the Move, Markham Seniors Activity Centre

Travel

Meet new people and socialize as you join in these fun day trips or evening excursions. Destinations include theatres, cruises, shopping and casinos.

Program offered at: Markham Seniors Activity Centre, Thornhill Seniors Centre.

Volleyball

Members of the Markham Seniors Activity Centre only are welcome to join in this fun game of volleyball. Improve your spike, volley, serve and bump as you exercise. Please bring a good pair of running shoes.

Program offered at: Cornell C.C.

Watercolour Painting

Reveal your hidden painting talent by joining in this watercolour course. Instructors will assist and help develop painting techniques. Please speak to staff regarding materials for the course.

Program offered at: Markham Seniors Activity Centre, Thornhill Seniors Centre

Yoga for Seniors

Join our certified yoga instructor as she leads you through a series of stretches that will gradually increase your flexibility, building strength and creating balance while reducing stress.

Program offered at: Cornell C.C., Markham Seniors Activity Centre, Thornhill Seniors Centre, Armadale C.C.

Yuanji Dance

Yuanji dance originated in China and is a combination of exercises, dancing, acupressure, and the martial arts. This dance is easy to learn, good for strengthening the muscles and improving flexibility in the joints. Join in the dance and get a great workout too.

Program offered at: Milliken on the Move

Zumba

This active dance class is a fusion of Latin and international music, and dance that creates a dynamic, exciting and effective cardio workout.

Program offered at: Cornell C.C., Markham Seniors Activity Centre, Thornhill Senior Centre, Milliken on the Move.

Varley Art Gallery of Markham

celebrating
20 Years

216 Main Street Unionville
905.477.7000 x3261 | varleygallery.ca

The Varley Art Gallery of Markham presents exhibitions of historical and contemporary Canadian art, and offers educational programs year-round. Through research, exhibitions, community programming and publications, the Gallery explores the art of F.H. Varley – a founding member of the Group of Seven – his peers, and other artists who have shaped artistic practice in Canada.

As a new Canadian citizen, you are eligible to receive the gift of a Cultural Access Pass, which provides complimentary admission to more than 1,000 of Canada's cultural treasures from coast-to-coast-to-coast. Pick up your pass at the Varley!

Visit: <http://www.icc-icc.ca/en/cap/> for more information.

THE LEARNING PLACE

At Markham Public Library, you can participate in a variety of learning opportunities. Programs and workshops are designed to help you learn a new skill, discover a new passion and make informed choices. Whatever your interest, explore it at the library!

Preschoolers

Learning starts at birth! You and your baby, toddler or preschooler will enjoy books, songs, rhymes and fingerplays at our drop in storytimes. Learn tips and techniques to use at home that build on the storytime experience and develop language and pre-reading skills in your child.

Children

Grade-appropriate programs have been developed for MPL by teachers to support the learning that happens at school. Your child will be engaged in fun and educational activities in a small group setting that will help develop skills and confidence.

Teens

MPL has great spaces for teens to study or hang out with friends. Our Teen Librarians can help you find information or suggest books, movies and music. MPL also has a variety of fun or academic programs for teens.

Adults

MPL offers language programs, computer programs, book discussion groups, and health, parenting or business workshops that will have you learning new skills and exploring new ideas. Seniors (65+) receive a 30% discount on programs.

New to Canada?

Visit MPL for settlement services, ESL classes and programs aimed at newcomers. You'll also find books, newspapers, music, movies and online resources in other languages.

You can find MPL's programs in the Program Guide section or at markhampubliclibrary.ca.

Hours:

Monday - Friday: 10:00 a.m. - 5:00 p.m.
Saturday & Sunday: 12:00 - 5:00 p.m.

Markham Museum offers a unique family and educational experience, featuring over 20 historic buildings on 25 acres of parkland. One of the first LEED Gold Standard museum spaces in Canada, the Markham Museum represents the main theme of settlement as it relates to the environment, and the technologies used to adapt to life. Highlighting technologies such as pottery, metal working, and textiles, our high-quality and affordable programs and camps focus on the ongoing growth of the region. Our exhibitions and events engage the community as a whole and attract over 50,000 visitors to Markham and the Greater Toronto Area each year.

Volunteer

Be part of an exciting and engaged team, make friends and learn new skills! Opportunities are available for teens, adults and seniors. We need your help with:

- Camps
- Special Events
- Family Sundays
- Children's Programs

Visit markham.ca/volunteering to create your account and see what opportunities are currently available.

Exhibitions

May 27 – October 1

Touching a toad gives warts. You produce more earwax when you are stressed out. Eating cheese after a meal prevents cavities. Sound can break glass. Peanuts are used in the making of dynamite.

Explore the five zones of the exhibition and stop by each station. Enigmas, popular beliefs, physical tests... One question: TRUE OR FALSE? With pictures, videos and demonstrations, you'll learn the whole truth. Sceptics will be stunned.

Don't believe everything people say!

SUMMER THEATRE CAMP

AT CORNERSTONE CENTRE

9680 Ninth Line

**WEEKLY FROM
JULY 4 – AUG 27**

Jr. Performing Arts Camp

(6–9 years old)

Performing Arts Camp

(10–12 years old)

It's always fun and exciting to try something new! Now your child can do so in a friendly, inclusive theatre environment. These weekly performing arts camps focus on age-appropriate skill development in acting, singing and dance. Campers discover and explore their own personal strengths and talents. Each week a guest artist will run workshops for one afternoon in their specialized field which can range from Clowning and Stand-Up Comedy to Bollywood, Hip Hop, and Chinese Dance. Every week will be different with a new guest artist, so campers can have fresh experiences all summer long! On the Friday afternoon, family and friends are invited to watch campers showcase their favourite skills from the week as they perform in a talent show. Performing Arts Camps are directed and facilitated by an experienced arts professional. A terrific complement to the popular theatre camps at the Flato Markham Theatre.

www.markham.ca/RegisterNow

By Phone

905.475.4867

**Drop-off, Mail
or in Person ***

Please call us if you have not received your mail confirmation one week prior to the program start date.

** All Registration Forms are processed in random order. In person registrations at your local community centres will begin one day after the registration start date.*

What if the program I want to take is full?

You can opt to be placed on the waitlist for a program – if a space becomes available, you will be contacted via phone three times – follow the prompts during the call. If you do not take the spot available by 3pm the following business day, the system will move to the next person on the waitlist.

Can I transfer or withdraw from a program?

Yes, you can. When you advise/request the transfer or withdrawal will determine the value of any refund you may receive. Please go to www.markham.ca/RegisterNow for complete information on refunds, and to request a transfer or withdrawal.

Program cancellation

Cancellation of programs occurs when there are not enough course registrants. Please sign up early to avoid disappointment. If your course is cancelled, we will do our best to place you elsewhere. If no accommodation can be made, a full refund will be issued.

Non-residents

Non-residents of the City of Markham are welcome in our programs. A non-resident fee of \$10 will be applied to all programs and registration will occur after resident registration has begun. Please see the Contents Page for dates.

Returned cheques – oops!

Please note that an administration fee will be charged for returned cheques.

Children's Tax Credits

As of January 1, 2017, the Children's Activity Tax Credit will no longer be available. The City of Markham no longer identifies if your course is eligible for credits.

Financial assistance

The City of Markham believes that recreation opportunities should be available to all residents. Residents experiencing financial difficulty may be eligible for assistance. For more information, please call 905.475.4731.

York Region also offers subsidies for children from families with low income to take part in recreation programs and day camps offered by local municipalities. Please visit York.ca/recreationsubsidies or call Access York 1-877-464-9675 for more information and to see if you qualify.

Program Cancellation/Refund Policy

IF you submit a written request to cancel at least five (5) business days before the start of the first class...	You will receive a full refund.
IF you submit a written request to cancel less than five (5) business days before the start of the first class and the day before the program starts...	You will receive a full refund less a \$10 administration fee. The administration fee will be waived if you accept a credit on your account.
IF you submit a written request to cancel on the first day and up to and including the second class/day* ...	You will receive a pro-rated refund less a \$10 administration fee. The administration fee will be waived if you accept a credit on your account. No refund will be issued after the 3rd class/ day of a program.
* your written request must be submitted one (1) day prior to the day of the third class.	
IF your request is received after the 3rd class ...	Sorry, no refund.
IF we cancel your program prior to the start date...	You will receive a full refund.
IF we request an applicant be withdrawn due to lack of program compatibility...	You will receive a refund less fee for classes attended prior to withdrawal request.
IF you have registered for Aquatic Leadership, Varley adult programs/workshops, or camps. You must submit a cancellation request five (5) days prior to the first class for refund.	

Any credit balances that remain unused on a client account for two (2) years will be cleared.

NOTICE: To process your registration please ensure that you have funds on your account prior to submitting your form. You can log into your account through EZ Reg or call the Contact Centre to process your payment.

PART C: TERMS AND CONDITIONS

PAYMENT AND SUBMISSION

Payment and submission of this form does not guarantee registration into the selected course. If the course is full or not available, the funds will be returned to the original form of payment or left as a credit on the registrants account.

COLLECTION OF PERSONAL INFORMATION

The personal information on this form is collected under the authority of the *Municipal Act*, and will be used for the purpose of program administration (including surveys and mailings) and incidents requiring medical assistance. Questions regarding the collection of personal information should be directed to the Clerk's Department, City of Markham, 101 Town Centre Boulevard, Markham, Ontario at 905-477-7000, ext 2082.

MEDICAL AUTHORIZATION

I hereby give permission and consent, on behalf of myself and the above-named person(s) for whom I am in law responsible (the "Participant(s)"), to have City staff administer or arrange for any emergency medical care including hospitalization / transportation if necessary, and to the administration of such emergency medical treatments as may be deemed necessary in the circumstances. All participants are responsible for their own medical coverage.

WAIVER OF LIABILITY

I recognize that participation in the program/activity for which I have registered may include a risk to health or a risk of injury. I, on behalf of myself and the Participant(s),

hereby willingly assume such health risk or risk of injury, and assume full responsibility before, during and after my/their participation in the program/activity. I, on behalf of myself and the Participants, hereby release, waive and forever discharge the City of Markham, and its elected officials, officers, employees, agents, representatives, volunteers and other participants (the "City Indemnities") from all liability, claims, demands, losses, damages, costs, actions and other proceedings whatsoever, in respect of death, injury, loss or damage to myself or the Participants, or my/their property, howsoever caused, except to the extent caused by or attributable to the negligent or intentional acts of the City Indemnities, resulting from or connected with participation in any program/activity contemplated by this Registration.

By signing below I confirm that I have read, understand and agree to the above terms and conditions.

Getting Started

"Eco Camp
@ Chimo is the
best camp EVER!"

- 2016 Camper

Summer camp

Register at
markham.ca/summercamps

Welcome to the 2017 summer camp season. Markham values children and is committed to ensuring that all summer camps focus on safe, inclusive and high quality programs. With a mixture of recreation, culture, and library camps offered in one and two week sessions, you are sure to find a great camp for your child. We look forward to seeing you this summer!

Staff

The camp staff are chosen for their enthusiasm, creativity and leadership skills. All Recreation and Culture camp staff are qualified in Standard First Aid and HIGH FIVE®, and have previous camp experience and leadership skills.

The best way to play™

HIGH FIVE is a national quality standard for children's sports and recreation. It is designed to promote safety, well-being, and healthy development of children. HIGH FIVE achieves this by providing camp staff with tools, training and resources to support the principles of Healthy Child Development.

All Library camp staff are qualified in Standard First Aid with CPR certification.

Summer Camp Ratios

6 yrs and under	1 counsellor : 7 campers
7 yrs and up	1 counsellor : 10 campers

Important Information

As a result of the new Ontario Bill 10: "Childcare Modernization Act" which has legislated day care requirements, **all participants enrolling in camp programs must be a minimum of 4 years of age by the start of the program to participate.** No exception, Markham will no longer be providing camps to children 3 years of age or younger. We will continue to offer weekly programs throughout the year to children 3 and under. For more information, please visit www.ontario.ca/page/child-care-modernization

Inclusion One to One Support

Children with disabilities are always welcome at camp. Inclusion counsellors are able to provide one to one support for children with disabilities in our camp programs. Please speak with the Inclusion Support team to arrange support for your child. **Please note that the deadline to request support is Friday May 19, 2017. After this deadline has passed, it will subject to availability or families can provide their own support.**

Important Information for Parents

- Children must be the specified minimum age within the calendar year to attend camp. Children registered must be toilet trained.
- Campers should wear clothing for indoor and outdoor activities.
- Parents will receive emails throughout the summer. Please call the Contact Centre at 905-477-5530 if your email address is not on file.
- If swimming is part of the camp, campers will be supervised by counsellors and lifeguards.
- Campers must be signed in and out of camp each day. Photo ID may be requested.

Camp Changes and Transfers

Changes and transfers can be made up to the camp start date based on availability. Please see the Refund Policy on page for withdrawal information.

3D Modeling and Printing Camp

Dive into one the fastest growing STEM fields. This camp will provide a fun and dynamic experience that will allow children to learn how to model in 3D. As part of their group projects, participants will have a chance to learn principles of designing and prototyping. Beginner or advanced, this camp is a unique experience to develop the passion and tech-skills of the future.

Abacus and Sports Camp

This camp offers a mind-body adventure combining simple math calculations and sports! This camp not only stimulates the body through a wide range of sport activities, but it also stimulates the mind through activating both the logical and abstract sides of the brain.

Absolute Sportacular Camp

Participants will enjoy a variety of adrenaline-filled activities. Ultimate Frisbee, lacrosse, touch football, volleyball and a recreational swim are part of this extreme experience. This year the camp will celebrate the Pan Am games with the introduction of table tennis and badminton.

Academic Camp

A balance between recreational activities and casual learning. Campers will learn in a fun and interactive way, with focus on reading, writing, mathematics and more. Recreational swimming is also included.

Acrobatics Camp

This fun camp focuses on teamwork, balance, flexibility and coordination. Acrobatics is highly interactive where boys and girls learn and master skills on their own and with partners. For those who enjoy creativity and movement, this is the camp for you.

Adventure Lab

Through hands on science, technology, engineering and math activities campers will learn and explore to discover their potential and expand their creativity. Architecture, aeronautics, circuits and mechanics, this camp has something for all young STEM enthusiasts. Join us on the last day of camp for our Science Fair where campers will display their many inventions they have created over the week.

Adventures in Math and Science Camp

Campers investigate concepts in math, science, and nature through activities, games and crafts designed to stimulate their natural curiosity and develop their interest in scientific discovery and sensory exploration.

Animation and Web Design Camp

Campers will work in pairs to learn the basic skills to develop a website and a simple animated design. Campers will receive at least 2 hours of computer time per day and will also engage in other activities including swimming. This camp is geared to those who have some computer knowledge and would like to learn more.

Archery & Rock Climbing Camp

Campers will learn basic archery and rock climbing skills at this unique camp. Throughout the day, campers will also rotate to different activities including games, cooking crafts and swimming. All activities are onsite in outdoor and indoor spaces. A different way to stay active this summer!

Archery Camp

This camp is designed to teach children basic archery skills and techniques. Qualified Instructors will introduce the fundamental skills of archery in a fun and safe environment. **All equipment is supplied.**

Architects vs Engineers

Kids will learn about the difference between an architect and an engineer and which sides of the brain they use! Campers will receive an opportunity to work on projects that incorporate multiple aspects of engineering, such as electrical, mechanical, environmental, and aerospace. Participants will also have to think creatively, mathematically and theoretically in order to approach design projects. This camp will offer opportunities for problem solving, team building and independent work.

ART - Art Revolution!

Who said that you have to paint on rectangular canvases and with a paintbrush? Enjoy experimenting with painting, sculpture and more in new and unexpected ways. Learn how art has changed over the ages and the artists and movements that were involved in these revolutions! Gallery visits and discussion will give campers the inspiration to take creative risks. **All materials provided.**

ART - Artsy Animals

What about animals fascinate and enchant young and old? Through creative play, stories, games, songs and hands-on mixed media art activities, young artists will explore and learn about different types of animals; their sounds, habitats and physical form, from furry to feathered and in between. **All materials provided. ***Children must be toilet trained to attend camp.*****

ART - Adventures in Nature

Explore flora, creatures and habitats, big and small that spark the creation of mixed media, two and three dimensional art activities in the studio. Kinder campers will participate in creative play, stories, games and songs inspired by their outdoor adventures. **All materials provided. ***Children must be toilet trained to attend camp.*****

ART - Animal Adventures

The Animal Kingdom comes alive at the gallery this summer. Kids will love creating artworks from their rich imaginations using colour and texture. Explore printmaking, sculpture and painting and create your own furry and feathered friends! **All materials provided.**

ART - Art from the Heart

Art is a healthy medium for children to express and understand their emotions, and make sense of the world. Through creative play, stories, games, songs and hands-on art activities, kinder campers will be encouraged to communicate their feelings, interests, fears and much more in a safe and supportive environment. **All materials provided. ***Children must be toilet trained to attend camp.*****

ART - Art in Motion!

Through creative play, stories, games, songs and hands-on mixed media art activities, young artists will explore gesture and movement, using their body to create both small and large scale artwork. This camp introduces pre-schoolers to visual perspective, form and shape, all essential to understanding the world around us. **All materials provided. ***Children must be toilet trained to attend camp.*****

ART - Art Meets Science ^{✓PREF}

This camp intersects basic scientific and mathematical principles with design principles in new and unexpected ways. Through the exploration of balance, cause and effect, order, chemistry and more, projects will allow your child to discover new concepts that inform artistic decisions. Campers will learn about artists who use scientific inquiry and experiment in their practice, and be amazed by outcomes that provoke, challenge and invite more curiosity. **All materials provided. All materials provided.**

ART - Art Tales! ^{✓PREF}

Stories spark the imagination, encourage creative problem solving, and shape how we interpret and express ourselves. Pre-schoolers will explore communication and self-expression through creative play, stories, songs, games and hands-on art activities. **Materials are provided. ***Children must be toilet trained to attend camp.****

ART - Artsense ^{✓PREF}

Incorporating sensory play, music and movement, this fun and interactive camp will bring our senses into visual perspective. A variety of mediums and materials will be employed to activate all five senses in unexpected and exciting ways. **All materials provided.**

ART - Cartoon Art ^{✓PREF}

Calling all young cartoonists! Here is your chance to create your own cartoon characters and the amusing situations in which they find themselves! You will learn how to draw settings, faces, perspective, and examine the use of line, text and colour. **All materials provided.**

ART - Character Creation ^{✓PREF}

Favourite television and film characters will come to life by in this new and exciting camp! Exploring a variety of animated figures that have captured children's imagination, young artists will create two and three dimensional works of art that express themes, characteristics and personalities that exist in their character's magical worlds. **All materials provided.**

ART - Clay-mation ^{✓PREF}

Campers interested in exploring the fascinating world of clay-mation will 'create, freeze, capture, and repeat' in this creatively challenging camp. Campers will learn how to make physically manipulated objects appear to move on their own, in addition to working as a team to develop a story for a short animation film that they will work on collaboratively. Using software and hands-on techniques, children will learn how to build sequences between photographed-frames to create the illusion of continuous movement. **Campers must bring their own laptop, digital camera and USB adapter for this camp. Some materials provided.**

ART - Colour Magic ^{✓PREF}

We are affected by colour through visual and physical experience in our everyday lives. Pre-schoolers explore the magical proper-

ties of colour through creative play, stories, songs, games and hands-on mixed media art activities. **Materials are provided. ***Children must be toilet trained to attend camp.****

ART - Colour Your World ^{✓PREF}

The perfect camp for your curious child! Learn about how colours are made, represented and used in artwork. This camp will sharpen campers' observational skills and challenge how they see and capture the world around them through the use of a variety of materials and activities. **All materials provided.**

ART - Comics, Anime and more ^{✓PREF}

Campers learn how to put their creativity and imagination to the page. Pre-teens will be encouraged to bring their characters, stories, voice and visions to life using drawing and illustration techniques to create comic book strips and a cover for a graphic novel. Learn about and experiment anime and manga, both unique and compelling storytelling devices popularized in Japan. A comic book illustrator will be invited to provide further insight and enhance the campers' experience and understanding. **All materials provided.**

ART - Digital Media for Pre-teens ^{✓PREF}

Pre-teens in this camp will create digital art using the laptops and digital cameras that they bring to camp. A professional digital media artist will assist in leading this camp to provide children with basic knowledge of how to create digital videos, including storyboarding and incorporating sound elements to explore augmented realities. **Campers must be able to bring in a laptop and digital camera for this camp. Some materials provided.**

ART - Dino Camp ^{✓PREF}

Travel back in time to when dinosaurs roamed the land. Create your own dinosaur, real or imagined. Make fantastical drawings and paintings of what the world looked like at the time. This is the perfect camp for a child whose imagination has no bounds. **All materials provided.**

ART - Draw and Discover ^{✓PREF}

Pre-schoolers focus on their observational, motor and cognitive skills through play, stories, songs, games, hands-on drawing exercises and mixed media art activities. **Materials are provided. ***Children must be toilet trained to attend camp.****

ART - Draw from Life ^{✓PREF}

Focusing on fundamental drawing and observation skills, campers will express their unique viewpoint through still life, self-portrait and costumed life drawing studio projects. Explore and be inspired by drawings in the gallery and in the vault, while celebrating the legacy of Fred Varley, considered to be one of Canada's finest portrait artists. **All materials provided.**

ART - Drawing 101 ^{✓PREF}

The perfect camp for the creative child who would like to learn more about honing their drawing and sketching skills. Explore form, pattern, design and more through exercises

and projects. Learn about the different types and uses of drawing materials such as chalk, pencil, marker, conté and charcoal. **All materials provided.**

ART - Drawing and Doodling ^{✓PREF}

All great art begins with a doodle! Young artists will explore drawing techniques such as line, cross-hatching, shading and much more using pencil, marker and conté. Drawing exercises will challenge campers to draw outside of the lines and think outside of the box. **All materials provided.**

ART - Drawing Intensive ^{✓PREF}

Is your pre-teen eager to sharpen their drawing skills? The curriculum includes challenging drawing and observation-based exercises. Campers will focus on preparatory sketches to create one finished drawing. **All materials included.**

ART - Eco-Art ^{✓PREF}

Bring your imagination! Put used and found objects together in new and creative ways. Using items found in everyday life like glass jars, caps, fabric, tubes as well as objects found in nature, campers will be challenged to create environmentally-friendly eco-art masterpieces. The camp fosters creative thinking, problem-solving and encourages campers to be resourceful and environmentally conscious. **All materials provided.**

ART - Express Yourself ^{✓PREF}

Artemaking provides us the opportunity to express emotions and ideas in a powerful way. Campers will be introduced to colour psychology and tap into their feelings to play and experiment with art, creating artwork in a variety of mediums. The perfect camp for your child to harness their energy and emotion into a creative and artistic outlet. **All material provided.**

ART - Fantasy & the Future ^{✓PREF}

This camp exposes campers with active imaginations to push the boundaries of what is possible. Pre-teens will access their imagination to creative new and futuristic worlds. Using a variety of interactive and non-traditional approaches, kids will create models drawings and more of imaginary landscapes and spaces. Turn paintings into live-action scenes or reimagine the future in digital space. **All materials provided.**

ART - I Love Canadian Art! ^{✓PREF}

Celebrate Canada's 150th birthday in this fun, new camp that introduces campers to some of Canada's finest artists, including F.H. Varley, one of the founding members of the famed Group of Seven. Create unique artwork on paper and canvas, inspired by subject matter, styles and ideas found in the some of the best known works of Canadian art. **All materials provided.**

ART - Imaginary Worlds ^{✓PREF}

As we grow older the realities of the world can sometimes curb our imagination. Young artists are encouraged to express themselves and unleash their imagination through

art and costume making, creative play and storytelling. Create worlds inhabited by interesting characters and landscapes that delight and inspire. **All materials provided.**

ART - Imagination & Play ✓PREF

With a focus on sparking the imagination and providing outlets for creative expression, this program engages your pre-schooler through play, stories, songs, games and hands-on art activities. **Materials are provided. ***Children must be toilet trained to attend camp.****

ART - Incredible Illustrations ✓PREF

Incorporate illustration techniques in drawing, painting, mixed media collage and sculptural projects. Learn about how illustrations are used to communicate and express ideas in commercial art, posters, books and magazines. Create your own graphic novel cover and poster to promote Markham among other creative and challenging activities. **All materials provided.**

ART - Junior Architects ✓PREF

Learn about architectural styles, terminology and concepts through the ages, genres and around the globe. Through hands-on construction projects, guest artist visit and studying noted architects and landmarks, pre-teens use their new found knowledge to experiment, imagine and create models and sketches. **All materials provided.**

ART - Junior Fashion Designers ✓PREF

For the fashion lover in your child, this camp takes an artistic approach to clothing and accessory design. Campers will produce a sketch book with a variety of designs that include everyday wear, formal and theatrical costuming, as well as learn about proportion, form and pattern creation. Discussions on past and current trends in fashion design will create a more rounded approach. **Please note this is not a sewing-based program. All materials provided.**

ART - Little Eco-Art Explorers

Art is about observing and perceiving the world around you in new and different ways. Campers will venture outside and use it as the inspiration for artwork. Found materials, recycled items and natural materials from the great outdoors will be incorporated into your child's environmentally friendly artwork. Campers will paint outdoor landscapes, sketch beautiful Unionville Main Street and make an artwork using plants and flowers in the McKay Garden. **All materials provided.**

ART - Little Sculptors ✓PREF

Through creative play, stories, games, songs and hands-on art activities, young artists will build and sculpt using a variety of forms and materials, with a focus on tactile and spatial learning. **All materials provided. ***Children must be toilet trained to attend camp.*****

ART - Made in Canada ✓PREF

In celebration of Canada 150, discover and be inspired by art and artists that have shaped the history of Canadian art. Through fun and interactive art exploration and lively dis-

cussion, campers will be introduced to work in a variety of materials, styles and genres to create their own Canadian masterpieces. **All materials provided.**

ART - Mini-Painters ✓PREF

Little painters explore, experiment and express themselves through creative play, stories, songs, games and hands-on art activities. **Materials are provided. ***Children must be toilet trained to attend camp.****

ART - Mixed and Mingled Media ✓PREF

This camp is designed to provide young artists with creative opportunities and fun and in depth-access to various art media. Students will experiment with painting, drawing, collage, printmaking and sculpture. **All materials provided.**

ART - My First Art Camp ✓PREF

The perfect introductory camp invites pre-schoolers to experience the wonderful world of art through creative play, stories, songs, games and hands-on art activities. **Materials are provided. ***Children must be toilet trained to attend camp.*****

ART - Mythical Creatures ✓PREF

Live your week in a world of magic, where dragons and beasts roam free! Uncover fantastical creatures hidden within your imagination while you step back into a time when mythology and folklore guided everyday life. Be inspired by myths and narratives from cultures around the world to create a storyboard and a sculptural project using both manufactured and natural art materials. **All materials provided.**

ART - Paint Exploration ✓PREF

Paint is the name of the game in this camp so prepare to get messy! This camp explores traditional and non-traditional techniques, concepts and paint applications. Campers will create paintings inspired by historical and contemporary painters with an emphasis on the artwork on view in the galleries. **All materials provided. All materials provided.**

ART - Painting & Printing ✓PREF

Painting is so much more than putting brush to paper! Learn about fabulous techniques and styles of painting, and how it has changed through the years. Still life, landscapes, portraits and abstract styles will be taught in a fun and creative environment. Campers will also learn about the different types of printmaking and try their hand at relief printing and serigraphy or stencil printing. Prepare for mess and heaps of fun. **All materials provided.**

ART - Painting Intensive ✓PREF

Through in-depth exploration of techniques and materials, and class discussion of creative ideas and concepts, pre-teen campers will create a painting ready to display and include in future portfolios. **All materials provided.**

ART - Passport to Art ✓PREF

Kids, pack up that suitcase and bring your sense of adventure and wonder as we 'travel' and explore the world through art. Visiting

different countries and continents, we'll learn about the art of different cultures through painting, collage and three-dimensional creations. We'll return from our trip around the globe with lots of souvenirs so don't forget your passport! **All materials provided.**

ART - Photography for Kids ✓PREF

Photography is both an art and science. Introduce your child to a new way of seeing and recording the world around them through the lens of a digital camera. Beyond understanding how to use the settings on the camera, campers will be introduced to artists that use this medium in their artwork and will be encouraged to find their own voice. This camp offers kids the opportunity to work with a professional guest photographer. **All campers are asked to bring in their own digital cameras, batteries, and USB connector cables, as well as be prepared to have a selection of photographs developed on Thursday night for the Friday art show. Some materials provided.**

ART - Photography for Pre-Teens ✓PREF

This fun and interactive camp puts campers behind the lens of a camera. Teens will learn about visual composition, flash and non-flash photography and photograph outdoor landscape scenes, people and action shots. Find out about how to express their voice, ideas and vision through their photographs and study works from established photographers. Campers also have a unique opportunity to work with a practicing photographer. Kids must bring their own digital camera and are responsible for printing out their own photographs on Thursday for the Art Show on Friday. **Some materials provided.**

ART - Play and Perform ✓PREF

Imaginations will be activated through storytelling, songs, creative play, prop and instrument-making in a supportive and encouraging environment. Pre-schoolers will perform for their peers and families at the end of the week. **All materials provided. ***Children must be toilet trained to attend camp.*****

ART - Play with Paint! ✓PREF

The perfect class for the youngster who loves to paint and explore colour! Find out about the fundamentals of design, colour mixing and brushwork and examine various painting techniques and mediums. Students will work in watercolour, acrylic and tempera paints to create various types of 2D and 3D paintings. **All materials provided.**

ART - Pop Art & Culture ✓PREF

Explore how popular culture impacts how we view and express ourselves in this ever-changing and digitally dependent world. Learn about Andy Warhol and other artists who represent the pop art movement in this fun and interactive camp. Create expressive, bold, colourful and unique artwork inspired by what we see on television, online and in advertising and the news. **All materials provided.**

ART - Sculpture Factory

Work in 3D! Kids will design and create sculptures not only in clay but so much more. They'll learn the techniques of relief and additive sculpture to bring their creations to life. Play with texture, materials and form in this tactile camp. **All materials provided.**

ART - Sculpture for Children

Dress for mess and have fun working with clay and other materials to create your own 3-D objects. Learn different techniques for creating sculptural forms, including coil, pinch and modelling methods. Explore surface design and various decoration styles and learn from artists who explore this medium. Young artists will be introduced to both traditional and modern styles of sculpture that will inspire them to create their very own masterpieces. This camp is suitable for young artists who are being introduced to the three-dimensional world of art and sculpture. **All materials provided.**

ART - Sculpture for Pre-teens

Dress for mess and have fun working with clay and other materials to create your own 3-D objects. Explore surface design and various decoration styles using a variety of materials, learning from artists' works and practices. Kids will be introduced to both traditional and contemporary styles and approaches to sculpture. Campers will learn different techniques for creating sculptural forms, including coil, pinch and modelling methods and will hand-build and paint a sculptural piece that will be fired up! **All materials provided.**

ART - Sensory Art Explorers

Through sensory play, stories, games, music and hands-on art activities, kinder campers will activate all their senses in a tactile, creative and supportive environment. **All materials provided. ***Children must be toilet trained to attend camp.*****

ART - Storybook Sculpture

Does your child love creating three-dimensional forms? Young campers will bring stories to life through sculpture in this tactile and imagination-based camp. Explore how stories are told through visual and auditory modes of communication. **All materials included.**

ART - Street Art Camp

Learn about the origins and the artists that have shaped the history of street art. Participants will get a chance to work independently on projects and a collaborative work that will be featured outdoors, using materials like paint, stencils, markers, chalk, mops and more. **All materials provided.**

ART - Superhero Story

Let your kid's imagination run wild as we enter the fantasy world where superheroes are there to save the day! Kids will have an opportunity to create their very own superhero, and create a short storybook where they will draw and paint their creation and bring

it to life. They will also create a three-dimensional version of their superhero which they can proudly display in their room for all to see! **All materials provided.**

ART - The Shape of Things

Pre-schoolers will be introduced to the elements of art with an emphasis on the use of shape, form, line and colour through play, stories, songs, games, hands-on drawing exercises and mixed media art activities. **Materials are provided. ***Children must be toilet trained to attend camp.*** All materials provided.**

ART - Underwater Explorers

Put on your flippers and explore the world under the sea. Work in a variety of media and styles to create wild and wonderful sea creatures. See the ocean come alive through their imaginative and colourful creations! **All materials provided.**

Art and Nature Camp

Campers will have an opportunity to explore their environment, learn about preservation, and identify wildlife and plant specimens. Campers will use their environment as a backdrop for art projects of different media including drawing, and painting. Campers will also enjoy traditional camp activities like crafts, games and water play. **Recreational Swimming is included in this camp.**

ART- O Canada

What does it mean to be Canadian to you? Through creative play, stories, games, songs and hands-on art activities, kinder campers explore and represent the symbols, land, seasons and traditions that are a part of life in Canada. **All materials provided. ***Children must be toilet trained to attend camp.*****

Awesome Authors Camp

Campers will learn how to write a story and have the chance to present their stories in front of family and friends. Campers will participate in crafts, theme days, swimming and special events. **Parents will be invited to a presentation at the end of the week.**

Badminton Camp

Campers will learn drills and skill development daily for all levels of play. Also included are games, tournaments, theme days. **Recreational swimming is included.**

Ball Hockey Camp

Campers will learn the basics of ball hockey including ball handling, passing, and scoring. The focus is on fair-play, sportsmanship and fun. Campers will also participate in games, sports, arts & crafts, and other activities.

Baseball Camp

This course allows participants an opportunity to explore the game of baseball before committing to a team or league. The program will focus on building the fundamentals of baseball. It will concentrate on hitting, throwing and catching as well as fielding. **All participants must have a baseball glove and it is mandatory that participants wear a hat and appropriate shoes. This program is available**

for male and female beginners and will be designed to promote team play and foster the love of the sport.

Basketball Camp

Basketball skills is the emphasis of this high-energy camp. Dribbling, passing and shooting along with exploring the positional aspects of the game are taught. Tournaments, recreational swimming and special events will be included.

Camp Learn to Swim Optional Component

Campers registered in the Rouge River Community Centre camps will learn swimming skills through lessons. We run the Lifesaving Society beginner learn to swim program and will place the campers based on their ability.

Cheerleading Camp

Campers will be taught the basic cheerleading skills of jumps, acrobatic skills, and teamwork by USAF certified instructors. Routines will include dance moves with different motions. Cheerleading develops coordination, balance and a strong sense of self-esteem. **Campers will showcase their new routine at the end of the camp session.**

Chess & Badminton Camp

Campers will learn to challenge their minds and bodies with daily chess and badminton instruction. **Swimming is also included in this camp.**

Chess Camp

Campers will receive 3 hours of chess instruction daily. They will also participate in activities that teach them how to work as a team. By the end of the week, campers will know how to play Chess and how to work well in a group.

Circus Camp

Campers will learn juggling, magic, storytelling, puppetry, clowning, and cheerleading. Parents will be invited to a performance at the end of the week.

Code Makers Camp

New or experienced, Code Makers allows children to learn coding at their own pace using computers, tablets and robots. Participants will have an opportunity to create their own games and applications to take home while collaborating in various team projects. The teams will be formed based on age and experience for effective collaboration.

Computers, Games & Fun Camp

Campers will explore the use of computers for one hour each day and learn how to use a variety of Microsoft software. Also included are games, theme days, special guests, and swimming.

Dance & Drama Camp

Campers will participate in dance, drama and arts & crafts. Also included are games, theme days, special guests and swimming. **Parents will be invited to a performance at the end of the week.**

Detective Training Camp

Time to solve a mystery! Campers will participate in a variety of fun activities to complete their training. As they become detectives, they will need to work in teams to solve some of the mysteries at the library. Detectives will need to use their problem-solving and social skills while participating in many literacy and science based activities.

Dodgeball Camp

Throw, Dodge, Duck and Catch while exploring the many ways this game can be played. Dodgeball games variations include: Dr. Dodgeball, King's Court and Ultimate Elimination and more! **Don't forget swimming 3 times a week and the end of session 'Dodgeball Cup' Tournament.**

Drawing & Painting Camp

Campers will learn a variety of mediums such as watercolours, pencil, ink and pastels. Campers will spend time on an individual project that they will take home at the end of the week. Other camp activities and swimming are also included in this camp.

ECO Camp @ Chimo

Campers will learn an appreciation for nature at this truly unique outdoor camp. This camp includes weekly rotations of archery, canoeing, arts & crafts, high ropes and swimming at one of the City pools. Also included are nature hikes, outdoor games, theme days, hiking and special guests.

Economics Camp

Economics is not just money. Its businesses and how they work. Campers will use fun money to buy, sell and trade in their own make believe camp world. Also included are games, special events and swimming.

Entrepreneur Business Camp

Can you start your own company in one week? This program is an opportunity to learn the foundations of entrepreneurship from the experts to help you do just that! You will learn skills such as marketing, business planning, team building, and budgeting. You will gain real world experience from hands on product development, market research, and a chance to showcase your product to the public in a last day of camp market day!

Evolve - Skateboard & Scooter Camp

This camp focuses on improving campers fundamental physical skills like balance and coordination, while finding their style on their board. Our staff are seasoned skateboarders with experience teaching skateboarding and scootering in a safe, fun way. Campers are given time to master tricks and challenge themselves to learn and develop. Campers also swim twice a week. **This Camp is run in partnership with Evolve, a skateboard and scooter company. Equipment is not included. It is required that campers bring their own Skateboard or Scooter, CSA approved helmet, elbow pads, wrist guards and kneepads.**

Firefighter Camp

This camp provides the perfect training ground for the firefighter in you! Firefighter Camp is designed to focus on the roles of the fire service while providing fire safety tips for the home. Through instruction, demonstration and interactive activities campers will learn about fire truck inspections, first aid, fire prevention, emergency preparedness and more!

Fitness Camp

Campers will learn about the principles of fitness including healthy eating and exercise. Campers will experience classes such as boot camp, zumba, low impact, martial arts and more. The focus is on developing confidence and self-esteem. **This is the perfect camp for participants of all fitness levels.**

Fun in The Sun Camp

Campers will enjoy a variety of indoor and outdoor activities with a focus on fun, making friends, arts & crafts, sports, games, theme days, special guests and swimming.

Fun in the Sun - Optional Swim Program

Campers registered in the Fun in the Sun camp will learn swimming skills through lessons. We run the Lifesaving Society learn to swim program and will place the campers based on their ability.

Fun, Fashion & Fabulous

Calling all girls! Campers will explore their inner and outer beauty, build on self confidence and most importantly, make lasting friendships with other girls just as fabulous as themselves.

Golf & Sports Camp

Campers will develop the fundamental skills in a variety of sports through drills, practice and play. Campers will also receive expert instruction twice per week from a golf pro at Markham Golf Club. Recreational swimming is included in this camp.

Golf & Tennis Camp

Campers will participate in golf and tennis instruction provided by Canadian Professional Golf Association pros and Ontario Tennis Association coaches. Campers participate in basketball, volleyball, floor hockey,

Hockey Camp

Campers will practice and enhance hockey skills and drills including skating, shooting and passing. **Equipment is not included.**

Hockey Camp - Advanced

This advanced hockey camp is geared to players who are currently playing competitive rep hockey at a A or AA level. The program will include power skating, puck & stick handling, break outs, passing, shooting and team work. **This is a 3 hour on ice with a short 15 minute break. Players must wear full hockey equipment and bring a labelled water bottle and snack each day to the program.**

Hockey Camp - Unionville

This program is geared to house league and select level players who want to learn and improve their hockey skills. This program will focus on developing skating strides, starting, stopping, backward skating, lateral mobility, stick handling, passing and shooting drills and game play.

Hunger Games Camp @ Chimo

Join us for Hunger Games Camp @ Chimo focuses on archery, canoeing, ropes, cooking over a camp fire, geocaching and lots of fun games. There is no bussing for this week so drop off your child at the camp. **We do have before and after care at the Chimo location for this week.**

Imagination in Motion

Bright young minds don't take a break so let your child's imagination run wild! With the help of Lego and other building tools this camp helps children develop problem solving, reasoning, self-expression and teamwork skills through a series of creative and engaging activities. Children will have the opportunity to imagine and design a product in 3D that you can choose to print at MPL!

Inclusion One to One Support - Half/ Full Day

Children with disabilities are always welcome at camp. Inclusion counsellors are able to provide one to one support for children with disabilities in our camp programs. Please speak with the Inclusion Support team to arrange support for your child. **Please note that the deadline to request support is Friday May 19, 2017. After this deadline has passed, it will subject to availability or families can provide their own support.**

Inline Skating Camp

Campers will learn the basics of safe in-line skating. Campers will also participate in traditional camp activities such as games, sports and arts & crafts. **Skating equipment is not included.**

Journey around the World Camp

Campers travel the world and explore cultures past and present through games, crafts and activities. Each day we participate in authentic activities as we visit a new country and continent. Campers will learn about forms of transportation and learn how to fly a drone! Join us for the Multicultural Fair on the last day of camp!

Junior Animal and Nature Camp

Campers will take part in a variety of animal and nature-based activities. Designed for the pre-school child, this camp explores the outdoor world in a fun and exciting way.

Junior Chefs On The Run

This educational camp will teach the Jr. Chef about the basic safety skills in the kitchen and will be preparing fun, nutritious recipes. Each Chef will actively participate in the preparation of each recipe and will assist in the cleanup. All chefs' creations will be eaten at the end of the class. Campers will also enjoy a themed week full of fun while participating in games, outdoor water play, arts and crafts.

Junior Leaders Camp

This camp is designed to motivate and empower youth to be strong leaders in the community. Leadership skills will be taught through cooperative games, teamwork, and communication.

Junior Programming Camp

Discover the fun in programming by making interactive stories, games, and animations! In this one week programming camp, campers will be introduced to the world of Scratch, a kid-friendly visual programming language developed by MIT. Campers will design their own characters, learn to program them to move, and be challenged to use their creativity, problem-solving, and logical thinking. By the end of the camp, students will be able to design and program their own entertaining games and animations. Other fun games and activities will be included throughout the day to keep campers active and engaged.

Junior Sports Camp

Campers will develop the basic skills needed to play a variety of sports. Each day will focus on developing their skills through drills, practice and play. *Swimming is also included at some locations.*

Lacrosse Camp

Participants will develop hand - eye coordination, movement, throwing, catching, team play and game play. There will be a fun short game at the end of each week.

LCM – Summer Camp

The Lifesaving Club of Markham Fundamentals Summer Camp program is geared towards athletes between the ages of 10 and 16 years old. During this half day camp, athletes will work on lifesaving sport skills and physical fitness in and out of the water with water sessions and dry land training activities. Coaches will track athlete's performances through the week and work towards individual goals. *Summer registration will be available in the spring session.*

Leader In Training Camp

Campers will learn leadership skills and improve their knowledge of group dynamics, effective communication, safety management, program planning and behaviour management. Skills are taught in an interactive environment. *Campers will complete their HIGH FIVE training as part of this camp. This camp includes two weeks at camp and a one week volunteer placement.*

Leadership Skills Camp

Children will develop their leadership skills, as well as their ability to critically think and collaborate with others. With an emphasis on anti-bullying initiatives, participants will be challenged to become active citizens and a positive influence throughout their community. Participants will learn the basics of project management while developing a community project which will be presented on the last day of camp.

LEGO Camp

Campers will learn building techniques used by professional LEGO designers. This is a great camp for serious LEGO builders who are ready to learn how to turn that bin of LEGO into something amazing.

Magic, Mystery & More

Campers will learn magic through hands-on activities and participation in a magic show. Campers will also participate in outdoor play, arts & crafts, sports, games, and theme days. *Swimming is offered at some locations.*

Masters of Disaster Camp

Being a master of disaster means learning about different types of disasters that can affect your community and preparing your family. Join us for a interesting array of activities geared to teach campers about different types of disasters from tornados to even a zombie apocalypse. Each day campers will learn about a different type of disaster, how it can affect a community and what they can do to be prepared. They will learn how to build their own emergency preparedness kit using simple household items about storm spotting and how to be safe during tornados, summer and winter storms along with the different types of emergency preparedness kits that each family should have. The campers will also learn about how Ontario municipalities respond to emergencies and participate in a mock emergency exercise on the last day of camp.

Math & Music Camp

Camp is filled with fun activities centered around mathematical and music concepts taught in nontraditional way. Special guests will come and share their talent and instruments with the children. Arts and crafts and outside fun to round out the day.

Math and Science Camp

Campers discover the worlds of science and math through fun and exciting games, activities and experiments. Activities are designed to help campers investigate the properties of science and apply real-life uses for math in a new and challenging way. *Recreation swimming is also included.*

Multimedia Journalism Camp

Junior reporters investigate hard-hitting stories and get the scoop. Participants will explore critical thinking skills, deductive and inductive reasoning, problem solving and various styles of writing that are critical

for success in school. Participants will have a chance to record their own news story and present it on the final day of camp.

Museum - Archaeology Camp

Ready, Set, Dig! This summer prepare to find out what it's like to be an archaeologist through daily simulated digs and hands-on activities that teach basic archaeology techniques from excavation to classification. Through theme days, games and crafts we will explore many of the ancient civilizations that fascinate archaeologists around the world while also examining the many archaeological finds the Museum has in its collection from in and around the Markham area.

Museum - C.S.I. - Camp Scene Investigation

Time to step into the shoes of a Camp Scene Investigator! There is something amiss at the Museum this summer and we need your help to figure out this mystery. Throughout the week, campers will learn about the science behind crime scene investigations and what it takes to be a real CSI. Campers will work together to solve daily cases by gathering evidence, conducting chemical analysis, looking for fingerprints, decoding riddles and more.

Museum - Explorer Camp

Are you ready to explore the Museum? Throughout the week, campers will get a taste of what the Markham Museum has to offer within its 25 acres from engineering challenges to archaeology and from textiles to eco-crafts. Each day of the week is themed and filled with fun new experiences for both new and returning campers.

Museum - Fashion, Fabric and Fun Camp

Calling all creative kids who have a passion for fashion! Throughout the week campers will explore our interactive Textile Studio and try their hand at basic weaving, sewing, and felting techniques. Campers will draw inspiration from the Museum's own textile and fashion collection to create their own fashion accessories. By the end of the week, these budding designers will get to show off their works at a fashion show.

Museum - Future Engineers Camp

Do you like solving problems? Are you good at science and math? Then you may be a Future Engineer! Using the STEM interdisciplinary and applied approach to learning, campers will discover the world of engineering and its various branches through hands-on projects, problem solving activities, and teamwork challenges that are designed to develop their critical thinking and creative skills.

Summer Day Camps

Museum - Junior Archaeologists

Ready, Set, Dig! If your child loves to explore and get a little messy this is the camp for them. Campers will engage in a wide range of indoor and outdoor activities that emphasise discovery, fun, and learning through hands-on archaeology based experiments and activities. Through daily simulated digs your Junior Archaeologist will discover the basics of archaeology from the scientific processes involved in their excavation to classifying everything they find.

Museum - Junior Gardeners Camp

Become a gardener at the Museum! Children can cultivate their green thumbs this summer at the Museum. Campers will grow their own garden at the Museum while learning about eco-friendly gardening, growing their own vegetables, which plants and flowers attract different wildlife, and even how to compost! Along with active games and cooperative activities campers will create their very own garden treasures to take home and care for.

Museum - Junior Park Rangers

Calling all nature lovers! This summer discover the great outdoors by uncovering the natural wonders that exist within the Museum's 25 acres of parkland. Throughout the week campers will learn basic orienteering skills, explore urban ecosystems and habitats on nature walks, and learn about conservation and sustainability through the creation of eco-friendly crafts.

Museum - Junior Science Magic

Explore the magic of science through kitchen chemistry, engineering challenges, and cool electronic projects! Campers will mix slimy concoctions, connect simple circuits, build rockets, and much more. Each day, campers will participate in a variety of hands-on experiments using the Scientific Method, fun outdoor activities, games, and fascinating projects.

Museum - Junior Super Hero Science

Children love Super Heroes, so why not learn science through their favourite comic book characters? This program will engage and encourage children to learn about real life science and technology through the mythical powers of Super Heroes such as 'weather change' through Storm, 'force' through the Incredible Hulk or 'Energy source' through Ironman. Children will experience being part of a Super Heroes team and the benefits of helping in the community! Friday will be a themed dress up day, calling all heroes to unite!

Museum - Kitchen Chemists

Discover the amazing science of food! By exploring the museum's gardens, barns and agricultural collection, campers will learn the science and technology involved in getting food from the ground to your table. They will conduct hands-on experiments, engage in fun interactive games and crafts as they learn about food harvesting, preparation, preservation and nutrition. The week will end with a cooking class where our kitchen chemists will create a tasty treat!

Museum - Little Engineers Camp

Put your hard hat on as we begin to explore the basics of engineering! Campers will use creativity, team work, and problem solving skills to investigate force, buoyancy and balance. Through a variety of hands-on learning experiences, outdoor activities and cooperative games we will experiment with different shapes, materials, and basic mechanical principles to build structures and other amazing engineering projects.

Museum - Mini Machines Camp

Does your child love trains, trucks, tractors and anything else that moves? This is a camp geared towards 4-8 year olds who are fascinated by machines and technology. Campers will discover the wonderful world of simple and complex machines through a variety of hands-on learning experiences, crafts, outdoor activities and cooperative games. They will see machines of the past from the museum's collection and will learn how they evolved into modern tools we use today!

Museum - Mini Mystery Camp

Put your Junior Detective on the case! Campers spend the week learning various sleuthing skills as they find clues and solve puzzles. Through hands-on activities, games and crafts, children will learn how to analyse evidence through finger print, hand writing, and chemical analysis. Using these new skills and teamwork, they will solve the case!

Museum - Pottery Camp

Come and enjoy Markham Museum's Pottery Studio. Campers will create imaginative projects throughout the week, learning various techniques such as coiling, pinching process and slab building. Campers will be taught various pottery skills by our professional potter and gain inspiration for their projects from the Museum's collection, a must have experience for any creative child! **No experience required and all materials/firing included.**

Museum - Science Magic Camp

Explore the magic of science through kitchen chemistry, engineering challenges, and cool electronic projects! Campers will mix slimy concoctions, connect simple circuits, build rockets, and much more. Each day, campers will participate in a variety of hands-on experiments using the Scientific Method, fun outdoor activities, games, and fascinating projects.

Museum - Summer Camp KEVA!

Design - Build - Play! Blending science with art, KEVA Planks brings out the designer, architect and engineer in each of us. With imagination and just a little help from gravity, campers will build structures and sculptures using identical construction blocks. Each day will focus on different principles of construction through hands on challenges, indoor and outdoor activities, crafts and of course fun with over 15,000 KEVA Planks.

Museum - Survivor Camp

Campers will put their body and mind to the test as they work within their tribes to complete a week full of exciting challenges on the Museum's 25 acre grounds. During the team work competition, campers will learn about the Museum, the environment, and basic camping skills. Best of all these new found skills and team spirit will be put to the test on Thursday night at our camping sleepover.

Don't forget your sleeping bag!

My Little Camper

Little campers will enjoy a themed week full of fun. They will participate in games, sports, outdoor water play, arts and crafts, and story time. They will also experience a special guest or activity each week!

Public Speaking Camp

Children will explore fun and interactive activities and games to develop self confidence, and learn to overcome nervousness. Participants will work on activities to practice speaking and presentation skills in order to become more effective communicators. Participants will prepare and share an inspiring speech as their final project on the last day of camp (presentation will be recorded and shared with parents/guardians via email).

Ringette Camp

This program will focus on developing skating strides, starting, stopping, backward skating, lateral mobility, stick handling and much more. This program is designed for the house league, U10_Novice and U12-Petite players who want to improve their Ringette skills. **Equipment is not included.**

Robot Makers Camp

Blend science and technology making robots! This new-generation camp uses various hands-on tools to teach children the essentials of robotics. As in tech companies, Robot Makers is a team oriented camp that uses problem-solving skills to complete exciting group projects. **Participants will showcase their robotic inventions and hi-tech designs on the last day of camp, parents are welcome!**

Robotics Camp

This camp is ideal for those children with interest in robots and remote controls. Every day will feature new robotics themed activities that will be sure to engage and educate in a fun safe environment. **This camp includes swimming, sports and crafts.**

Science and Discovery Camp

Explore the wonders of science through fun and hands on experiments. Through weekly themes campers will participate in a variety of science activities, as well as outdoor play, recreational swimming, sports and games.

Science and Exploration Camp for Juniors

This camp is designed for the pre-school child to discover the world of science through fun and exciting games, activities and experiments. Activities are designed to help campers investigate the properties of science.

Soccer Camp

Campers will develop their soccer skills, including ball control, passing and shooting on a daily basis. **Also included are games, tournaments, theme days and swimming.**

STEAM Camp (Science, Technology, Engineering, Arts, Math)

Get ready with your lab coat, safety goggles and imagination! The week is filled with hands-on engineering challenges, technology explorations, science experiments, LEGO, robotics and adventures. Campers will explore iPads, 3D printers, science and technology equipment. Each day has a different theme. Smaller groups will be formed on the first day of camp based on age.

SuperHero Training Camp

From Princess Elsa to Batman, this is the perfect camp for any child who dreams of being a superhero! Superboys and supergirls will be inspired through stories, dramatic play, games and challenges. Children will have the opportunity to design and create their very own superhero ring with the use of our 3D printers!

Tae Kwon Do Camp

Campers will learn basic Tae Kwon Do techniques including breaking, blocking, kicking, striking, and punching. This martial art delivers mental and physical benefits including increased self-discipline, strength, flexibility and coordination. Sports, games, arts and crafts complement the Tae-Kwon Do instruction.

Tennis Camp - Children/ Pre Teen

Campers will work with certified Ontario Tennis Association coaches to improve their ground strokes, volleys, serve, game play and knowledge of game rules. Campers will take part in a friendly match every day.

Tennis & Conditioning training Camp

Our goal is to increase your child's enjoyment and success at tennis, a variety of games will be played with an emphasis on fitness, skill development and fun! This camp is in partnership with Pomona Valley Tennis Club.

Theatre - Actors Workshop

LOCATION: FLATO MARKHAM THEATRE. No audition required! Aspiring actors can hone their talents and build stage experience, while gaining better communication and presentation skills and increasing their self-confidence. Campers take part in all aspects of a theatrical production – everything from learning lines, cues and blocking, to songs, choreography, and scene writing. Improvisation, puppetry, accents, stage combat, dramatic movement, and script and character analysis are some of the theatre

techniques participants get to explore. We encourage them to take on leadership roles in areas that appeal to them, such as creating props and sets or helping out backstage. Whatever they're comfortable with. Campers create their own theatrical piece and perform it for their fellow campers on the last day of camp. Actors' Workshop culminates with a live, fully staged show. **Each camp session runs for two weeks. We produce two plays: one play for Sessions 1 & 3, and a different play for Sessions 2 & 4.**

Theatre - Summer Drama Camp

LOCATION: FLATO MARKHAM THEATRE. Fun, friendly and inclusive! Summer Drama Camp offers an exciting educational opportunity for youth to learn performing arts skills. Campers work together to produce a specially written Musical Play that inspires every camper to explore and develop their unique talents in acting, singing and dancing – a valuable experience that mirrors a professional theatre performance in every sense. Every young actor will be responsible for learning lines, cues, blocking, songs, and choreography, and they'll explore theatre techniques such as improvisation, puppetry, and dramatic movement. This incredible drama camp builds self-confidence, speaking, presentation and artistic skills. Arts educators with years of professional performing experience guide our staff. Drama Camp ends with a live, fully staged show. **Each camp session runs for two weeks. We produce two musicals: one musical for Sessions 1 & 3, and a different musical for Sessions 2 & 4.**

Theatre - Junior Stars Theatre Camp

LOCATION: FLATO MARKHAM THEATRE. Junior Stars gives budding performers the chance to learn how to act, sing and dance in an inclusive, fun, and friendly space. They're directed by professional performing artists who specialize in teaching younger talent. Along with learning lines, cues, blocking, songs, and choreography for the final performance, Junior Stars get acquainted with a variety of theatre techniques such as improvisation, tableau, and dramatic movement. This well-balanced program offers much more – outdoor playtime, games, crafts, and other fun activities! Campers obtain meaningful skills, make new friends, and build their self-confidence and understanding of teamwork. Junior Stars Theatre Camp culminates with a live, fully staged show. **Each camp session runs for two weeks. We produce two plays: one play for Sessions 1 & 3, and a different play for Sessions 2 & 4.**

Theatre - Kinder Theatre Camp

LOCATION: FLATO MARKHAM THEATRE. A theatre camp specially designed for the kindergarten set! This program is an ideal stepping stone for little ones to establish skills in the performing arts.

Campers use their imagination to bring their favourite storybooks, poems, or songs to life. Fun-filled camp activities include theatre exercises, movement games, dancing, and singing. This variety-packed week also sees campers express their creative side through playtime, games and crafts, and more fun activities! Your child will gain practical life skills, make new friends, and build their self-confidence and understanding of teamwork. Kinder Theatre Camp culminates in a performance in the classroom on the last day of camp for family and friends to attend. This program runs for one week from 9:00 a.m. to 4:00 p.m. **Campers must be toilet trained and able to use the restroom by themselves in order to be enrolled in camp.**

Theatre - Junior Performing Arts Camp/Performing Arts Camp

Ages: Junior PAC: 6-9 years / PAC: 10-12 years. ***NEW! THEATRE CAMPS AT CORNERSTONE CENTRE, 9680 Ninth Line, Markham*** It's always fun and exciting to try something new! Now your child can do so in a friendly, inclusive theatre environment. These weekly performing arts camps focus on age-appropriate skill development in acting, singing and dance. Campers discover and explore their own personal strengths and talents. Each week a guest artist will run workshops for one afternoon in their specialized field which can range from Clowning and Stand-Up Comedy to Bollywood, Hip Hop, and Chinese Dance. Every week will be different with a new guest artist, so campers can have fresh experiences all summer long! On the Friday afternoon, family and friends are invited to watch campers showcase their favourite skills from the week as they perform in a talent show. Performing Arts Camps are directed and facilitated by an experienced arts professional. A terrific complement to the popular theatre camps at the Flato Markham Theatre.

Triathlon Training Camp

Campers will train for triathlon including designing training logs, fitness and practical work. At the end of the week, campers will participate in a mini triathlon. **Campers must be able to swim.**

Volleyball Camp

Campers will participate in indoor and outdoor volleyball and focus on skill development. This camp includes daily tournaments. **Recreational swimming is also included.**

Writer's Workshop

Join other students in a relaxed atmosphere and explore a range of writing styles: manga, poetry, mystery, fantasy, plays, fiction and non-fiction. Try them all! Campers will expand their interest in writing and experience writing as a fun and creative opportunity for self-expression and communication. With the guidance of our staff, campers will be able to create their very own digital book which will be presented on the last day of camp!

The City of Markham welcomes and encourages all residents to participate in our recreation programs. Every effort will be made for the child or adult to participate in an integrated or adapted program. It is important to consider the participant's ability when registering. If a participant requires a caregiver or volunteer to assist them, one will be admitted to the program free of charge.

How do I know if support is required?

Please consider the following when registering:

- Extra support is required at school in the classroom
- A physical, development, and or learning disability exists
- Extra support is needed at home for basic care
- Participant is supported by an agency
- Participant has a safety plan with their educational institution
- There may be behaviours that need to be managed, such as: biting, pinching, slapping, or running.

Participants will be required to complete a City of Markham Intake Form to assist with integration. This will help our instructors adapt the program and provide the best possible service.

You are welcome to provide your own support. Following is a list of suggestions:

- A support worker that is provided by a social service agency or the family
- A family member or friend
- A caregiver that is familiar with the participants needs and abilities i.e. nanny/babysitter

Volunteers

When requesting a volunteer through the City of Markham, please consider that volunteers:

- May not always be available during the day and time you have selected
- Are 14 and 15 years of age
- Do not support individuals with challenging behaviours
- Cannot provide lifts and transfers
- Cannot be alone with a participant

Volunteers can:

- Provide encouragement during participation
- Break down instructions and program rules
- Repeat skills
- Be a buddy
- Provide a safe environment

Inclusion Support Staff:

Caregivers can hire paid support for one-to-one assistance. These individuals are 16 years of age and older, have their Standard First Aid and experience working with various needs, and are High Five certified. Please note that there is a fee for this service.

How to Request a Volunteer for Recreation Programs:

You will need to request a volunteer by calling the Community Centre where you will be participating. (See page 23 for contact information. Please provide us with at least two (2) weeks notice.)

For Aquatic Programs, please contact the pool where you have registered. (See page 23 for contact information.)

Our City of Markham Fitness Centres are accessible! We encourage everyone to join! Benefits include:

- Kranck Cycles for the upper body
- Lots of free weights and pulley selectorized pieces
- Whirlpool's are 104°F (not wheelchair accessible)
- Thornhill Therapeutic Pool 93°F and fully accessible
- Fitness staff are able to create and adapt a program specific to your needs

Behind the Line Drama - Special Needs

Let your voice be heard. Let your story be told. With Behind the Line you are centre stage! Produce your own fun and interactive art or media project. Make a short movie, create a superhero, or become a character in a comic book. *No experience necessary*, a fun and unique opportunity to meet new people and develop your communication skills. A new media and interactive drama program dedicated to strengthening social and life skills of participants through action based learning strategies. This program is in partnership with Community Living.

Adapted Swimming

This 45 minute program incorporates water exercise and basic learn to swim techniques for participants who require more 'hands on' assistance. Adapted Aquatics is volunteer driven under the supervision of a specialized instructor.

Fun With Music

This program is designed for children with special needs who enjoy music and its elements. This unique program is for children aged 6-13 who have various needs. Young musicians will have an opportunity to participate in instrument playing, movement to

music, singing, improvising, song writing and listening to music. Musical opportunities will be presented in a fun, non-threatening environment.

Tennis - Wheelchair

This adapted program is geared to players with a physical disability. Wheelchair tennis is one of the fastest growing and most popular sports for children with physical disabilities. Participants will learn and develop strokes such as the forehand, backhand, serve, volley, rules of the game, wheelchair mobility and game play in a fun positive setting. This program will be taught by a certified tennis coach.

123 Fit Club

Children will have fun learning numbers and basic language skills while hopping, skipping, running and getting active in our Indoor Playground. Activities will also reinforce counting and numbers skills. Fitness, fun and learning! **Children must be able to participate without parent. PARENTS DO NOT PARTICIPATE**

ABC - Fit Club

See above "123 Fit Club".

Acrobatics for Preschoolers

Acrobatics is a discipline of gymnastics which focuses on team work, balance, flexibility and coordination. This beginner Acrobatics program is highly interactive where boys and girls learn and master skills on their own and with partners. For those who enjoy creativity and movement, this is the class for you. **NOTE: No shoes are required, only bare feet.**

Adventures in Math & Science

Discover math and science concepts through literature and hands-on activities based upon familiar situations from Ontario curriculum. Activities capitalize on children's natural curiosity and help foster a positive attitude towards mathematics and scientific discovery

Alphabet Adventures

This program will allow your child to learn through play. Each class will focus on different letters of the Alphabet. Creative activities, songs, stories and games will enhance the learning experience. **PARENTS DO NOT PARTICIPATE**

Ballet

This ballet course combines the basic movements of ballet and rhythm, and an opportunity to participate in a multi-level instructional class setting. Children will become familiar with steps and movements, following the directions of the instructor. **PARENTS DO NOT PARTICIPATE**

Ballet - Intermediate

This ballet course continues and develops the basic movements of Ballet and Rhythm. **Ballet Beginner is a prerequisite. PARENTS DO NOT PARTICIPATE**

Babygym

You and your baby will experience body awareness through specially designed movement, play and exercise. **PARENT PARTICIPATION IS REQUIRED**

Baby Jumpstart

Share special times with baby by participating in sensory activities and exploration through the use of books, bouncing rhymes, music, and games in order to stimulate brain development and promote early literacy in a fun social environment. **Parent Participation required.**

Baby Massage

Touch is the primary sense for infants. A nurturing touch is essential to the growth and health of infants. Infant massage is a wonderful tool to help parents develop confidence when caring for their baby. Benefits for baby include, improved sleeping patterns, reduced discomfort from colic, gas and constipation and stronger digestive, circulatory and intestinal systems. **PARENTS PARTICIPATION IS REQUIRED**

Bollywood / Hip Hop

This program is ideal for children who wish to learn a combination of Bollywood and Hip Hop Dancing. Our instructor will lead your children through a variety of dance steps each week with the goal of performing full routines by the end of the season. **PARENTS DO NOT PARTICIPATE**

Chess

Chess is an excellent avenue for learning both logical and intuitive thinking skills as well as increasing a child's attention span. The game develops good sportsmanship for handling wins and defeats and it's fun. Participants will learn starting positions, moves, captures, checks, checkmate, stalemate and pawn promotion. **PARENTS DO NOT PARTICIPATE**

Combo Craze

A combination of ballet, jazz and creative movement steps will be taught in this class. **PARENTS DO NOT PARTICIPATE**

Cupcake Surprise

Preschoolers will learn delicious cupcake recipes and decorating techniques. They will also learn the basic safety skills in the kitchen. Each preschooler will actively participate in the preparation of each recipe and will assist in the clean up. All chefs' creations will be eaten at the end of the class. **PARENTS DO NOT PARTICIPATE**

Energy Burner

Perfect for the pre-schooler who has energy to burn! Cooperative games, soccer, and basketball are all included. **Running shoes must be worn. Please send your child to class with a water bottle. PARENTS DO NOT PARTICIPATE**

Fun with French

Give your child the opportunity to have fun with French. This program is for the older pre-schooler, to learn French in a recreational setting. Children will learn numbers, letters, and simple instructions in French. **PARENTS DO NOT PARTICIPATE**

Fun with Spanish

Give your child the opportunity to have fun with Spanish. This program is for the older pre-schooler, to learn Spanish in a recreational setting. Children will learn numbers, letters, and simple instructions in Spanish.

Get Ready for Drama

Dramatic play helps children express themselves and put thoughts into words. This program will build your child's literacy skills through rhyme, song and movement as your child memorizes and acts out a familiar children story. Crafts and props are created for the performance whereby parents are invited to watch the final class whereby children dazzle, surprise, and entertain!

Get Ready for Public Speaking

This program introduces JK/SK children to simple activities that help build confidence and provide learning opportunities to communicate effectively with their peers and in public. A great introduction to public speaking skills.

Mini Chefs

Children learn the basic safety skills in the kitchen and will be preparing fun, nutritious finger foods. We have partnered with York Region Public Health to provide a healthy program. Each preschooler will actively participate in the preparation of each recipe and will assist in the cleanup. All chefs' creations will be eaten at the end of the class. **PARENTS DO NOT PARTICIPATE**

Mom and Tot Ballet

This program is for Mom and tot to experience the movements of dance and ballet. You will participant with your child as the instructor leads you through a series of beginner ballet movements. Children will learn to work together, and enhance their early childhood coordination. **PARENT PARTICIPATION IS REQUIRED**

Mommy and Me Yoga

Yoga can be a fun and playful time for new moms and babies to receive a gentle workout, and great relaxation. The postures and breath work provide stretching, strengthening and rejuvenation for mind and body. Share your experience with other mothers. **Suitable for infants ages 2 months to crawling. PARENT PARTICIPATION IS REQUIRED**

Museum - Mini Mornings

Looking for something new to do with your active preschooler? Join us at the Museum for fun, educational and interactive activities specifically designed for you and your little one. Classes are lead by our experienced program instructors and incorporate the museum's unique features including our heritage orchard, exhibitions, and historic buildings. Each 4 week session has a new theme and activities, so you can sign up for multiple sessions! **Cost for 1 child and 1 adult, additional children \$40.00 each (max 3 children per adult). Parent participation is required.**

Museum Pottery - Parent & Me Pottery

Join us as we explore the wonderful world of clay in our Pottery Studio! This program provides an opportunity for those big and small to play with clay, and create special treasures together while spending some quality time as a family. We will explore methods of hand building such as sculpting, surface decoration, slab building and coiling. Together with our professional artist instructors participants will also get to glaze their work before being fired. **Cost for 1 child and 1 adult, additional adults and children \$75.00 each to a max of 2 additional participants. Includes all supplies. Parent participation is required.**

My Little Carpenter

This program is designed to introduce preschoolers to the art of woodworking in a safe and creative environment. Children will learn to safely use a hammer, nails and will bring home their project at the completion of the course. **PARENTS DO NOT PARTICIPATE**

Parent and Tot - Ball Hockey

Come out and participate with your preschooler to learn the basics of ball hockey. They will learn through active drills, recreational games and hockey related activities **Players must wear CSA hockey helmets, face masks and gloves. PARENT PARTICIPATION IS REQUIRED**

Parent & Tot Yoga

This program will relax yourself and your child. This class is a gentle way to exercise the body for you and your child. Learn how to relax, tone, and strengthen the body. **PARENT PARTICIPATION IS REQUIRED**

Playtime - Program 1

For ages 1 1/2 to 3 yrs Parents participate. This pre-school program is designed to provide maximum opportunity for both parent and child to socialize and play together. Activities include games, songs and crafts. **PARENT PARTICIPATION IS REQUIRED PARENT RATIO - 1 child to 1 parent**

Rainbows and Rhythm (1)

Musical instruments, songs and movement in a fun atmosphere to stimulate even the most active child. **PARENTS PARTICIPATION IS REQUIRED**

Rainbows and Rhythm (2)

Musical instruments, songs and movement in a fun atmosphere to stimulate even the most active child. (12-18 months) **PARENTS PARTICIPATION IS REQUIRED**

Rainbows and Rhythm (3)

Children sing, dance, clap, jump and play in this lively music program that combines children's action songs with animal puppets, balls, bean bags, a parachute and simple rhythm instruments. **PARENT PARTICIPATION IS REQUIRED**

Rainbows and Rhythm (4)

Children sing, dance, clap, jump and play in this lively music program that combines children's action songs with animal puppets, balls, bean bags, a parachute and simple rhythm instruments. **PARENT PARTICIPATION IS REQUIRED**

Read and Talk

Talking helps with oral language development. Enjoy shared reading activities, crafts, and play that will encourage conversation and storytelling to help your child learn new words, help to express themselves and develop their pre-reading skills. (Based on Every Child Ready to Read practices) **Parent participation required.**

Read and Write

Reading and writing go together. Developing fine motor skills, understanding letters, shapes, drawing and scribbling are all important steps to learning to write. Help your child develop reading and writing skills in a fun environment. Get a great start on school success! Independent Learning experience (Based on Every Child Ready to Read practices)

Ready to Ride

This program is a great chance for young children to learn how to safely ride a bike! Participants will use bikes without pedals that allow them to keep their feet on the ground. In this program, children will be able to work on balance, coordination and movement all while having fun. Children will complete obstacle courses, play games and learn bike safely in a controlled environment. **A CSA certified helmet and running shoes are mandatory to participate in this class.**

Sandwich Surprise

Preschoolers will learn delicious sandwiches for a healthy start to school lunches. They will also learn the basic safety skills in the kitchen. Each preschooler will actively participate in the preparation of each recipe and will assist in the clean up. All chefs' creations will be eaten at the end of the class. **A \$2.00 per class extra food fee payable to the instructor PARENTS DO NOT PARTICIPATE**

Spectacular Science

This program will allow children to learn about science, nature, biology, colour, volcanoes and much more through simple experiments and crafts. **PARENTS DO NOT PARTICIPATE**

Stories and Crafts

Come and join the fun as we select a special story geared to young children followed by creating a craft. Children will have the opportunity to use their imagination and create a craft around the theme of the story book. **PARENTS DO NOT PARTICIPATE**

Summer Adventure

This program is for the adventurous preschooler. Their time will be filled with arts and crafts, games, songs, theme days, and outdoor play. The participants will be indoors and outdoors throughout the class. This program introduces your child to a pre-camp setting. **Parents do not participate**

3D Creation and Printing

Learn how to design and model 3D structures using easy software. Students will be able to create 3D objects like a cup, house, building etc. This program will engage students with the tools required for design, inventing, and fabricating which can lead to various career paths such as industrial design and engineering. Bring your imagination and creativity, and take home a small 3D structure you will print from a 3D printer.

Acrobatics

Acrobatics is a discipline of gymnastics which focuses on team work, balance, flexibility and coordination. This beginner Acrobatics program is highly interactive where boys and girls learn and master skills on their own and with partners. For those who enjoy creativity and movement, this is the class for you. **NOTE: No shoes are required, only bare feet.**

Archery

This program is designed to teach children basic archery skills and techniques such as balance, and eye hand coordination. **All equipment is supplied.**

Active Start

Active Start is designed to teach children with special needs the fundamental movement skills and sport skills they need to enjoy an active lifestyle. Participants will learn active skills such as jumping, throwing, rolling, kicking, catching, and body awareness. Children will learn skills of a different sport every week in a fun, non-competitive environment.

Badminton

Here is an opportunity to play recreational badminton with your friends. Each class will focus on running, jumping, agility, balance, and coordination. Matches and round robins will be set up for your enjoyment. **Birds supplied, racquets required.**

Badminton Instructional - Active Start / Beginner

Introduce and promote healthy active living to children through the sport of badminton. This instructional program follows the Canadian Badminton Long Term Athlete Development, Sport for Life program. The program introduces physical literacy designed to focus on basic motor skills and activities to children by learning to play badminton.

Ball Hockey League

This league is designed to introduce participants to organized ball hockey games. The focus of the league will be on fun, team play and sportsmanship. The first class is a skills assessment to create evenly matched teams. Participants will be placed on a team and receive a league schedule. Junior games will start at 10:30 am or 11:30 am. Senior games will start at 2 pm or 3 pm. Each team will play a one 45 minute game (3 periods -15 min each) in each of the remaining weeks. The final 2 weeks will be used for semi-finals and finals. Each player will receive a participation award. **Participants must bring their own hockey gloves, stick, shin guards and CSA-approved helmet with 'full' facemask.**

Ballet - Beginner

A basic course covering the technical aspects of ballet, positioning of arms and legs while combining several dance steps. The program also provides an opportunity for the development of fundamental movement skills, balance, rhythm, coordination, and agility.

Basketball

Learn new basketball skills. In this team sport children will develop agility, coordination, running, and jumping.

Basketball for Girls

This recreational basketball program has been designed for girls to enhance fundamental skills such as, agility, coordination, running, dribbling, and jumping.

Basketball - Select

This basketball is for the skilled player or for those who want to improve their skills. An extension of Basketball for Children, the program will focus on defence, shooting, passing, dribbling, footwork, speed and agility and begin to include strategic play.

Bollywood / Hip Hop Dance

This program is ideal for children who wish to learn combination of Bollywood and Hip Hop Dancing. Skills covered in this dance class are balance, rhythm, coordination and ability.

Car Modelling

ZooooomM!! Get an opportunity to build a model vehicle! Learn from modelling experts in putting the model together and spray painting your finished product. *An additional cost of \$20 for supplies payable upon registration.*

Chess

Chess is an excellent avenue for learning both logical and intuitive thinking skills as well as increasing a child's attention span. The game develops good sportsmanship traits for handling wins and defeats and it's fun. Participants will learn starting positions, moves, captures, check, checkmate, stalemate and pawn promotion.

Chess & Badminton

Participants will exercise their minds and bodies in this one of a kind program (no experience required). Our chess & badminton specialist will lead instructional drills, exercises, and supervise friendly matches every class.

Communication Skills

Effective communication includes listening, thinking and speaking. Participants will develop their confidence in communicating with others for a variety of purposes including information sharing, questioning and storytelling.

Computer- Hands on Robotics Jr.

Hands on Robotics Jr. will immerse young students in the exciting world of robotics and Lego! Using the Lego WeDo education set, students will grasp concepts on building structures, sensors, and gearing. Students will be able to construct robots and watch them come to life as they build simple programs for the robots. This course will challenge students to think critically and work in a team to solve problems.

Computers - Animation Cartoons

Come unleash your imagination in this program by creating your own animated cartoon movie. You will be guided step by step using your own voice and funny special effect sounds in a computerized environment, as you create and watch your cartoon come to life! This course develops logical and motor skill, stimulating creativity and self expression. At the end of the program children will bring home a DVD.

Computer Keyboarding Skills

This new program was designed to develop typing skills at a young age. Through different hands-on activities and educational games children will master keyboarding. Learning the correct methods of typing while they are young is an important step to ensuring their future success. (Participants are welcome to take this program again to further improve their keyboarding skills)

Cricket

A fun action packed recreational sport based on the elementary rules of cricket. Fundamental skills taught are agility, running, balance, and coordination. *Softball Cricket is used for instructional purposes. Check out the ACTION!*

Dance 2 the Beat

Do you love to dance? This class will give you a great chance to explore and enjoy a variety of music and dance styles such as jazz, hip-hop, lyrical, musical theatre and more all in one energizing and upbeat class! Children will learn balance, rhythm, coordination and agility.

Dodgeball

Join us for a very active hour of fun playing dodgeball by the official rules. The fundamental skills covered in this program are, agility, running, coordination, and balance.

Drawing and Painting

A basic course offering instruction in the different categories of drawing using a variety of mediums such as watercolours, pencil, ink and pastels. Participants will spend time on an individual project involving most of the media covered. *Materials will be supplied.*

Drumming

Qualified staff will lead you through basic drumming skills to enable you to play along with your favourite songs. *Drums are provided and we work in a 1:4 instructor - student ratio.*

Floor Hockey

An opportunity to play recreational sports with other young friends. The fundamental movement skills taught in this program are

passing, running, agility and coordination. *Sticks will be provided. CSA hockey helmet is mandatory for all participants.*

Fundamentals of Geometry & Algebra

Learn to solve expressions and equations in the context of perimeter, area, and volume problems while further developing computational skills with fractions and decimals. The study of plane and solid figures includes construction and transformations of figures. Also in the context of problem solving, students add, subtract, multiply, and divide positive and negative integers and solve problems involving ratios, proportions, and percents, including simple and compound interest, rates, discount, tax, and tip problems. They investigate patterns involving addition, multiplication, and exponents, and apply number theory and computation to mathematical puzzles.

Girls on the Go

From basketball to volleyball to soccer and badminton. Participants will learn the following skills, running, jumping, coordination, and agility. Tons of sports to keep you active from head to toe!

Glee - Musical Theatre

This class combines dancing, singing and acting. Musical numbers from popular shows will be chosen and participants perform at the end of the session.

Guitar Lessons - Beginner

An introductory course offering the novice instruction in guitar through practice and theory. *An acoustic guitar is required by each student.*

Guitar Lessons - Intermediate

Assuming student has knowledge of notes and chords, more advanced techniques will be covered including learning the entire fretboard including finger style and picking techniques to play more advanced songs with ear training to transcribe tunes from CD's. Theory to be learned will cover major and minor scales as well as chord construction. *Own guitar is required.*

Hip Hop - Level 1

Are you in tune with the latest hip hop moves? Children will learn the fundamental movement skills, coordination, agility, and balance. This program is designed for children who love to dance!

Home Alone

This workshop is designed to prepare children for the challenges of being home alone. Participants will learn how to deal with phone calls and visitors, handling emergencies, safety around the house and how to prepare simple meals and snacks.

Hoops & Spikes

Hoops and Spikes teaches FUNDamental movement and sports skills needed to

participate in basketball and volleyball, including the ABC's of athletics- agility, balance, coordination and speed and helps provide participants with the competence and confidence to be active for life not only in basketball and volleyball but in a variety of activities. This program is in partnership with MUMBA and the primary goal of the program are to support the development of movement skill competence, confidence, and motivation to move through fun movement learning activities.

Indoor Golf

Children will learn how to strike a golf ball at an inside target, balance, and coordination.

Indoor Hockey

This program is for boys and girls who like to play hard and have fun. Cosom hockey or floor hockey is a game of running and teamwork. Fundamental skills covered will be agility, shooting, running, and coordination. *White-soled running shoes and C.S.A. approved helmets with face masks are mandatory.*

In-Line Skating Clinic

This program is for beginners to learn the basics of in-line skating in a controlled environment. In-line skating is also known as roller blading. *Participants must have their own equipment. CSA approved hockey helmets are mandatory. Elbow and knee pads, as well as wrist guards are highly recommended.*

Jazz Dance - Beginner

Through the teaching of basic dance steps and movements, girls and boys will develop simple jazz routines. Children will develop the following fundamental skills, balance, rhythm, coordination, and agility. *The class is for beginners only.*

Karate

Traditional karate and jiu-jitsu/aikido is a realistic and effective form of self-defense, where children learn balance, agility, kicking, and coordination. This form of karate incorporates katas, punches, blocks, throws, locks, kicks and self-defense techniques.

Karate - Children/Pre Teen

Karate and jiu-jitsu is a realistic and effective form of self-defense, discipline and self-esteem. This introductory karate class incorporates kata, punches, blocks and throws. Children will work on the following fundamental skills, balance, agility, kicking and coordination.

Keyboard Styles, Rhythms, and Sounds Effects

This course is for those who own a portable keyboard and would like to learn more about it. We will teach you how to get the most out of your keyboard's various special features including sound effects, rhythms, beats, and recording.

Keyboarding for Beginners (Piano)

This is a beginner course in chord piano techniques through the use of personal, portable electronic keyboard. Ability to read treble clef recommended but not necessary. We teach you how to get the most out of your keyboard's various special features including sound effects, rhythms, beats, and recording. **Participants must have their own portable Keyboard to bring to each class.**

Kids in the Kitchen

Children will enjoy cooking and eating a variety of fun recipes. We have partnered with York Region Public Health to provide a healthy program. Basic cooking skills, kitchen safety and fun will be emphasized.

Kids Love Lego

A creative fun program where kids can learn to build items using Lego. Participants will be challenged to create their own model using balance, stability, mechanics and colour. Each week a new theme will be introduced and demonstrated on building something new and exciting using a variety of Lego pieces. Experienced staff will lead the program and work with the participants using teamwork, creativity and problem solving techniques.

Knitting & Crochet

In this course students will learn basic knitting and crochet. Students will learn how to use a crochet hook and knitting needle. Class projects including learning how to make a scarf, hat and place mat using crochet and knitting techniques.

Lego Mindstorm NXT - Hands on Robotics: Toys and Tools

The Hands-on Robotics NXT series will immerse students in the exciting world of robotics. In this toys and tools course,

students will use Lego Mindstorms NXT to create toys like etch-a-sketch and spinning tops, musical and dancing robots, and path and area calculators, among other useful tools. Upon the completion of the course, students would have built at least six robots. They will be very familiar with how to build a solid robot, understand how the different sensors work, and learn about the mechanics of the robots. This course will challenge students to think critically and work in a team in solving problems.

Lego Mindstorm NXT - Hands on Robotics: Animals

The Hands-on Robotics NXT series will immerse students in the exciting world of robotics. In this animal themed course, students will use Lego Mindstorms NXT to learn concepts on building structures and create a robot puppy, rattlesnake, spider, and more! Make these robots come to life as you get familiar with how to build a solid robot and understand how different sensors work. This course will challenge students to think critically and work in a team in solving problems.

Lego Mindstorm NXT - Hands on Robotics: Cars & Vehicles

The Hands-on Robotics NXT series will immerse students in the exciting world of robotics. In this transportation themed course, students will use Lego Mindstorms NXT to learn concepts on building structures and gearing. Students will be able to build race cars, bumper cars, and remote control cars using different sensors, and learn how to tweak the robot so that it is suitable for the current environment, whether it is navigating a path, or avoiding obstacles. This course will challenge students to think critically and work in a team in solving problems.

Little Ninja's

This program focuses on the basic components of karate techniques. This program is all about building strong fundamentals, like Balance, Focus, Kicks, Blocking Techniques, and Agility, and Coordination.

Magic

Learn advanced moves, misdirection, palming and professional techniques. Whether you wish to learn to do card flourishes, vanish cards, or make cards appear out of the air. **No experience required, bring your own playing cards and coins and let's get started.**

Minecraft® Redstone Circuits

Minecraft can have huge educational benefits for children by teaching numerous subjects all at once. Participants will learn how to build and use Redstone circuits and the mechanisms they control allowing kids to increase the range of things that can be accomplished with Minecraft.

Museum Pottery - Bird's Nest Basket Workshop

Create your own ceramic bird's nest basket complete with eggs and a twisted handle. This little basket makes a beautiful decoration or a catch-all for trinkets. **Includes all supplies and firing.**

Museum Pottery - Clay Creations

Join us as we explore the wonderful world of clay in our Pottery Studio! Beginners will learn all the steps from beginning to end of how pottery pieces are created. Participants will explore methods of hand building such as sculpting, surface decoration, slab building and coiling. Together with our professional artist instructors, participants will also get to glaze their work before their pieces are fired. **Includes all supplies and firing costs.**

Museum Pottery - Robot Chimes Workshop

Transformers meets pottery! These cool ceramic robots can act as wind chimes or a mobile for your room. Our professional pottery instructors will help you create your own robot in our fun and exciting pottery studio. *Includes all supplies and firing.*

Museum Pottery - Spiky Cactus Pencil Holder Workshop

Keep your pens and pencils in your very own ceramic cactus! Design, build and decorate your cactus with help from our professional pottery instructors in a fun and exciting environment. *Includes all supplies and firing.*

Outdoor Beach Volleyball

What better way to enjoy the weather than hit the beach volleyball court. Instructor lead programming will facilitate warm up activities and fun game play.

Outdoor Soccer Skills

This introductory soccer skills program is designed for boys and girls who want to develop and improve their soccer skills. Emphasis will be fun active games that develop ball control, foot work and passing. At the end of the each session there will be a short scrimmage.

Reading Skills

Through guided activities participants will develop strategies for reading comprehension. Children will learn to select strategies appropriate for different reading activities such as in reading for information or reading for entertainment, reading for quick answers, and engage to enjoy written language in all its varieties.

Rhythmic Gymnastics

Learn the Graceful Art of Rhythmic Gymnastics. This course teaches an introduction to the hand apparatus of rope and ribbon in combination with free dance movement to music. Children will learn balance, rhythm, coordination and flexibility.

Robo-gals - Girls Only

For girls only, this Hands-on Robotics program will immerse students in the exciting world of robotics. Using Lego Mindstorms NXT, students will grasp concepts on building structures and gearing. Upon the completion of the course, students would have built at least six robots. They will be very familiar with how to build a solid robot, understand how the different sensors work, and how to tweak the robot so that it is suitable for the current environment, whether it is navigating a path, throwing a ball, or avoiding obstacles.

Robots and Remote Controls

Interact with a variety of real life robots, remote control toys and other unique mechanical creations. Participants will also be introduced to programming to make robots perform a series of tasks.

Rock Climbing

Are your kids climbing the walls? Send them to Armadale for fun and excitement on our climbing wall. Trained Instructors will teach participants the following fundamental skills, balance, agility, coordination, and core strength. *All equipment is provided.*

Science Wiz Exploration

Discover the fascinating marvels of science through curious investigations and various activities. Experiments vary from creating bubbling concoctions or slimy mush to simulated volcanic eruptions models. Get ready to get your hands dirty!

Scratch-Interactive Programming Level 1

Your never too young to discover the fun in programming! Scratch is an online programming language developed by MIT where children can learn to use coding and share interactive media such as stories, games, and animations in their programming. In this course students will use their creativity, problem solving, and logical thinking to design entertaining games and animations!

Skills+Coding

Discover and learn coding at a young age. Using our online modules and with the guidance of our instructor, children will develop problem solving skills while writing code.

Skippping for Kids

You'll love the amazing sport of rope jumping, and learn new skills/games each class. The fitness benefits to jumping rope are amazing, not to mention all the fun you'll be having with your friends. Children will improve on the following fundamental movement skills, jumping, balance, rhythm, hopping, and coordination.

Soccer Indoor

This basic recreational soccer program is designed for both boys and girls interested in the game of soccer. The emphasis will be on fundamental movement skills: balance, kicking, dribbling, agility and team work. Warm up, fitness training and skills development aspects will be dealt with in a manner appropriate to each group and to the individual children. *Shin pads mandatory to participate in program. Children must be 6 years old by the start of program.*

Sports with Dad

Hey Dad! Bring your child to a jam-packed 90 minutes of sports, games and fun. You will cover soccer, floor hockey, basketball and much more.

Table Tennis

A recreational program which will provide an opportunity to play table tennis with your friends. The fundamental movement skills taught are agility, running, balance, jumping, and coordination. *Table tennis bats are required.*

Tae Kwon-Do

The most practiced martial art world-wide. The art of Tae Kwon-Do is guided by the principles of self-respect, respect for others and non-violence. The student of Tae Kwon-Do will be work on agility, balance, and coordination. Students will also learn to develop self-control, courtesy, integrity, perseverance and an indomitable spirit.

Tae Kwon-Do - Intermediate

For those who have taken our beginners programs and wishes to further develop your skill level.

Taekwondo- Multi-Level

The most practiced martial art world-wide. The art of Taekwondo is guided by the principles of self-respect, respect for others and non-violence. The student of Taekwondo is not only trained in the physical aspects of the art, but he/she must learn to develop self-control, courtesy, integrity, perseverance and an indomitable spirit. For those looking for the full Taekwondo experience

this program is for you. *Promotion to higher belt levels will be held periodically. Extra fees for promotion assessment may apply. See the instructor for details.*

Tennis

This basic recreational tennis program is designed for both boys and girls interested in the game of tennis. Children will develop fundamental skills such as, agility, running, balance, jumping, and coordination.

Tennis - Level 2

Ideal for those who have taken previous tennis lessons, and have been encouraged by their coach to register in Level 2. Players will continue to work on the fundamental movement skills of agility, running, balance, jumping and coordination. *Players should have a minimum of 1 year in Level 1 before registering in Level 2.*

Tennis - Outdoors

Progressive Tennis is the teaching method used both indoors and outdoors and is used as a development tool to allow young children to improve their overall tennis skills faster as they can transition to the regular court with more ease. Children will develop fundamental skills such as, agility, running, balance, jumping, and coordination.

Tennis - Private Lessons

Tennis Coaches are assigned to lessons. Customers are unable to book or reserve specific instructors for their lessons. *All ages welcome.*

Violin Lessons - Beginner

Every child can learn the violin! This program is based on the principles of Suzuki, taking a holistic approach to music-making that involves an active mind and healthy

body. Children will be taught persistence, listening, observing and repeating through playing the violin. *Participants must bring their own violin*

Volleyball for Children

Join us for a night of recreational fun. If you are a beginner, please join us and we will teach you a few volleyball techniques. Children will learn important fundamental movement skills such as, jumping, running, coordination, leaping, and agility.

What's that Racquet?...

What's that racquet???...It's the participants learning the fundamentals and game play of all our favourite racquet sports. Participants will improve their balance, coordination, striking, and eye hand coordination. Sports will include Table Tennis, Indoor Tennis, Badminton and Pickleball

Writing Skills

Through language-oriented activities students will learn how the English language works and how to express their thoughts in writing. Students will explore different writing formats including essays, narratives and persuasive writing and learn how to organize ideas when communicating in writing.

Yoga for Kids

Yoga poses with movement, music and laughter will help children to build flexible and healthy bodies, increase concentration, build confidence, improve coordination, balance, and agility.

Acrobatics

This beginner Acrobatics program is highly interactive where boys and girls learn and master skills such as team work, balance, flexibility and coordination. Acrobatics is highly interactive where boys and girls learn and master skills on their own and with partners. For those who enjoy creativity and movement, this is the class for you. **NOTE: No shoes are required, only bare feet.**

Archery

This program is designed to teach pre-teens basic archery skills and techniques. Qualified Instructors will introduce the fundamental skills of archery in a fun and safe environment. **All equipment is supplied.**

Babysitting Course

Do you enjoy the responsibility of supervising children? Learn how to babysit effectively. Topics includes child care, feeding, child development, child safety, how to handle emergency situations, and first aid. Meet friends and learn new skills. **This leadership program is sponsored by the Canadian Red Cross Society, Region of York Branch. Please note, participants must be 11 years old at the start of the course.**

Badminton

Here is an opportunity to play recreational badminton with your friends. Matches and round robins will be set up for your enjoyment. **Birds supplied, racquets required.**

Badminton Instructional - Beginner / Intermediate

This instructional program follows the Canadian Badminton Long Term Athlete Development, Sport for Life program. The program will develop further technical badminton skills after the beginner level. Promote healthy active living to teens through the sport of badminton. **Badminton racquet will be provided to students who do not have a racquet for the duration of the class.**

Baseball Skills

This course allows participants an opportunity to explore the game of baseball before committing to a team or league. The program will focus on building the fundamentals of baseball. It will concentrate on hitting, throwing and catching as well as fielding. **All participants must have a baseball glove.**

Basketball

Recreational basketball including a general warm-up, teaching sessions and playing time. **White-soled running shoes required.**

Basketball Drop In

Participants must register in order to participate in this drop in. Proof of age must be shown when registering. Bring your own ball

Basketball Pre-Teen League

Markham Recreational Basketball is an after school basketball league for pre-teens. MRB will be focusing on facilitating a league that is safe, organized and fun for players to improve their basketball skills. Players will be assessed for the first 3 weeks and then placed on a team. After being placed on their teams, players will get their team schedules and will play a different team each week leading up to the playoffs where the champions will be crowned.

Basketball Select

This intense Basketball Program is for the skilled player or for those who want to improve their skills. Staff will be on hand to coach, refine skills and motivate individuals. Coaches will also analyze player's game play and work on skills that could be improved. Special attention will be focused on strategic play, defence, shooting, passing, dribbling, footwork, speed and agility.

Chess

Chess is an excellent avenue for learning both logical and intuitive thinking skills as well as increasing a child's attention span. The game develops good sportsmanship traits for handling wins and defeats and it's fun. Participants will learn starting positions, moves, captures, check, checkmate, stalemate and pawn promotion.

Computer - Android Appwizard Beginner

Learn to create Android apps with App Inventor from MIT. Using their simple, intuitive interface, even non-programmers can take their Android phones for a fun spin! Android Appwizard Beginner introduces students to the basics of Android app development. Throughout the course, students will learn how to incorporate components of the phone including the various sensors, storage, graphics, and GPS. At the end of this course, students will take home their very own app, designed and tailored to their own imaginations!

Computer - Animation

Computer Animation 101 introduces students to the world of Flash animation. Students will be taught the basic principles of computer animation so their cartoons will look and feel realistic, such as the principles of stretch and squash, anticipation, as well as timing and spacing. Tutorials on how to use the various tools to create Flash animations will be covered in depth, coupled with many hands on projects for practice. The final project will be a full story cartoon with sound!

Computer - Hands on Hardware

Hands on Hardware will teach you everything you need to know to build your own desktop PC. This popular course will provide participants all the knowledge they need to choose the right PC hardware and put them all together! Understand the functionalities of components and learn how to assemble a computer from scratch. They will also receive the benefits of saving money in the future, when they learn how to purchase and piece together a system geared towards a specific need without overspending on unnecessary system parts.

Computer Programming - C++ Level One

C++ is one of the most popular programming languages, and is used to make a variety of applications and software. This course is intended for beginning programmers who want to learn programming from the ground up. Participants will learn basic building blocks of C++ syntax, general programming rules, and develop problem solving skills. Upon the completion of this course, participants will be able to write a simple number guessing game.

Computer Programming - Java Level One

Java Level One target participants who are new to Java. Focusing on the basic building blocks of Java's syntax e.g., data types, loops, conditions, etc. Participants will also learn general programming rules and develop problem solving skills. Upon the completion of this course, participants will be able to write a simplified version of a rock-paper-scissors game.

Computer Programming - Java Level Two

This course is a continuation to the Computer Programming - Java Level One course. Participants will explore more advanced Java topics like creating classes and objects. Upon the completion of this course, participants will get a final project that incorporates all the topics covered in this course in a practical manner. **Requires completion of Java Level One or C++ Level One**

Computer Programming - Python Level One

Python is a kid-friendly programming language that is used to build mission critical systems at Google, Dropbox, Pinterest, Instagram, and many more. Participants will learn programming concepts such as variables, if statements, and loops, and develop problem-solving skills useful for all programming languages. By the end of the course, participants will know how to create a variety of programs that deal with sorting numbers in different ways.

Computer Programming Level 1

This course is intended for students who want to learn about object-oriented programming. Concepts presented are exemplified using the Turing, Qbasic and Visual Basic programming language. Knowing the basics of these languages will prepare you in your high school years.

Computer Programming: GameFusion Studio Platforming 2

Continuing from GameFusion Studio Platforming 1, this course explores more advanced topics in the realm of platforming games. Students will build on the game from the previous course by adding more intelligent enemies, projectiles that bounce off walls, multiple levels, mini bosses, etc. - elements that make the game more realistic! Students finishing this course will be able to create professional platforming games. Didn't think that creating professional games was a possibility before finishing high school? Think again! **Requires GameFusion Studio Platforming 1.**

Computer- Redstone Circuitry in Minecraft

Is your child always playing Minecraft? What if they can apply basic engineering and physics principles to level up their game play? In this unique course, students will engage in activities and challenges within the Minecraft world, and learn about the basics of wiring, logic, and creating circuits, all of which can be applied to real life! By the end of the course, students will be able to design their own switch-door maze and other contraptions using redstone. **A Minecraft account for PC is required. Previous experience with the game or circuits is not required.**

Computer-GameFusion Studio Beginner

GameFusion Studio is a series of courses where students learn to design and create fun, fully graphical computer games, right from the first class! For this beginner course, students will learn how games are designed and will be completing a multi-level maze game where characters can navigate, collect treasures, and find the exit. Students will be able to hone their inner game craftsmanship by designing their own custom game elements. A competition will be held at the end of the course to see whose game is the most fun to play! **No experience required.**

Cooking Creations

If you are creative and love to cook, this program is for you! Let your imagination stir up something wonderful. Impress your family and friends with your culinary magic. French toast, pizza, veggie wraps, and quesadillas are examples of what will be covered!

Create Minecraft® Mods

Minecraft can have huge educational benefits for children by teaching numerous subjects all at once. Minecraft mods have never been richer and in this program children will use their creativity by learning Java programming to create their own mods from start to finish. Creating Mods will alter their game play, change the creative feel, and allow more options in how to interact in the Minecraft world.

Cricket

A fun action packed recreational sport based on the elementary rules of cricket. Fundamental skills taught are agility, running, balance, and coordination. **Softball Cricket is used for instructional purposes. Check out the ACTION!**

Dodgeball

Join us for an active hour of fun playing dodgeball by the official rules. You will also learn variations of the game such as kings court, corner and all for one. This program is for pre teens that have a lot of energy and love the game of dodgeball.

Drawing

In this course you will learn to understand drawing techniques, creating depth, shading and shadowing. Drawing will be done from still-life pictures and photographs. Through practice and correction you will create finished pieces of work in pencil, pastel and charcoal. **All materials are included.**

Program Name	Age	Location	Day	Time	Start Date	# of Classes	Course Code	Fee
Computer Programming - Python Level One	10 - 16 yrs	Milliken Mills C.C.	Fri.	7:30 p.m. - 8:30 p.m.	Jul. 7	8	301826	\$141
Computer Programming Level 1	11 - 16 yrs	Milliken Mills C.C.	Thu.	5:30 p.m. - 7:30 p.m.	Jul. 6	4	301827	\$141
Computer Programming: GameFusion Studio Platforming 2	9 - 16 yrs	Milliken Mills C.C.	Sun.	3:00 p.m. - 4:00 p.m.	Jul. 9	8	301828	\$141
Computer- Redstone Circuitry in Minecraft	8 - 16 yrs	Thornhill C.C.	Sat.	11:00 a.m. - 12:00 p.m.	Jul. 8	8	301204	\$141
Computer-GameFusion Studio Beginner	9 - 16 yrs	Milliken Mills C.C.	Sun.	1:00 p.m. - 2:00 p.m.	Jul. 9	8	301829	\$141
		Milliken Mills C.C.	Sun.	2:00 p.m. - 3:00 p.m.	Jul. 9	8	301830	\$141
		Thornhill C.C.	Sat.	12:00 p.m. - 1:00 p.m.	Jul. 8	8	301205	\$141
Cooking Creations	10 - 14 yrs	Armada C.C.	Mon.	7:00 p.m. - 8:30 p.m.	Jul. 3	9	301991	\$120
		Centennial C.C.	Thu.	7:00 p.m. - 8:30 p.m.	Jul. 6	8	302550	\$120
		Centennial C.C.	Fri.	5:30 p.m. - 7:00 p.m.	Jul. 7	8	302549	\$120
Create Minecraft® Mods	11 - 16 yrs	Markham Village Library	Mon.-Fri.	1:00 p.m. - 4:00 p.m.	Jul. 3	5	300538	\$240
Cricket	10 - 14 yrs	M.M. Soccer Dome	Fri.	6:30 p.m. - 8:00 p.m.	Jul. 7	8	301835	\$64.50
Dodgeball	11 - 14 yrs	Angus Glen C.C.	Fri.	7:00 p.m. - 8:00 p.m.	Jul. 7	8	303501	\$43.50
		Centennial C.C.	Tue.	7:00 p.m. - 8:00 p.m.	Jul. 4	8	302565	\$43.50
		Cornell C.C.	Mon.	7:00 p.m. - 8:00 p.m.	Jul. 3	8	302636	\$43.50
Drawing	11 - 14 yrs	Angus Glen C.C.	Tue.	6:30 p.m. - 8:00 p.m.	Jul. 4	9	303502	\$89.50
		Armada C.C.	Sun.	2:45 p.m. - 4:15 p.m.	Jul. 9	9	301996	\$89.50
		Milliken Mills C.C.	Tue.	6:30 p.m. - 8:00 p.m.	Jul. 4	8	301836	\$80

Drumming

Our qualified instructor will lead you through basic drumming skills to enable you to play along with your favourite songs. 4:1 student to instructor ratio will ensure one on one time in a small group setting. *Electronic Drums are provided at Milliken Mills and drum kits will be available at Angus Glen.*

Economics Program

Economics is not all about money. It's also about businesses and products and how they work. Participants will come up with a product and will work together along with experienced instructor to market, sell and trade their product using fun money in their very own make-believe economic world.

Fencing

This program will introduce you to the exhilarating sport of fencing. Lead by trained instructors, we will teach you a variety of skills and techniques in a fun and safe environment. *All equipment is provided. Lead in combination with adult class.*

Flag Football

Flag football is a version of American football where the basic rules of the game are maintained however, the defensive team must remove a flag or flag belt from the ball carrier ('deflagging') to end a down. This program focus on team work, agility and coordination.

ForensicFusion

How do police catch criminals - who did it, when they did it, and how they did it? They all depend on the work of forensic investigators! In this course, students will participate in crime scene investigations! Students will learn about techniques in collecting samples, using microscopes, dusting for fingerprints, separating mixtures, analyzing and comparing DNA samples. By the end of this course, students will be able to collect, analyze and interpret evidence from mock crime scenes, like real detectives!

GameFusion Studio Platforming 1

GameFusion Studio Platforming 1 introduces the concept of platform gaming, exploring topics of jumping and gravity and having a camera that follows the main character. Throughout the course, students will work towards a striped-down version of a Super Mario-like game, where the main character will earn points and defeat evil bosses along the way! *Requires GameFusion Studio Beginner.*

GameFusion Studio Scrolling Shooter

GameFusion Studio Scrolling Shooter takes the maze game a step towards the concept of scrolling shooter, where the main object appears to move over a scrolling background. Topics such as automatic camera movement, artificial intelligence, projectiles, and alarms, essential to develop your own arcade-style game similar to the popular Space Invaders! *Requires GameFusion Studio Beginner.*

Girls Basketball

This recreational basketball program has been planned for girls to enhance their skills through specific drills and game play.

Girl's Night Out

An exciting program for girls 11-15 years of age to have fun, develop friendships, and build self esteem. Activities may include movie night, cooking, makeovers, body image, laserquest, bowling and wellness.

Girls Night Out - Cooking

A cooking program for girls 11-14 years of age to have fun, develop friendships and learn how to make delicious recipes. You will be involved in death by chocolate, international cooking, party pleasures and more.

Girls Self Defense

This program is geared to females who are interested in learning how to protect themselves and deal with the most common attacks. The emphasis of the program is on prevention. You will learn to use avoidance, awareness and verbal techniques to defuse a situation.

Glee - Musical Theatre

This class combines dancing, singing, and acting. Musical numbers from popular shows will be chosen, and participants perform at the end of the session.

Guitar Lessons - Beginner

An introductory course offering the novice instruction in guitar through practice and theory. *An acoustic guitar is required by each student at every class.*

Program Name	Age	Location	Day	Time	Start Date	# of Classes	Course Code	Fee
Drumming	11 - 14 yrs	Angus Glen C.C.	Thu.	6:30 p.m. - 7:15 p.m.	Jul. 6	9	303505	\$128
		Angus Glen C.C.	Thu.	7:30 p.m. - 8:15 p.m.	Jul. 6	9	303506	\$128

Girls Self Defense	11 - 14 yrs	Old Unionville Lib. C.C.	Sat.	12:30 p.m. - 1:30 p.m.	Jul. 8	8	304707	\$63
Glee - Musical Theatre	11 - 15 yrs	Armada C.C.	Wed.	7:30 p.m. - 9:00 p.m.	Jul. 5	9	302001	\$69
Guitar Lessons - Beginner	11 - 14 yrs	Angus Glen C.C.	Wed.	8:00 p.m. - 9:00 p.m.	Jul. 5	9	303509	\$69
		Centennial C.C.	Tue.	6:30 p.m. - 7:30 p.m.	Jul. 4	8	302579	\$63
	11 - 15 yrs	Centennial C.C.	Sun.	4:30 p.m. - 5:30 p.m.	Jul. 9	8	302580	\$63
		Cornell C.C.	Wed.	6:30 p.m. - 7:30 p.m.	Jul. 5	8	302654	\$63
	11 - 19 yrs	Thornhill C.C.	Tue.	6:30 p.m. - 7:30 p.m.	Jul. 4	9	301213	\$69
		Armada C.C.	Thu.	7:00 p.m. - 8:00 p.m.	Jul. 6	9	302006	\$69

Guitar Lessons - Intermediate

Students will have some knowledge of notes and chords and more advanced techniques will be covered including learning the entire fretboard including finger style and picking techniques. Participants will have an opportunity to play more advanced songs with ear training to transcribe tunes from CD's. Theory will cover major and minor scales as well as chord construction.

Guys Night Out

An exciting program for guys 11-14 years old to try new and different activities, develop friendships and self-esteem. Activities may include recreational sports, movie night, games night, laserquest, bowling, cooking, rock climbing.

Hip Hop Dance - Level 1

Are you in tune with the latest hip hop moves? Do you want to learn how to dance like some of your favourite hip hop artists? This program is designed for those who love to dance.

How to Make a 3D Lithophane

Learn how to use Thingiverse Customizer to make a lithophane from your favourite photograph. A lithophane is a thin print that looks like a photograph when viewed in back light. After creating lithophanes, participants will save their projects in .stl format and have the option of 3D printing their work at a later time. Basic concepts of 3D printing and 3D customization will be discussed.

How to Make a 3D Logo

In this one hour intensive workshop, participants will learn how to use Tinkercad to make a 3D logo from their business or their favourite sports team. A 3D logo is an interactive promotional tool for a business or team. After creating their logos, participants will adjust them to the appropriate size and save it in .stl format for 3d printing at a later date. Basic concepts of 3D design will be discussed.

How to Make a 3D Portrait

In this one-hour intensive workshop, participants will learn to use an Occipital Sensor/iSense 3D Scanner to make 3D portraits of their fellow participants. A 3D portrait is akin to a sculptural rendition of a person or an object. After creating their portraits, participants will enhance the raw .obj file in MeshMixer and export it to .stl format suitable for 3d printing at a later time. Basic concepts of 3D scanning and 3D file edition is discussed.

How to Make a 3D Rubber Stamp

In this one hour intensive workshop, participants will learn how to use PrintShop to make rubber stamps from a diagram or a sketch. A rubber stamp is great for everyday use to preserve or evoke the original image desired. After creating their designs, participant convert it into .stl format suitable for 3D printing using a flexible material at a later date. Basic concepts of 2D to 3D conversion and 3D printing materials discussed.

Improv for Pre-teens

Youths will learn performance techniques along with many improv games. Bring your enthusiasm and creativity.

Indoor Soccer

This recreational-based soccer program is designed for both boys and girls interested in the game of soccer. Each session will consist of warm-up, and fundamental movement skills such as balance, kicking, dribbling, agility and team work. Join us for soccer excitement! *Shin pads mandatory to participate in program.*

Keyboarding - Beginners (Piano)

This is a beginner course in chord piano techniques through the use of personal, portable electronic keyboard. Ability to read treble clef recommended but not necessary. We teach you how to get the most out of your keyboard's various special features including sound effects, rhythms, beats, and recording. *Participants must have their own portable Keyboard to bring to each class.*

Lego Mindstorm EV3 - Hands on Robotics

Hands-on Robotics will immerse students in the exciting world of robotics. Using Lego Mindstorms EV3, students will grasp concepts on building structures and gearing. Upon the completion of the course, students would have built at least six robots. They will be very familiar with how to build a solid robot, understand how the different sensors work, and how to tweak the robot so that it is suitable for the current environment, whether it is navigating a path, throwing a ball, or avoiding obstacles. This course will challenge students to think critically and work in a team in solving problems.

Program Name	Age	Location	Day	Time	Start Date	# of Classes	Course Code	Fee
Guitar Lessons - Intermediate	11 - 15 yrs	Angus Glen C.C.	Wed.	7:00 p.m. - 8:00 p.m.	Jul. 5	9	303508	\$69
Guys Night Out	11 - 14 yrs	Cornell C.C.	Thu.	6:30 p.m. - 8:30 p.m.	Jul. 6	8	302658	\$116.50

Lego Mindstorm EV3 - Hands on Robotics level 2

Hands-on Robotics - Level 2 will immerse students in the building and programming of Lego Mindstorms EV3. Students will learn essential programming skills, including how to make robots move and how to use sensors. Gaining knowledge to develop their own out-of-this-world creations. Students will have the opportunity to showcase their robots at the end of term during the class robotic competition on the last class. Upon the completion of the course, students will be introduced to computer programming through the Mindstorms robot. Students program by simply dragging-and-dropping symbols onto the screen to control the motors and sensors such that the robot will perform the intended action. **Requires the completion of any Hands-on Robotics EV3 Level 1**

Obstacle Training - Junior

A junior version of the adult obstacle race training program that includes balance, coordination, jumping, skipping and cooperative games. The program will take place indoors and outdoors.

Outdoor Beach Volleyball

What better way to enjoy the weather than hit the beach volleyball court. Instructor lead programming will facilitate warm up activities and fun game play.

Museum Pottery - Pre-Teen Wheel Throwing

Pre-teens will work on the pottery wheel exploring different techniques such as centering, making handles and lids. We will work on various forms including bowls, plates and mugs. Together with our professional artist instructor, participants will also get to glaze their work before being fired. **Includes supplies and firing costs.**

Robo-gals

For girls only, this Hands-on Robotics program will immerse students in the exciting world of robotics. Using Lego Mindstorms NXT, students will grasp concepts on building structures and gearing. Upon the completion of the course, students would have built at least six robots. They will be very familiar with how to build a solid robot, understand how the different sensors work, and how to tweak the robot so that it is suitable for the current environment, whether it is navigating a path, throwing a ball, or avoiding obstacles.

Robotics 1 (Starter)

Students will begin learning basic Robotics theory and design concepts through robot building and programming on the computer. Robotics 1 (Starter) will build up students' logical thinking, reasoning abilities and problem-solving skills. Students will be asked to solve a series of challenges by exploring the functionality of their robots and the programs they wrote during each class. Robotics 1 (Starter) is a hands-on program that will introduce basic robotics and programming with fun activities and in-class competitions! **No experience required.**

Robotics 2 (Developer)

Building upon their experience from Robotics 1 (Starter), students will utilize a combination of sensory add-ons to build more complex robots in solving seemingly impossible tasks. Robotics 2 (Developer) will develop the students' ability to work in a team where they will design computer programs to control the robot. Students will face fun yet challenging problems, and will therefore receive enormous satisfaction as they complete each challenge. **Requires completion of Robotics 1 (Starter)**

Robotics and Engineering

Are you curious about how robots or circuits are built? Join us in this exciting program where you will create your own tablet or robot by building and programming your own electronic board with sensors, motors, switches, moveable parts, Raspberry Pi and much more! Children will learn problem solving skills, programming language, as well as robotic design concepts.

Robots & Remote Controls

Interact with a variety of real life robots, remote control toys and other unique mechanical creations. Participants will also be introduced to programming to make robots perform a series of tasks. Very hands on, so much fun!

Rock Climbing

Are your kids climbing the walls? Send them to Armadale for fun and excitement on our climbing wall. Trained Instructors will teach participants the following fundamental skills, balance, agility, coordination, and core strength. **All equipment is provided.**

Program Name	Age	Location	Day	Time	Start Date	# of Classes	Course Code	Fee
Lego Mindstorm EV3 - Hands on Robotics level 2	10 - 16 yrs	Milliken Mills C.C.	Sun.	10:30 a.m. - 11:30 a.m.	Jul. 9	8	301882	\$141

		Armadale C.C.	Sat.	12:00 p.m. - 1:30 p.m.	Aug. 12	5	302045	\$107

Rock Climbing - Level 2

Participants are required to have successfully completed pre teen level 1 before registering for level 2.* Are your kids climbing the walls? Send them off to Armadale for fun and excitement on our brand new climbing wall. Trained instructors will teach participants the skills of rock climbing and will continue to work on balance, agility, coordination, and core strength. **All equipment is provided.

Stress Busters for Pre-teens

Improve your overall health and quality of life by exploring different methods of relaxation for the body, mind and emotions. Learn breathing exercises, stretches, meditation, and many more tools that will help you release tension, increase vitality, and become the best version of yourself. Find out how to overcome any challenge, and become your very own Super Human!

Table Tennis

A recreational program which will provide an opportunity to play table tennis with your friends. The fundamental movement skills taught are agility, running, balance, jumping, and coordination. **Table tennis bats are required.**

Tae Kwon-Do

The most practiced martial art world-wide. The art of Tae Kwon-Do is guided by the principles of self-respect, respect for others and non-violence. The student of Tae Kwon-Do is not only trained in the physical aspects of the art, but he/she must learn to develop self-control, courtesy, integrity, perseverance and an indomitable spirit.

Taekwondo- Multi-Level

The most practiced martial art world-wide. The art of Taekwondo is guided by the principles of self-respect, respect for others and non-violence. The student of Taekwondo is not only trained in the physical aspects of the art, but he/she must learn to develop self-control, courtesy, integrity, perseverance and an indomitable spirit. For those looking for the full Taekwondo experience this program is for you. **Promotion to higher belt levels will be held periodically. Extra fees for promotion assessment may apply. See the instructor for details.**

Tennis - Outdoors

An Ontario Certified Tennis Coach will conduct a series of group lessons for Beginner and Intermediate tennis players. The new concept, 'Actions Method' as endorsed by Tennis Canada will be used to teach beginners the basic fundamentals of the forehand and backhand ground strokes, the volley and the serve. For intermediate players the progression strokes of the offensive and defensive lobs, the smash, plus game strategy will be taught. 'Fun tennis play is the name of the game!' ***Bring your own racquet**

Tennis

This basic recreational tennis program is designed for both boys and girls interested in the game of tennis. Children will develop fundamental skills such as, agility, running, balance, jumping, and coordination. **Tennis racquet is required.**

Violin Lessons - Beginner

Every child can learn the violin! This program is based on the principles of Suzuki, taking a holistic approach to music-making that involves an active mind and healthy body. Children will be taught persistence, listening, observing and repeating through playing the violin. **Participants must bring their own violin**

Volleyball

Join us for a night of recreational fun. If you are a beginner, please join us and we will teach you a few volleyball techniques. Participants will learn important fundamental movement skills such as, jumping, running, coordination, agility, and leaping.

MARKHAM IN MOTION
Physical Literacy is as
important as your 123's,
ABC's and do-re-mi's!

Look for the **M** in Markham Life
magazine for recreation programs
that promote Physical Literacy.

YOUTH COUNCILS

Get involved in your community by joining one of Markham's youth councils. It's a great way to meet new people and have fun organizing events. Represent the youth community City-wide as part of the Markham Mayor's Youth Council (MMYC) or join a dynamic area-specific council that addresses the needs of youth closer to home.

A group of diverse and dedicated teens that provide local youth with a voice by providing input and developing initiatives that enhance youth opportunities within the City. The MMYC is dedicated to raising awareness and celebrating youth, as well as being a catalyst for change.

The MMYC is a branch of Markham Council run by youth. Members consist of the Mayor, Members of Council and youth from across the City.

Visit markham.ca for more information, or call 905-477-7000 x3930

Archery

This program is designed to teach adults basic archery skills and techniques. Qualified Instructors will introduce the fundamental skills of archery in a fun and safe environment. *All equipment is supplied.*

ART - Introduction to Drawing

The perfect class for ones who have always wanted to learn to draw but were afraid to take the plunge. Professional artist Glenn Bernabe teaches you the fundamentals of form, perspective, proportion, contour and composition in this four week class. Students will use conte, charcoal and ink and be introduced to specific exercises designed to develop drawing skills. The class will also include tours of the gallery of our current exhibition, On Your Mark, which includes sketches and drawings by F.H. Varley. *No materials provided.*

ART - Playing with Acrylics

Experience the amazing potential of acrylic paint, from stain painting to impasto, straight from the tube or mixed with mediums. Using a variety of painting techniques, participants will be able to create representational or non-representational works. *Materials not provided.*

ART - The Art of Pencil Pushing

Rediscover the sheer joy of drawing and shading with graphite. Delight in the glowing colours created by layering coloured pencils. Combine and experiment with watercolour pencils and a variety of papers to produce even more surprising effects. *Materials not provided.*

Art Xpress+

Play, explore and create through art and music in this extension program of Holland Bloorview's well-loved program Arts Xpress. This program is for 19-29 year olds with special needs and their siblings. This adapted program is led by professional artists, musicians and care workers and offers the opportunity to play, participate, and make friends in the spirit of collaboration through the arts. *This program is generously supported by Yveline Audemars & Humberto Rivero, and the Bigioni Family.*

Badminton

Here is your opportunity to come out and practice your badminton skills. You will learn agility, balance, running, jumping, and coordination. This is a recreational class so join us in a fun round robin each week. *Please bring your own badminton racket, birds are supplied.*

Badminton

An opportunity to play recreational badminton with players of varying skill levels. This program does not include instruction. *Birds supplied, racquet required.*

Badminton - Intermediate

This program has been designed for the more skilled player. This co-ed setting offers a friendly competitive atmosphere. *Birds supplied, racquet required.*

Ballroom & Latin Dance - Beginners

Learn modern ballroom and Latin American dancing. Our instructors will teach the fox trot, swing, waltz, cha-cha and merengue and many more as you advance. **Fee is per couple.*

Ballroom & Latin Dance - Intermediate / Advanced

Learn modern ballroom and Latin American dancing. This course is for couples who have learned the basic steps. **Fee is per couple.*

Ballroom & Latin Dance - Advanced

Learn modern ballroom and Latin American dancing. This course is for couples who have learned the intermediate steps. **Fee is per couple.*

For the ART programs

Supply lists where applicable for programs can be found at www.varleygallery.ca. Refunds must be requested 5 business days before the first day of class.

Basketball - Recreational

The program provides an opportunity for men and women to play recreational basketball. A 10 minute warm-up will be followed by a non-competitive game for the remainder of the class.

Bollywood for Adults

This program is ideal for those who wish to learn Bollywood dancing. Our instructor will lead you through a variety of dance steps each week with the goal of dancing full routines by the end of the session.

Computer - Hands on Hardware

Hands on Hardware will teach you everything you need to know to build your own desktop PC. This popular course will provide participants all the knowledge they need to choose the right PC hardware and put them all together! Understand the functionalities of components and learn how to assemble a computer from scratch. They will also receive the benefits of saving money in the future, when they learn how to purchase and piece together a system geared towards a specific need without overspending on unnecessary system parts.

Computer Programming

This course is intended for students who want to learn about object-oriented programming. Concepts presented are exemplified using the Turing, Qbasic and Visual Basic programming language. Knowing the basics of these languages will ensure a solid start to programming.

Computers - Basic Excel

Participants will be able to create, format and edit some basic charts and spreadsheets in Excel after completing this course. The course will also focus on simple formulas, creating charts and changing the appearance of data in spreadsheets.

Computers - Basic Word

Learn to use the powerful features of this word-processing application to create documents, letters, reports, resumes and flyers. Learn to format text, paragraphs, lists, columns, and insert tables, shapes and graphics to improve your documents. Start to use shortcut keys to increase your speed and confidence in using Word.

Computers for the Beginner

This course is designed for individuals who have little or no experience with computers. Topics include introduction to Windows and application software packages including - Microsoft Word (word processing) and Excel (spreadsheets) and introduction to the internet. Classes are instructor-led and are conducted in a hands-on format.

Dissolving Stress for Adults

Improve your overall health and quality of life by exploring different methods of relaxation for the body, mind and emotions. Learn breathing exercises, stretches, meditation, and many more tools that will help you release tension, increase vitality, and become the best version of yourself. Find out how to overcome any challenge, and become your very own Super Human!

Drawing: The Art of Composition and Beyond

This program is suitable for both beginners and experienced artists. Learn how to use proportion, achieve three-dimensional focus through volume, and learn how to use space and shading. Various techniques such as value, light, principle in design and composition will be explored. Subject matter will include familiar everyday objects to architectural detail.

Drumming

Our qualified instructor will lead you through basic drumming skills to enable you to play along with your favourite songs. 4:1 student to instructor ratio will ensure one on one time in a small group setting. *Electronic drums are provided.*

Fencing

This program will introduce you to the exhilarating sport of fencing. Lead by trained instructors, we will teach you a variety of skills and techniques in a fun and safe environment. *All equipment is provided. Lead in combination with preteen class.*

Fusion Dance - Women Only

This is a fusion of international inspired dancing that blends dancing and music that results in a workout that is great for the mind and body. Dances include combination of Bollywood, Jamaican, line dancing and Latin dance. This class will motivate participants to be fit, reduce weight and at the same time learn and enjoy international dance. *The program is held in closed room to ensure a private environment for women only.*

Guitar Lessons - Beginner

Basics taught will cover note learning on all six strings, basic chords and simple songs employing right hand finger style and picking techniques for the beginner. Some basic theory will also be covered. Ear training will be introduced in this course. *An acoustic guitar is required by each student at every class.*

Hip Hop Dance

Learn the latest dance moves. Put on your sneakers and get funky! It's not just for teens anymore!

What better way to enjoy the weather than hit the beach volleyball court. Instructor lead programming will facilitate warm up activities and fun game play.

Magic

Learn advanced moves, misdirection, palming and professional techniques. Whether you wish to learn to do card flourishes, vanish cards, or make cards appear out of the air. *No experience required, bring your own playing cards and coins and lets get started.*

Muay Thai - Kickboxing

Muay Thai is referred to as the martial art of eight limbs as it effectively uses punches, kicks, elbows, and knee strikes. This class is designed for those who have an interest in 'kick' starting their Muay Thai journey. Participants will take part in a variety of traditional Muay Thai exercises as well as drills to develop proper striking technique from head to toe while also increasing endurance and strength. These techniques will be developed through a number of teaching styles such as: shadow boxing, focus mitts, kick pad work and non-contact reaction based countering. **Boxing gloves and hand wraps are provided.*

Museum Pottery - Ceramic Bird Feeder

Here's something to tweet about! Create a beautiful ceramic bird feeder for all your feathered friends this summer in our beautiful pottery studio. Led by our professional pottery instructors, you'll learn a variety of techniques in a fun and relaxed environment. *Includes all supplies for one bird feeder and firing.*

Museum Pottery - Introduction to Pottery

Spend some 'me time' in our Pottery Studio and explore the wonderful world of clay in a fun and relaxed environment. Together with our professional artist instructor, methods of hand building such as sculpting, surface decoration, slab building and coiling will be explored. Participants will also have the opportunity to try the pottery wheel. While mastering basic pottery techniques, we will complete a variety of projects such as bowls, mugs and vases. *This is the perfect class for beginners and those looking to build on their skills. Includes all supplies and firing.*

Museum Pottery - Intermediate Hand-Building

This course continues to develop the skills learned in Introduction to Pottery and for others that have previous hand-building experience. Techniques such as slab building, coiling, and pinch pots will be built upon to allow you to create bigger and more complicated forms. *Includes all supplies and firing costs.*

Museum Pottery - Wheel Throwing

Learn how to use the pottery wheel! Classes will focus on throwing on the potter's wheel. Techniques covered include centering, creating different forms such as bowls, plates, vases and mugs. We will also explore sculptural elements, handle making, surface decoration and glazing techniques. *No experience required. Includes all supplies and firing.*

Museum Pottery - "Get Centered" Wheel Throwing Workshop

All work and no play? Get centered this Summer at our Pottery Studio. Learn an incredible new skill in a relaxed environ-

ment. Our professional instructor will teach you all the basics to throw your own shapes on the pottery wheel and how to make pinch-pots. *Includes all supplies and firing.*

Real Estate Investing 101

Want to create income and build long term wealth? Get the fundamentals of investing in Real Estate and learn how to make more money from your properties. This course is instructed by Real Estate Investment experts who share the advantages of investing in real estate and teach a number of proven strategies.

Table Tennis

A recreational program which will provide an opportunity to play table tennis with your friends. *Table tennis racquets are required.*

Taekwondo- Multi-Level

The most practiced martial art world-wide. The art of Taekwondo is guided by the principles of self-respect, respect for others and non-violence. The student of Taekwondo is not only trained in the physical aspects of the art, but he/she must learn to develop self-control, courtesy, integrity, perseverance and an indomitable spirit. For those looking for the full Taekwondo experience this program is for you. *Promotion to higher belt levels will be held periodically. Extra fees for promotion assessment may apply. See the instructor for details.*

Tai Chi - Beginner

The Chinese exercise art form that gently mobilizes every muscle and joint in the body. Improves circulation, co-ordination, muscle tone, flexibility, concentration and promotes relaxation. *Tai chi style at Centennial, Markham Village and Milliken and Armadale location is Yang's Style Tai Chi.*

Tennis

This recreational tennis program is designed for men and women interested in learning the game of tennis. Each session will consist of a warm-up, skill development and game play. *Tennis racquets required.*

Videography - Making the Best from Your New GoPro

Are you interested in composing excellent videos? Learn some basic video skills including framing, positioning, and fun alternatives to give your video the aesthetic it deserves.

Volleyball - Competitive Co-Ed League

Join us for action on the court as we host the always popular COMPETITIVE CO-ED (minimum 2 females per team) Volleyball League. *Individual registrants welcome. ON-SITE registration will not be accepted. There are 2 tiers in the league, each week the team plays for 2 hours of court time with rotations.*

Volleyball - Instructional

Are you a beginner or novice volleyball player and wish to improve your skill and techniques? Join us for an evening of instruction, followed by game play!

Watercolour for All - Beginner

An introduction to the diverse medium of watercolour painting. The program is designed to develop a sense of confidence and knowledge in the beginner watercolourist. Explore the fundamentals of BASIC colour theory and mixing, composition, value study, and a review of BASIC techniques. A strong hands-on approach with individual assistance and entertaining demonstrations will bring out the painter in you!

Cake Decorating - Level 3

This program is for participants who have completed both Levels 1, 2 & 3 of Cake Decorating. This class will feature working with and the handling of fondant icing.

Gourmet Cooking

Learn to make healthy and easy gourmet meals using a great blend of flavours and ingredients. This is an interactive cooking program which will lead you through the steps to create meals to be remembered.

Italian Essentials

In this course we uncover the foundations of delicious regional Italian cooking. Learn the basics of traditional sauces, homemade pastas, rippling risottos and the skilful use of herbs and spices. We will use first class ingredients to create mouth watering dishes. **Additional \$45.00 food costs payable the first night.**

Jamaican Style Cooking

Learn the basics of Jamaican Style dishes. **Additional \$45.00 food costs payable the first night.**

Just Desserts

Desserts of all kinds, baked, refrigerated, frozen. You name it! We will do pastry, cookies, muffins, cakes, and so much more. Always using the freshest ingredients with ideas galore you'll never be at a loss for a tasty treat again! **\$45.00 payable to the instructor for food costs is extra.**

Stir Fry Cooking - Chinese Style

Learn this easy and nutritious cooking method which is low in calories yet high in flavour. Three main dishes will be taught nightly. Cooking tips and recipes will be included with each class. **Additional \$45 food cost.**

Cardiac Rehabilitation

An ongoing cardiac rehab support program designed for patients who have completed a medically supervised Cardiac Program or have been recommended by their physician to become more active to combat cardiovascular disease. There will be two components to the class program involving walking a track and in class resistance training. The instructors of this program carry the certification of Certified Exercise Physiologist designated by the Canadian Society of Exercise Physiology (CSEP). **Detailed health questionnaire must be completed and a meeting with the class instructor arranged before the potential participant can join the class. For further details please contact Kristen Levy (klevy@markham.ca) 905-477-7000 x4541**

Chronic Pain Management - Educational

This 4 week dry land classroom session will help conditions like Fibromyalgia, Musculoskeletal Pain/Injuries (including hips, knees, shoulders and spine), motor vehicle accident related injuries, disc injuries, sacro-iliac dysfunction and other health conditions through a four week educational workshop. You will develop new skills for pain management, nutrition, creating mind-body connection, stress management and postural/body awareness using proven techniques for success. Chiropractic Doctors and exercise therapists will help you to understand the challenges you face and offer potential solutions. In these four sessions doctors will assist you in regaining function while more effectively controlling your pain. **This program is a pre-requisite to the Chronic Pain Management - Aqua Rehab program**

Chronic Pain Management - Aqua Rehab

Fibromyalgia and other chronic pain conditions can be very disabling. Aqua therapy is well researched as a gateway to better health and has long been revered for its effectiveness in increasing function and decreasing pain. The Chiropractic Doctors running this pro-

gram will help decrease your pain, increase your energy and reclaim your life. Specific exercises will be shown to you to increase your flexibility, strength and function. You will also be taught which movements to avoid, both in the pool and in your regular activities of daily living in order to prevent your pain from recurring. The support of the Chiropractic Doctors as well as the other participants also adds to the joy of this experience. **MOVE MORE; ENJOY LIFE.** This class will be held in the warm therapy pool at Cornell

Caregiver Workshop Series

Join us at Armadale Community Centre for our series of Caregiver Workshops in partnership with the Social Services Network. These free workshops will cover topics such as Navigating the Health Care system, Changing Behaviours, Power of Attorney, Self Care, and more.

Important:

Children will be grouped according to their age and skill level. C.S.A. approved hockey helmets are MANDATORY. NOTE: Bicycle and ski helmets are not acceptable. Ski gloves/mitts and warm clothing are required. Face masks are MANDATORY for those 5 years of age and under. Failure to arrive at class with proper equipment will result in non-participation. Participants must bring their own skates.

Learn to Skate - Private

An introductory program for adults who wish to learn the basics of skating.

Learn to Skate - Family Lessons

This beginner skating program is for the whole family. Participants will be taught various skills to increase their skating ability. Families will be taught together by an Instructor. C.S.A. Fee is per person. PARENT PARTICIPATION IS REQUIRED

Learn to Skate - Preschool

A Beginners skating program designed to introduce basic skating skills to preschoolers. The children gain confidence in their skating abilities through various activities. PARENTS DO NOT PARTICIPATE

Learn to Skate - Children

See Learn to Skate - Preschool.

Learn to Skate - Pre-Teen

A beginners skating program designed to introduce basic skating skills to youth. The participants gain confidence in their skating abilities through various activities. Face masks recommended.

Learn to Skate - Adult

An introductory program for adults who wish to learn the basics of skating. Ski gloves/mitts and warm clothing are required.

Learn to Skate - Private

See Learn to Skate - Adult.

Junior Introduction to Hockey

See Introduction to Hockey and Participants must know how to skate. PARENTS DO NOT PARTICIPATE

Introduction to Hockey

This course allows participants an opportunity to explore the game of hockey before committing to a team or league. The program will cover the basic skills according to the Canadian Hockey Association (C.H.A.). This program is available for male and female beginner players.

Power Skating - Children

Instruction is provided by qualified staff in power development, power strides, starting, stopping, lateral mobility and power drills. Skills also taught in this program are, balance, agility, and coordination. This is an excellent opportunity to increase your skating skills. Participants must be able to skate unassisted and have a desire to improve their speed and skating skills.

Power Skating & Hockey Skills

This program is specifically designed for adults who wish to enhance their skills in hockey and ringette. The course consists of warm-up activities, skating and stick-handling drills, and game play. Fundamental movement skills taught in the class are, coordination, agility, and balance. The program is intended to maximize ice time for participants.

Fitness Classes

Summer 2017

Please note that fitness club members do not use the class codes listed below, but should obtain their list from fitness centre staff.

Boot Camp

Our boot camp has been designed to elevate your heart rate with cardio, core and strength drills. This high intensity training will be sure to energize and assist with your own specific fitness goals. If you are ready to push yourself and train hard, our Boot Camp is for you! *Please note that equipment and drills will vary from location to location.*

Bootcamp - Ladies Only!

Ladies, are you looking for a challenging workout that can show results? This total body workout, designed just for women, can reduce weight and stress and tone muscles through core conditioning, drills, circuits, strength training and stretching. Make the commitment to a better you!

Bootcamp - Ladies Only Outdoor

See above.

BOSU and You

The BOSU (both sides up) will be used throughout this 50 minute class as the ultimate piece of equipment to challenge balance, agility and core strength. The class also includes lots of stretching for improved flexibility.

Bottoms Up

This challenging class is designed to firm and tone your lower body. You will use hand weights, body bars, exercise bands and stability balls to build lower body strength and core power. *Join the companion class 'Up in Arms' on Tuesday at 1:00 pm at Centennial.*

Cardio Dance

Dance and work out at the same time. This is a hip and fun, high energy class that will have you dancing all the way home. From disco to the 60s to salsa to today's top hits, burn those calories while learning new and funky dance moves.

Cardio Kick Boxing

This is a high intensity cardio workout that combines boxing and kicking techniques with more traditional exercise moves. A safe, exciting, challenging program that will burn calories, build cardio-vascular endurance and muscle tone and strength while helping to improve coordination and balance.

Cardio Mix

Mix up your cardio routine! This class is a mix of fairly intense hi/lo cardio of at least 40 minutes in length. The cardio segment may include such elements as traditional cardio, athletics, boot camp or kick boxing exercises. The remainder of the class is spent on total body conditioning, stretch and relaxation.

Cardio Salsa

The thrill of Latin dance and the heart-pounding rhythms of the Caribbean will make this dance-based workout an exciting addition to your fitness routine. Grab your gym shoes and come put some 'pep' in your step! *Absolutely no dance experience necessary!*

Circuit Blast

Make the most of your time with this super effective routine. Move from one location to another within the class challenging your muscles and cardiovascular system. Improve your mobility, strength and stamina. This class consists of warm-up, a mix of cardio and strength training exercises.

Core Strength and Stretch

Balance your way to a stronger body. Using proper technique with the BOSU and stability ball, you will target your essential core muscles to improve posture, alleviate back pain, improve your balance and be less prone to injury and falls.

Cycle and Stretch

More than just a cycle class! A combined 30 minute cycle class followed by 30 minutes of stretching. Our classes are lead by certified cycle/group fitness instructors. Build stamina, burn fat, and strengthen glutes, quads, hamstrings and calves. *Please wear comfortable clothing, exercise footwear and bring a bottle of water and a towel to class.*

Cycle Fitness

Ride your way to fitness. Our classes are lead by certified cycle instructors. Build stamina, burn fat, and strengthen glutes, quads, hamstrings and calves. **Please wear comfortable clothing, exercise footwear and bring a bottle of water and a towel.**

Falls Prevention

Injuries as a result of falls are an ever increasing hazard within the aging population. This program is devoted to improving balance, stability, co-ordination, mobility and ease of movement, all of which are vital in the prevention of falls. Understanding how strength and core work contribute to each of these components will be a fun adventure. Come on in, and improve your balancing act!

Forever Fit

We can be fit and vital at any age. This class is for those 55 years of age and older who are looking for a challenging workout in a safe environment. The cardio component will enhance heart and lung function. The class will help to improve balance, flexibility, bone density, power and coordination while increasing injury protection.

HIIT - High Intensity Interval Training

High Intensity Interval Training (HIIT) is a workout that uses bursts of high-intensity exercise with brief rest periods to maximize caloric burn in a short amount of time. **Be sure to bring a towel and a water bottle.**

Latin - Belly Dance Fusion

This **ladies only** class combines Latin rhythms and belly dancing in a fun, cardio burning dance based class. Please wear your exercise shoes in class.

Low Impact - Beginner

A great class for the novice or someone returning to fitness. This class includes a light to moderate cardio segment for at least 20 minutes. The class also includes a moderate muscle conditioning component and ends with a stretch and relax segment; burn calories, build muscle and improve flexibility.

Low Impact - Intermediate

Suited to the more advanced participant. Cardio and muscle conditioning are more intense than in the beginner class. The instructor will provide modifications for all exercises.

M.E.N.D. (Movement and Exercise for Neurological Disorders)

This specialized wellness/fitness class is for those living with or recovering from neurological disorders such as stroke, acquired brain injury, Parkinsons or MS. Our instructors are trained (T.I.M.E. training program) to provide exercise in a safe and supportive environment to help you reclaim your body and perform your daily tasks. The small class size will enable individual attention. **Participants must be able to walk a minimum of 10 metres with or without an assistive device. Pre-screening is mandatory. Please contact Barb Lant 905-477-7000 ext. 4344 for more information.**

Muay Thai - Kickboxing Program

See "Muay Thai - Kickboxing" on page 91.

Muscle Conditioning

This class offers a safe and effective strength workout (no cardio) for men and women which will build bone mass, increase muscle strength and improve muscle tone. Equipment such as body bars, stability balls, BOSU, hand weights and exercise bands is supplied and will vary according to location. **This format is suited to all fitness levels.**

Please note that fitness club members do not use the class codes listed below, but should obtain their list from fitness centre staff.

Muscle Works

This is a strength training workout for all major muscle groups utilizing hand weights, body bars, resistance tubing, stability balls, cardio circuits and individual body resistance to improve muscle and core strength. This muscle conditioning class includes some cardio. *Equipment will vary according to location.*

Nia - Wellness Thru Movement

Discover the transformational power of joyful and purposeful movement. Nia blends an invigorating cardiovascular workout with global dance forms, martial arts, yoga, creative movement and powerful imagery. Blending aerobic exercise and conditioning and the therapeutic benefits of body integration therapies, this holistic fitness program creates a new sense of well-being for all ages and fitness levels. *The course will be taught by a certified Nia instructor.*

Obstacle Race Training

Get yourself race ready with a complex training program that includes sprint, hills, endurance and total body strength training. Training program will take place indoors and outdoors at various locations in Markham. *Sign up for a race is optional but recommended!*

Osteoporosis Exercise

Bone is living tissue and responds to exercise by becoming stronger. Two types of exercise maintain and build bone mass and density: weight bearing and resistance exercise. If you have been diagnosed with bone degeneration, this class can help you maintain and build bone mass.

Pilates - Level I

Pilates (Pi-laa-teez) offers a functional approach to strength and flexibility training with exercises created to strengthen abdominal and back muscles while developing pelvic stability and abdominal control. Pilates increases flexibility and strength, improves posture and coordination and harmonizes mind and body. *Please wear comfortable clothing. No footwear is worn during the class.*

Pilates - Level I Men Only

Pilates (Pi-laa-teez) offers a functional approach to strength and flexibility training with exercises created to strengthen abdominal and back muscles while developing pelvic stability and abdominal control. Pilates increases flexibility and strength, improves posture and coordination and harmonizes mind and body. *Please wear comfortable clothing. No footwear is worn during the class. MEN ONLY*

Pilates - Level II

Pilates - Level I - Fundamentals is a prerequisite for this class. A great class for intermediate participants. Develop greater strength, flexibility and coordination and build on the fundamentals learned in Level I.

Pilates - Level III

This class is for the elite Pilates enthusiast only. The class will concentrate on the 'classical' Pilates exercises. *Prerequisite - experience from our Level I and Level II programs.*

Pilates - Paced level

Work on the more technical aspects of your Pilates practice through the introduction of core foundation exercises and progressions from basic to more advanced programming. link breath and movement while addressing alignment and strength. This course is particularly appropriate for the older adult and those who enjoy more detailed, hands on application.

Pilates and the Ball

Add a new dimension to your Pilates program. This class will combine traditional Level II Pilates exercises with the additional challenge of Pilates exercises on the stability ball. *Balls are supplied. Prerequisite - Participants must have completed Pilates level I and II before registering for the Pilates and the Ball class.*

Please note that fitness club members do not use the class codes listed below, but should obtain their list from fitness centre staff.

Pilates Challenge

This 40 minute class is for experienced Pilates enthusiasts only. Challenge your core with advanced level II exercises with the added challenge of some equipment. **Successful completion of Pilates I and II is essential for this class.**

Pound Workout

Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising, POUND® transforms drumming into an incredibly effective way of working out. Instead of listening to music, you become the music in this exhilarating full-body workout that combines cardio, conditioning, and strength training with yoga and pilates-inspired movements. Designed for all fitness levels, POUND® provides the perfect atmosphere for letting loose, getting energized, toning up and rockin' out! **The workout is easily modifiable and the alternative vibe and welcoming philosophy appeals to men and women of all ages and abilities**

Pure Cardio

Be sure to bring a full water bottle and be ready for an intense workout. Burn those calories with a variety of cardio moves such as cardio kick boxing, jump rope, Bosu and plyometrics. The class format includes sufficient warm up and cool down and appropriate stretching.

Pure Energy

Be sure to bring a full water bottle and be ready for an intense workout. Burn those calories with a variety of cardio moves such as cardio kick boxing, jump rope, Bosu and plyometrics then work those muscles with a challenging conditioning/strengthening

component. The class format includes sufficient warm up and cool down and appropriate stretching.

Relax and Stretch

Take some time to reduce your stress and improve your flexibility. It is extremely important to maintain muscle flexibility. This class will concentrate on all major muscle groups. **There is no cardio component in this class. (Please bring a blanket.)**

Stability Ball

Would you like to develop core strength and stability, improve your posture, improve muscle tone and definition and increase your mobility and flexibility? Join our stability ball class. Hand weights and exercise bands will also be used in the class. **Please note: If you are new to muscle conditioning, it is recommended that you attend our muscle conditioning class before advancing to our stability ball class.**

Step Beginner

Experience this great cardio exercise format. Learn basic stepping. The class includes cardio and muscle conditioning components.

Step Challenge

Variety, challenging choreography and a great workout in a fun environment, this class includes both cardio and muscle conditioning. **Previous step experience is necessary.**

Step Dance

If you have step exercise experience and love to dance, you will enjoy this class. The traditional step format is enhanced with choreographed dance moves to give you a great cardio workout. This class also contains a muscle conditioning component.

Step Interval

Have you mastered basic step moves and looking for a increased challenge? Join our step interval class and learn more choreograph and increase your intensity. This class alternates between choreographed step segments and cardio intervals, finishing off with muscle conditioning. **This class suits all fitness levels, but basic step experience is required.**

Synergy Fitness Class

Synergy Exercise Class - Our knowledgeable fitness staff will take you through a 45 min high intensity circuit training workout using our new Synergy Unit. Exercises will include the use of battle ropes, punching bag and other specialized equipment. Prepare to sweat!

Up in Arms

This challenging class is designed to firm and tone your upper body. You will use hand weights, body bars, exercise bands and stability balls to build upper body strength and core power. **Join the companion class and concentrate on the lower body in 'Bottoms Up' on Tuesday at 1:00 pm at Centennial.**

Walking with Poles

Are you looking for a new full body cardio workout? When used with appropriate technique, walking with poles increases your cardiovascular workout by 25% and burns up to 400 additional calories. This class is an outdoor activity using high quality walking poles and with technique instruction by a certified fitness instructor. **Participants must be able to sustain a medium to fast walking pace for fifty minutes. Poles are provided and the program will be offered rain or shine.**

Please note that fitness club members do not use the class codes listed below, but should obtain their list from fitness centre staff.

Walk Fit

Walking is perhaps the best thing that Canadians can do for their health. 10,000 steps a day is the current accepted minimum to provide good health. Join our indoor, instructor-lead, walking program which will incorporate indoor walking poles and start to walk your way to a healthier you. **Our program is held on the indoor track at Cornell CC.**

Yoga - Level 1 Outdoor

A gentle non-competitive approach to physical fitness utilizing strength, flexibility and stamina. Proper body alignment, breathing and relaxation techniques will also be taught throughout the program. **Participants must bring their own yoga mat to class. Classes offer the Hatha style. Class is held outdoors.**

Yoga - Level 1

A gentle non-competitive approach to physical fitness utilizing strength, flexibility and stamina. Proper body alignment, breathing and relaxation techniques will also be taught throughout the program. **Participants must bring their own yoga mat to class. Classes offer the Hatha style.**

Yoga - Level II

This class is for both beginners and intermediate participants. This combined class is good for people that are in between levels and is a great way to deepen your practice.

Yoga - Level III

If you're ready to move onto some more challenging positions, yoga intermediate might be right for you. **Participants must bring a yoga mat and blanket to class. Hatha style is taught.**

Yoga - Meditative

Yoga is a gentle way to exercise the body. Through this program participants will learn the art of breathing, relaxation and meditation. A large portion of this program will be dedicated to focusing and breathing.

Yoga - Relax and Renew

Many people live in a chronic state of stress that affects their quality of life, compromises their body and leaves them vulnerable to illness and injuries. Yoga techniques such as conscious breathing, relaxation, subtle Yoga

movements and meditation will be used during this class to stimulate and sooth the organs, improve the immune system and release stress and tension.

Yoga - Restorative

Restorative yoga poses are 'active relaxation' poses that are designed to enhance deep relaxation and promote proper alignment and healing for the whole body. The postures are held longer than other postures to allow the spine and body to realign itself and promote healing. Props, such as pillows, straps, blocks or blankets are used to support the body and allow for the release of stress and tension.

Zumba

A fusion of Latin-inspired dance/fitness that blends music and dance into a workout that is great for both the body and the mind. Join us in this high energy cardiovascular workout that combines motivating music and a fun way to get fit. **No previous dance experience required.**

<p>* PFD: Personal Floatation Device ** The facility swim test includes, but is not limited to, swimming a minimum of 25 metres.</p>			

What You Should Know

Change Room Requirements Children 7 years or older are required to use the change room of their own gender. If this is not suitable, please see facility staff to make alternate arrangements. Universal Change Rooms are available at the following pools only: Angus Glen, Centennial, Cornell, Thornhill Therapeutic Pool and Thornlea Pool.

Serious Medical Conditions Those with seizure disorders or other serious medical conditions should be accompanied by an individual who knows of their condition and is responsible for their direct supervision.

What to Wear Proper bathing attire required. This means clothing used for swimming only – no street clothes, shoes or undergarments. Children who are not toilet trained must wear swimmer pull-ups (e.g. Huggies, Gabby's.) These may be purchased at the pool. Disposable and cloth diapers are not permitted.

Pool Rental For more information about pool rental for birthday parties and other events, please call the Customer Service Representative at your local pool.

Screening for Swim Levels Are you unsure of which level is right for your child? If your child has learned to swim without instruction or has been out of lessons for a year or more, you can request a free screening from the supervisor at the start of any scheduled recreational swim.

A Family is defined as adults, plus children 15 years of age and under. (maximum 6 people, up to 2 adults per family).

Individuals with special needs: each individual is permitted to bring their caregiver to the facility. The caregiver will be admitted at no charge. Regular admission ratios apply.

A caregiver is a person 15 years of age or older.

No inflatable rings, tubes, water wings and/or toys are permitted during our swims.

Drop-in Swim Descriptions

Lane Swim Open to all individuals 6 years of age and older, the pool is to be accessed for fitness swimming. Participants 6-9 years old that have completed the admission swim test (must be able to complete at least one continuous length of the pool unassisted), may swim independently. The pool is set up for participants to swim lengths of the pool. Lanes are set up as fast, medium and slow.

Parent & Tot The wading pool is open and accessible to a parent or guardian (15 years +) and preschooler up to 7 years old. The swim admission policy applies.

Recreational Swim Open to children and adults for recreational swimming. Swim admission policy applies.

Splash Only Our splash pad area is available for the public to use during specified instructional lessons located at Angus Glen and Cornell Community Centre. This area may be used by preschoolers up to 7 years old with their guardians (15 years +) The splash pad area is also a feature provided during our recreational swim times. Those wishing to use the splash pad area during recreational swim times will be required to pay admission.

Therapy Swim Open to all individuals interested in accessing the Therapeutic Pool to do light water exercise or stretching in a warm water environment. The Therapeutic Pool is especially helpful for individuals with arthritis and fibromyalgia, because the warmth helps relax muscles and diminish pain and stiffness. This program is available only at our therapeutic pools.

Endurance Lane Swim (Pan Am Pool) Open to all individuals 10 years of age and older, the pool is to be accessed for endurance fitness swimming. The pool is set up for participants to swim lengths of the pool. Lanes are set up as fast, medium and slow.

For definitions, please see "Aquafit Programs" on page 104.

Aquafit Programs

Aquafit - Aqua Stretch

A program designed for gentle water stretching, range of motion exercises, muscle strengthening and relaxation techniques. Takes place in a warm pool with a water temperature over 90 degrees Fahrenheit.

Aquafit - Deep

Deep Water Aquafit is a water exercise class set to music and is open to individuals who are 16 years of age or older. Those under 16 years of age who display behaviour appropriate to the class may participate.

Aquafit - Diaper Fit

A program designed for parents with babies. Floatation seats are provided so that parents can participate in a shallow water aquafit

class and have babies within arms reach. Babies must be able to sit upright on their own. This is a great way to get fit, have fun, and enjoy time with your child. **For children who are not toilet trained, they must wear swimmer pull ups (e.g. Huggies, Gabby's.) These may be purchased at the pool. No diapers, disposable or cloth, are permitted.**

Aquafit - Hip & Knee

For people coping with hip & knee joint injuries or degeneration.

Aquafit - Kick Butt Cardio

Fast paced cardio class while wearing flip-pers. **Comfort in deep water required.**

Aquafit - Oh My Aching Body

Recommended for people with arthritis, fibromyalgia, osteoporosis and related conditions and need to exercise in warm water. Surround yourself with the warm water in the Therapy Pool and do gentle stretches and functional exercises. Breathing and relaxation will be incorporated into the class.

Aquafit - Older Adult

This is a low intensity water exercise class set to music. It is designed to meet the fitness needs of older adults with a variety of mobility restrictions and exercise needs. The class is 45 minutes in length, followed by 15 minutes of unstructured stretching time.

Aquafit Programs

Summer 2017

Aquafit - Shallow

Shallow aquafit is a water exercise class set to music and open to all individuals 16 years of age and older. Those under 16 years of age who display behaviour appropriate to the class may participate.

Aquafit - Shallow/Deep

Shallow/deep aquafit is a water exercise class set to music and open to all individuals 16 years of age and older. Those under 16 years of age who display behaviour appropriate to the class may participate.

Aquafit - Water Pilates

This program offers participants the opportunity to strengthen abdominal and back muscles and work on flexibility while exercising in a shallow warm water environment. This aquatic exercise program improves pelvic stability and abdominal control while encouraging participants to work on harmonizing mind and body.

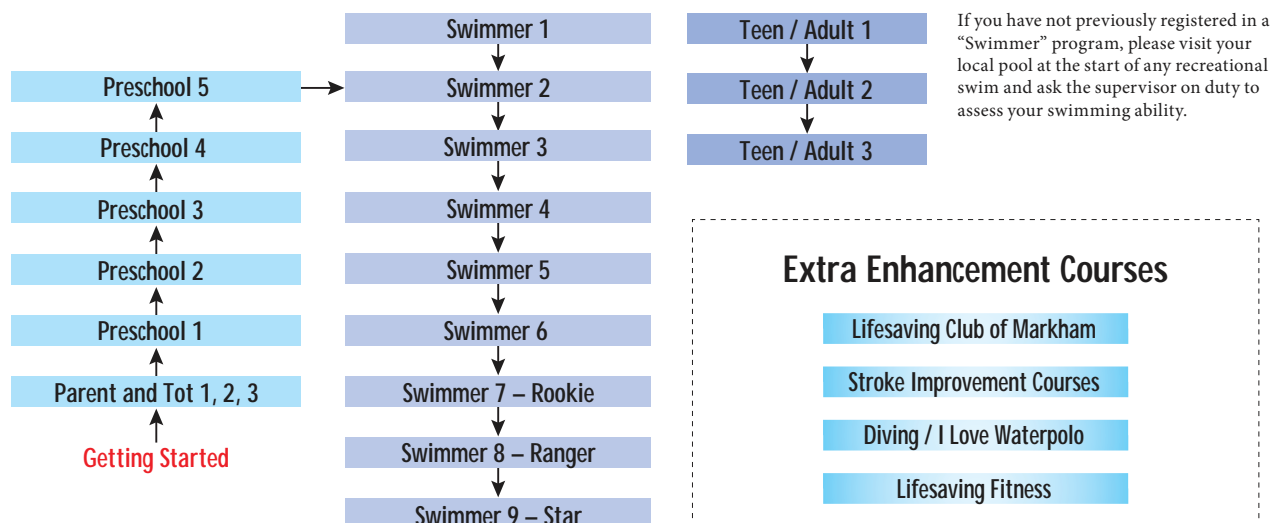

Aquafit - Water Yoga

Learn basic moves to create the whole new aquatic experience that enables you to 'understand' the water. Focuses on techniques to improve posture, breathing, flexibility, core stabilization, coordination and muscular endurance using the soothing properties of the water.

Preschool Swimming

Parent and Tot 1

► **Ratio: 12:1; Age: 3-12 mths.**

Spend quality time with your child while you both have fun, learn and socialize in the water. Through structured in-water interaction between parent and child, we stress the importance of play in developing water-positive attitudes and skills. We provide Lifesaving Society Water Smart® tips on keeping your child safe in any aquatic setting. *Parent & Tot 1 is designed for the 3month to 12month old.*

Parent and Tot 2

► **Ratio: 12:1; Ages: 1-2 yrs.**

See above. *Parent & Tot 2 is designed for the 12month to 24month old.*

Parent and Tot 3

► **Ratio: 12:1; Ages: 2-3 yrs.**

See above. *Parent & Tot 3 is designed for the 2year to 3 year old.*

Preschool 1

► **Ratio: 4:1; Ages: 3-5 yrs.**

These preschoolers will have fun learning to get in and out of the water. We'll help them jump into chest deep water. They'll try floats on their front and back, and glides on their back while wearing a Personal Flotation Device. They'll learn to get their face wet and blow bubbles underwater. *Prerequisite: 3-5 years old. We allow the parent to participate in the water until their child lets them know they can do it themselves. Swim All Year courses available. Prerequisite: 3-5 years old*

Preschool 2

► **Ratio: 4:1; Ages: 3-5 yrs.**

These preschoolers learn to jump into chest deep water by themselves, and get in and get out wearing a Personal Flotation Device. They'll submerge and exhale underwater. While wearing a Personal Flotation Device they'll glide on their front and back. *Swim All Year courses available Prerequisite: 3-5 years old and completed Preschool 1*

Preschool 3

► **Ratio: 5:1; Ages: 3-5 yrs.**

These youngsters will try both jumping and a side roll into deep water while wearing a Personal Flotation Device. They'll recover objects from the bottom in waist-deep water. They'll work on kicking and gliding through the water on their front and back. *Swim All Year courses available. Prerequisite: 3-5 years old and completed Preschool 2*

Preschool 4

► **Ratio: 6:1; Ages: 3-5 yrs.**

Advanced preschoolers will learn to do solo jumps into deeper water and get out by themselves. They'll do side roll entries and open their eyes underwater. They'll master a short (3-5 m) swim on their front and gliding and kicking on their side. *Swim All Year courses available. Prerequisite: 3-5 years old and completed Preschool 3*

Preschool 5

► **Ratio: 6:1; Ages: 3-5 yrs.**

These youngsters get more adventuresome with a forward roll entry wearing a PFD and holding their breath underwater for up to 10 sec. They'll work on longer front and back crawl swims, interval training and get a giggle out of whip kick. *Swim All Year courses available. Prerequisite: 3-5 years old and completed Preschool 4*

Underwater Hockey - Jr.

► **Ratio: 6:1; Ages: 3-5 yrs.**

Only in Canada would you have the opportunity to play this fun and exciting sport - underwater hockey. Lead by coaches and lifeguards, participants will have the chance to play hockey in the kiddie pool at Milliken Mills Pool. *No experience necessary.*

Children Swimming

Family Swim Lessons - Basic

Tired of waiting around the pool for each one of your children to finish lessons at a different time? This unique new program allows you to learn to swim with or without your children at the same time. *All participants must be in the Swimmer 1 or 2 level.*

LCM - Junior and Youth Try it session

The Lifesaving Club of Markham is currently offering try-it sessions for youth ages from 7 - 15 who are interested in participating in lifesaving sport. This one-hour session during the P.A Day that will allow youths to try out different events and put their skills to the test. *Lifesaving experience is not required.*

Mermaid Swim

► **Ages: 6-12**

Learn to swim like a mermaid! This 45 minute session includes fun, games and basic mermaid skills. Mermaid tails provided. Please arrive 15 minutes prior to the lesson to get measured for the fins.

Private Lessons - Series

Private lessons are geared to children 5 years old and older and adults who are in Swimmer Levels 1-6 or Stroke Improvement. Private lessons are ideal for participants who need a little special attention on a specific stroke or skill to advance to the next level. Private lessons are one on one with an instructor for 30 minutes. *Semi-private lessons are also available however should be of same age and level. Participants are responsible for arranging the 2nd person (e.g. sibling, friend, etc.) To register for semi-private lessons, first register for an available private lesson then call the Contact Centre at 905-475-4731 to add the 2nd person.*

Swimmer 1

► **Ratio: 8:1; Ages: 5-12 yrs.**

These beginners will become comfortable jumping into water with and without a Personal Flotation Device. They'll learn to open their eyes and exhale underwater, and gain the skills to confidently get objects off the bottom. They'll work on floats and moving through the water on their front and back. Swimmer 1: 8 children to 1 instructor, Swimmer 1 - Small Group: 4 children to 1 instructor. *Swim All Year and Ladies Only classes available. Pre-requisite: 5 years, beginner, or Preschool levels 1, 2, 3 or 4*

Swimmer 1 - Small Group

► **Ratio: 4:1; Ages: 5-12 yrs.**

See Swimmer 1.

Swimmer 1/2 - Ladies Only

► **Ratio: 4:1; Ages: 5-12 yrs.**

You'll work towards a 15 to 25m swim on your front and back. You'll be able to do jump entries from the side and support yourself at the surface for 10 - 20 sec. You'll be able to recover an object from the bottom of chest-deep water. *Pre-requisite: beginner non-swimmer*

Swimmer 2

► **Ratio: 8:1; Ages: 5-12 yrs.**

These advanced beginners will jump into deeper water, and learn to be comfortable falling sideways into the water wearing a life-jacket. They'll be able to support themselves at the surface without an aid, learn whip kick, swim 10 m on their front and back, and be introduced to flutter kick interval training (4 x 5 m). Swimmer 2: 8 children to 1 instructor, Swimmer 2 - Small Group: 4 children to 1 instructor. *Swim All Year and Ladies Only classes available. Prerequisites: 5 years, Swimmer 1 or Preschool 5*

Swimmer 3

► **Ratio: 8:1; Ages: 5-12 yrs.**

These junior swimmers will dive and do in-water front somersaults and handstands. They'll work on 15 m of front crawl, back crawl and 10 m of whip kick. Flutter kick interval training increases to 4 x 15 m. Swimmer 3: 8 children to 1 instructor, Swimmer 3 - Small Group: 4 children to 1 instructor. *Swim All Year classes available. Pre-requisite: 5 years, Swimmer 2*

Swimmer 3 - Small Group

► **Ratio: 4:1; Ages: 5-12 yrs.**

See Swimmer 3

Swimmer 3/4 - Stroke Improvement

► **Ratio: 10:1; Ages: 5-12 yrs.**

Stroke Improvement classes are ideal for participants who need a little special attention on a specific stroke or skill to advance to the next level. If you have repeated a level more than once - give a stroke improvement class a try. Class capacity is 10. Class is 45 minutes. AIM: To improve strokes and skills so the participant can advance to the next level. **PREREQUISITES: Swimmer 3 or 4**

Swimmer 4

► **Ratio: 10:1; Ages: 5-12 yrs.**

These intermediate swimmers will swim 5 m underwater and lengths of front, back crawl, whip kick, and breaststroke arms with breathing. Swimmers will also complete the Canadian Swim to Survive® Standard. They'll finish it all off with front crawl sprints over 25 m and 4 x 25 m front or back crawl interval training. Swimmer 4: 8 children to 1 instructor, Swimmer 4 - Small Group: 4 children to 1 instructor. *Swim All Year classes available. Pre-requisite: 5 years, Swimmer 3*

Swimmer 4 - Small Group

► **Ratio: 4:1; Ages: 5-12 yrs.**

See Swimmer 4

Swimmer 5

► **Ratio: 10:1; Ages: 5-12 yrs.**

These swimmers will master shallow dives, cannonball entries, eggbeater kicks, and in-water backward somersaults. They'll refine their front and back crawl over 50 m swims of each, and breaststroke over 25 m. Then they'll pick up the pace in 25 m sprints and two interval training bouts: 4 x 50 m front or back crawl; and 4 x 15 m breaststroke. Swimmer 5: 8 children to 1 instructor, Swimmer 5 - Small Group: 4 children to 1 instructor. *Swim All Year classes available. Pre-requisite: 5 years, Swimmer 4*

Swimmer 5/6 - Stroke Improvement

► **Ratio: 10:1; Ages: 5-12 yrs.**

Stroke Improvement classes are ideal for participants who need a little special attention on a specific stroke or skill to advance to the next level. If you have repeated a level more than once - give a stroke improvement class a try. Class capacity is 10. Class is 45 minutes. AIM: To improve strokes and skills so the participant can advance to the next level. **PREREQUISITES: Swimmer 5 or 6**

Swimmer 6

► **Ratio: 10:1; Ages: 5-12 yrs.**

These advanced swimmers will rise to the challenge of proficient swimming skills including stride entries, compact jumps and lifesaving kicks like eggbeater and scissor kick. They'll develop strength and power in head-up breaststroke sprints over 25 m. They'll swim lengths of front crawl, back crawl, and breaststroke, complete a 300m workout. Swimmer 6: 8 children to 1 instructor, Swimmer 6 - Small Group: 4 children to 1 instructor. *Swim All Year classes available. Pre-requisite: 5 years, Swimmer 5*

Swimmer 6 - Small Group

► **Ratio: 4:1; Ages: 5-12 yrs.**

See Swimmer 6

Swimmer 7 - Rookie Patrol

► **Ratio: 12:1; Ages: 5-15 yrs.**

Swimmers continue stroke development with 50m swims of front crawl, back crawl and breaststroke. Lifesaving sport skills include a 25m obstacle swim and a 15m object carry. First aid focuses on assessment of conscious victims, contacting EMS, and treatment for bleeding. Fitness improves in 350m workouts and 100m timed swims.

Swimmer 8 - Ranger Patrol

► **Ratio: 12:1; Ages: 5-15 yrs.**

Swimmers develop better strokes over 75m swims of each stroke. They tackle lifesaving sport skills in a lifesaving medley, timed object support and rescue with a buoyant aid. First aid focuses on assessment of unconscious victims, treatment of victims in shock and obstructed airway procedures. Skill drills develop a strong lifesaving foundation.

Swimmer 9 - Star Patrol

► **Ratio: 12:1; Ages: 5-15 yrs.**

Swimmers are challenged with 600m workouts, 300m timed swims and a 25m object carry. Strokes are refined over 100m swims. First aid focuses on treatment of bone or joint injuries and respiratory emergencies including asthma and allergic reactions. Lifesaving skills include defence methods, victim removals and rolling over and supporting a victim face up in shallow water.

Under Water Hockey

► **Ratio: 12:1; Ages: 5-15 yrs.**

Only in Canada would you have the opportunity to play this fun and exciting sport - underwater hockey. Lead by coaches and lifeguards, participants will have the chance to play hockey in the shallow end of the Milliken Mills Pool. *No experience necessary.*

Waterpolo - Beginner

► **Ratio: 12:1; Ages: 7-10 yrs.**

Join us for this exciting water sport in a fun, positive atmosphere. Through drills in ball handling, kicking, and stroke technique, participants improve their efficiency and endurance in the water, and practice their new skills in exciting and challenging water polo games. This group program develops teamwork, sportsmanship and decision making skills, while improving overall fitness levels and swimming strokes. *Prerequisite: Level 5. This activity is eligible for the Childrens Fitness Tax Credit.*

Pre-Teen/Teen Swimming

Teen 1

► **Ratio: 10:1; Ages: 9-16 yrs.**

You'll work towards a 10-15 m swim on your front and back. You'll do jump entries from the side and recover an object from the bottom in chest-deep water. Improve your fitness and your flutter kick with 4 x 9-12 m interval training. *Prerequisite: Beginner, non-swimmer*

Teen 2

► **Ratio: 10:1; Ages: 9-16 yrs.**

Kick it up a notch working on two interval training workouts of 4 x 25 m kicking and front or back crawl. You'll be able to perform dive entries and demonstrate breaststroke arms and breathing over 10-15 m. You'll be supporting yourself at the surface for 1-2 minutes, and showing off your handstands in shallow water. *Prerequisite: Completed Teen 1*

Teen 3

► **Ratio: 10:1; Ages: 9-16 yrs.**

No sweat (or at least none anyone can see). You'll learn eggbeater, stride entries and compact jumps. You'll be doing a 300 m workout and sprinting 25-50 m. You'll master your front crawl, back crawl and breaststroke. Whew! *Prerequisite: Completed Teen 2*

Lifesaving Club of Markham

Junior Division

The Junior Division is designed to introduce lifesaving sport to young athletes between the ages of 7-9 who have completed swimmer 4 or higher. This program will focus on the development of lifesaving skills while improving their general swimming fitness and skills. *Pre-requisites: Swimmer 4 or higher*

Junior Competitive Division

The Junior Competitive Division is designed to train athletes that have previously participated in the Junior Division. This program will focus on the further improvement of lifesaving skills in addition to learning and developing more advanced lifesaving techniques. Athletes will further develop their swimming fitness and strokes through more challenging practices in preparation for competitions. *Pre-requisites: Previously in Junior Division & Coach's Recommendation*

Youth Division

The Youth Division is designed to introduce lifesaving sport to young athletes between the ages of 10-13 who have completed swimmer 6 or higher. This program will focus on the development of lifesaving skills while improving their general swimming fitness. *Pre-requisites: Swimmer 6 or higher*

Youth Intermediate Division

The Youth Intermediate Division is designed to further train athletes that have previously participated in the Junior Division or Youth Division. This program will focus on the continued development of lifesaving skills and fitness in addition to further improving the athlete's swimming fitness and swimming strokes through more challenging practices. *Pre-requisites: Previously in Junior Division or Youth Division.*

Youth Competitive Division

The Youth Competitive Division is designed to train athletes that have previously participated in the Junior Competitive Division or Youth Intermediate Division. This program will focus on the further improvement of lifesaving skills in addition to learning and developing more advanced lifesaving techniques. Athletes will further develop their swimming fitness and strokes through more challenging practices in preparation for competitions. *Pre-requisites: Previously in Junior Competitive Division or Youth Intermediate Division & Coach's Recommendation*

Bronze Division

The Bronze Division is designed to train athletes, between the ages of 13-16 who have completed swimmer 9 (Star Patrol) or participated in the Youth Division or Youth Intermediate Division, in lifesaving sport. This program will focus on the development of lifesaving skills and techniques while developing swimming fitness and strokes through swim practices. *Pre-requisites: Swimmer 9 (Star Patrol) or Previously in Youth Division or Youth Intermediate Division*

Bronze Competitive Division

The Bronze Competitive Division is designed to train athletes that have previously participated in the Youth Competitive Division or Bronze Division. This program will focus on the further improvement of lifesaving skills in addition to learning and developing more advanced lifesaving techniques. Athletes will further develop their swimming fitness and strokes through more challenging practices in preparation for competitions. *Pre-requisites: Previously in Youth Competitive Division or Bronze Division & Coach's Recommendation.*

Lifesaving Club of Markham Seniors

The LCM Seniors is for athletes ages 16 and up. It is open to athletes new to lifesaving sport or for athletes who have participated in the Bronze Division. Athletes will working on and develop their swimming fitness, stroke development and lifesaving skills through structured workouts. Senior members will also have the opportunity to compete at competitions throughout the season.

Adult Swimming

Adult 1

► **Ratio: 10:1; Ages: 16 yrs+**

You'll work towards a 10-15 m swim on your front and back. You'll do jump entries from the side and recover an object from the bottom in chest-deep water. Improve your fitness and your flutter kick with 4 x 9-12 m interval training. *Prerequisite: 16 years old, beginner non-swimmer*

Adult 1 - Ladies Only

► **Ratio: 10:1; Ages: 16 yrs+**

You'll work towards a 10-15 m swim on your front and back. You'll do jump entries from the side and recover an object from the bottom in chest-deep water. Improve your fitness and your flutter kick with 4 x 9-12 m interval training. *Prerequisite: 16 years old, beginner non-swimmer*

Adult 2

► **Ratio: 10:1; Ages: 16 yrs+**

Kick it up a notch working on two interval training workouts of 4 x 25 m kicking and front or back crawl. You'll be able to perform dive entries and demonstrate breaststroke arms and breathing over 10-15 m. You'll be supporting yourself at the surface for 1-2 minutes, and showing off your handstands in shallow water. *Prerequisite: 16 years old and completed Adult 1*

Adult 2 - Ladies' Only

► **Ratio: 10:1; Ages: 16 yrs+**

Kick it up a notch by working towards a 50 to 100m swim. You'll be able to perform dive entries and demonstrate breaststroke arms and breathing over 25m. You'll develop sculling skill and strengths over 10m, and show off your handstands in shallow water. *Prerequisite: 16 years Adult 101 - Ladies Only.*

Adult 3

► **Ratio: 10:1; Ages: 16 yrs+**

No sweat (or at least none anyone can see). You'll learn eggbeater, stride entries and compact jumps. You'll be doing a 300 m workout and sprinting 25-50 m. You'll master your front crawl, back crawl and breaststroke. Whew! *Prerequisite: 16 years and completed Adult 2*

Aquatic Leadership Recert

First Aid - Standard Recert

Prerequisite: Lifesaving Society's Standard First Aid (SFA) Holders of SFA certifications from other agencies may not recertify their certificate on a Lifesaving Society recertification course. You may only recertify with your original certifying agency. *Please be advised that you may only recertify your SFA award once. After one recertification you must repeat a full SFA Course Recertifications must be taken within three years of a full standard first aid course. If more than three years have passed, you must retake a full course.*

NLS Recert

Prerequisite: Previously National Lifeguard certified

Airway Management Recert

Prerequisite: Airway Management and Standard First Aid (SFA)

Recert - Combo (NLS, AM, SFA)

This is a combination recertification course for those needing to recertify their National Lifeguard, Airway Management and Standard First Aid Awards. *The pre-*

requisites are: NLS, AM & SFA (from the Lifesaving Society) Current Standard First Aid (SFA) award holders may recertify their Lifesaving Society SFA certification just once on a Lifesaving Society SFA Recertification Course not more than 3 years from the Standard First Aid date of issue. To renew SFA certifications subsequently, award holders must repeat the full SFA Course. Thereafter, individuals may renew by alternating recertifications and original courses.

Program Name	Age	Location	Day	Time	Start Date	# of Classes	Course Code	Fee

Lifesaving - Bronze Star

Excellent preparation for success in Bronze Medallion. Participants develop problem-solving and decision-making skills individually and in partners. Candidates learn CPR and develop the lifesaving skills needed to be their own lifeguard. Includes a timed 400m swim. **Prerequisites:** 12 years (recommended)

Lifesaving - Red Cross Conversion Clinic

For those who wish to convert their Red Cross Instructors to a Lifesaving Swim Instructor. **Pre-requisites:** Lifesaving Instructor and Red Cross Instructor

Bronze Combo

This program is a combination of the Lifesaving Bronze Medallion, Bronze Cross and Standard First Aid Courses programmed into one course. This Crash course format is recommended for swimmers who have strong swimming skills and who need to complete these awards to advance to the National Lifeguard (NL) program. **See individual program descriptions to understand course demands.**

First Aid - Emergency

Emergency First Aid is for people who want a general knowledge of first aid principles and the emergency treatment of injuries. Skills include: victim assessment, rescue breathing, CPR B Certification, choking, and what to do for external bleeding, heart attack, and stroke.

First Aid - Standard

Standard First Aid provides comprehensive training covering all aspects of first aid and a CPR C Certification. Standard First Aid incorporates all of Emergency First Aid and is designed for those who require a more in-depth understanding of first aid including: legal implications of first aid treatment, spinal injuries, heat or cold injuries, bone and joint injuries, abdominal and chest injuries, burns, and medical emergencies. **Course text to be added at time of checkout/registration**

Lifesaving - Assistant Instructor

The Lifesaving Society Assistant Instructor Course prepares candidates to help certified instructors with swimming and lifesaving classes. Candidates are introduced to key principles of learning and teaching, and they master basic progressions. The Assistant Instructor course emphasizes the roles and responsibilities of instructors and their assistants. The course will incorporate the City of Markham Volunteer Orientation Workshop. This is an excellent stepping stone for candidates who hold a current Bronze Cross Award and who are working towards becoming a Swim Instructor. **Prerequisites:** *Bronze Cross & 14 years of age.*

Instructors - Swim and Lifesaving

The best way to play™

The combined Swim and Lifesaving Instructor course prepares the instructor to teach and evaluate swim strokes and lifesaving skills. Through classroom learning and in-water practice, instructor candidates

explore proven teaching methods; learning strategies and activities; a variety of stroke and skill drills; effective correction techniques; and evaluation criteria. Practice teaching is emphasized throughout. **This course includes certification in HIGH FIVE® Principles of Healthy Child Development.** **Prerequisites:** 16 years of age, and current Bronze Cross (or higher) certification. **The Swim and Lifesaving Instructor Combined Pac to be added at time of checkout/registration**

National Lifeguard

The National Lifeguard certification is Canada's professional lifeguard standard. National Lifeguard education is designed to develop a sound understanding of lifeguarding principles, good judgment and a mature and responsible attitude toward the role of the lifeguard. The National Lifeguard certification emphasizes prevention and effective rescue response in emergencies including first aid treatment. The National Lifeguard program is designed to prepare

lifeguards to fulfill this role as professional facilitators of safe, enjoyable aquatics. **Course is examiner evaluated. Prerequisites:** 16 years of age, Bronze Cross, and Standard First Aid from either: Lifesaving Society, Red Cross, St. John's Ambulance or Canadian Ski Patrol Course materials to be added at time of checkout/registration. **You need to purchase a whistle.**

Airway Management - AM

Airway Management certification provides senior and experienced lifeguards with specific knowledge and training in the use of oxygen, suction devices, oral airways and mask/bag-valve-mask (BVM). **Prerequisites:** Standard First Aid.

Lifesaving - Advanced Instructors

The Advanced Instructor Course provides additional training for instructors who wish to teach the advanced awards including National Lifeguard and Standard First Aid. Advanced Instructor Certification is good for life and need not be recertified. **Prerequisite:** Lifesaving Instructor

Lifesaving - Aquatic Supervisor Training

This course is designed for existing employees who wish to become Head Guard/Shift Supervisor. **Prerequisite:** NL Award or Swim or Lifesaving Instructor and 100 hours of experience.

First Aid - Instructor Lifesaving

This course prepares instructors to teach the first aid courses of the Lifesaving Society, up to and including Standard First Aid and CPR Levels A, B, and C. **Prerequisites:** Current Standard First Aid; Current Lifesaving Instructor Certification; Current Advanced Instructor Certification.

Lifesaving - National Lifeguard Instructor

This award enables successful candidates to teach the National Lifeguard Program. A pre-course assignment will be issued upon registration of the course. **Candidates must be experienced instructors. Recommended a minimum of 2 years teaching experience, preferable at the Bronze level. Prerequisites:** NL Award, Advanced Instructor and Lifesaving Instructor certifications.

Instructor Trainer - Lifesaving

Instructor Trainer candidates must be experienced instructors who hold the advanced instructor certification, examiner appointment, and apprenticeship experience in the stream in which they wish certification. This course includes both pool and classroom sessions, and prepares participants to apprentice as an Instructor Trainer on the instructor course of their choice. **Course materials:** Lifesaving Instructor Notes, Award Guides, Instructor Trainer Pac **Prerequisite:** Experience and certification as Swim/Lifesaving Instructor, Advanced Instructor, Bronze Cross Examiner.

Lifesaving - Bronze Medallion

Teaches an understanding of the lifesaving principles embodied in the four components of water-rescue education: judgment, knowledge, skill and fitness. Rescuers learn tows and carries, and defence methods and releases in preparation for challenging rescues of increased risk involving conscious and unconscious victims of various types. Lifesavers develop stroke efficiency and endurance in a 500m timed swim. *Course is examiner evaluated. Prerequisite: Bronze Star or 13 years of age Course Text to be added at time of checkout/registration*

Lifesaving - Bronze Cross

Designed for lifesavers who want the challenge of more advanced training including an introduction to safe supervision in aquatic facilities. Bronze Cross is the prerequisite for all advanced training programs including National Lifeguard and Instructor certification. Includes a timed 600m swim. *Course is examiner evaluated. Prerequisites: Bronze Medallion and Emergency First Aid or Standard First Aid. *Course Text fee to be added at time of checkout/registration Please note first aid awards must be from one of the following agencies: Lifesaving Society, Canadian Red Cross, St. John's Ambulance, or Canadian Ski Patrol.*

Lifesaving - Bronze Cross Re-exam

This exam is for individuals who could not attend their scheduled exam or for individuals who need to be re-examined. This is not for a recertification or for individuals who have not yet taken the Bronze Cross course. Examiners will incorporate instructional time before the evaluation of items.

Lifesaving - Bronze Medallion Re-exam

This exam is for individuals who could not attend their scheduled exam or for individuals who need to be re-examined. This is not for a recertification or for individuals who have not yet taken the Bronze Medallion course. Examiners will incorporate instructional time before the evaluation of items.

Lifesaving - Bronze Cross/Standard First Aid

This course is a Bronze Cross and Standard First Aid combination course.

Lifesaving - Bronze Medallion/Emergency First Aid

This course combines Bronze Medallion and Emergency First Aid.
